MEMBERS **SUPPLIERS**

ABOUT COSTARS:

COSTARS is a new approach to the Cooperative Purchasing Program. **COSTARS** encourages the formulation of an interactive partnership between Local Public Procurement Units and the Commonwealth.

There are approximately 5,000 Local Public Procurement Units taking advantage of existing Commonwealth contracts. Our goal is to provide better contracts with competitive pricing, while increasing participation of eligible participants.

DGS requires Local Public Procurement Units and State Affiliated Entities to register as COSTARS Members, and only those entities registered with DGS may purchase from the Contract. Several thousand potential Purchasers are already registered with DGS as COSTARS Members. **THE CONTRACTOR AGREES TO SELL ITEMS OR SERVICES UNDER THIS CONTRACT TO DGS-REGISTERED COSTARS MEMBERS. THE CONTRACTOR IS NOT PERMITTED TO USE THIS CONTRACT TO SELL TO NON-COSTARS MEMBERS.**

The screenshot shows the Pennsylvania Department of General Services website. The header includes the state logo and navigation links for PA State Agencies, Online Services, and a search bar. The breadcrumb trail indicates the user is in the Supplier Dashboard > Aggregates Search section. A left-hand navigation menu lists various procurement and agency options. The main content area features a search form with fields for Commodity Code, County, and Company Name, along with Submit and Reset buttons. A red link labeled "View Commodity Codes and Descriptions" is positioned to the right of the form, with a yellow arrow pointing to it.

To view all PennDOT twelve (12) digit Commodity Codes and Descriptions, click the [View Commodity Codes and Descriptions](#) link

Commodity Codes (con't)

The screenshot shows the Pennsylvania Department of General Services website. At the top, there is a navigation bar with "PA STATE AGENCIES" and "ONLINE SERVICES" dropdown menus, a search bar containing "--search PA--", and a "GO" button. Below the navigation bar, there are links for "Procurement | Real Estate | Construction and Public Works | Facilities".

The main content area contains a search form with the following fields:

- Commodity Code:** A text input field containing the value "561005000100".
- County:** A drop-down menu with a list of counties: Adams, Allegheny (highlighted), Armstrong, Beaver, and Bedford.
- Company Name:** An empty text input field.

Below the "County" field are two buttons: "Submit" and "Reset". To the right of the form is a blue link that reads "View Commodity Codes and Descriptions".

The Commodity Code selected will auto populate the text box.
 Select your County from the drop-down list.

Hit **Submit**

Detailed Description of Special Conditions

Title: STOCKPILE DELIVERY

IMPORTANT NOTE:

This document and Contract No. 5610-15, "Aggregate and Anti-Skid Material" are part of this Request for Quote ("RFQ"). They will be considered in evaluating quotes and become part of any resulting purchase order(s). Through this RFQ, the qualified contractors are given the opportunity to compete to provide anti-skid and aggregate materials to Insert name of Municipality in blanks.

The contractor who receives notice of award through this process ("Selected Contractor") will make deliveries to meet the requirements of _____ for the time period commencing on the date specified on the selected contractor's notice of award/purchase order, and expiring on the date specified. Through this process, _____ is announcing the date and time for the receipt of quotes and is providing further instructions to the qualified contractors in regard to the submission of those quotes.

Estimated Quantities: Estimated quantities may be increased or decreased at _____ discretion to meet the requirements of _____.

Purchase Orders: _____ will issue a written notification to proceed with delivery. Prices must remain firm for the time period specified. Estimated quantities may be increased or decreased at _____ discretion to meet the needs of _____.

Receiving: Contractor shall notify _____ when shipments are scheduled for delivery to insure representatives are present to receive materials.

Anti-Skid Dry Weight: An adjustment of the delivery quantity will be required based on the average daily moisture. The percent of moisture will be deducted from the quantity shipped, and payment will be based on the dry weight shipped.

Sample Quote Form

The Delivery Rate per day can be changed to fit your needs

Stockpile Delivery F.O.B. Destination: Contractors shall quote a price per ton delivered to _____'s location indicated. _____ will award to the lowest responsive and responsible quote submitter. Selected contractors will receive a letter of award if applicable. Upon notification, Selected Contractors shall begin delivery to stockpile locations within five (5) working days after _____ provides notification to deliver and shall continue at a rate of **100** tons per day until the requested delivery quantity is completed. Delivery shall continue on an uninterrupted basis.

Order Cancellations: _____ reserves the right to cancel any order where the contractor fails to make delivery in accordance with the terms and conditions or established work schedules. The remaining order balance will be awarded to the next lowest responsible and responsive quote submitter who can meet the delivery schedule.

Delivery Delays: _____ is not responsible for delays incurred by shippers due to stacking of the contractor's trucks or charges resulting from such delays. Delays incurred that are clearly the fault of _____ shall be documented and submitted to _____ for approval for reimbursement.

Quote Opening Date and Time: The quote-opening date and time will be specified in each Request for Quote. _____ will not accept quotes submitted after the time and date specified.

Include the following spec if requesting Tailgate Spreading
Short Description of Special Condition : TAILGATE SPREADING

Tailgate Spreading: If _____ requests tailgate spreading the Contractor shall provide tailgate spreading. Cost for this service shall be included in the unit price quote.
