

# Overview for Contract 6760-02

*Prior to utilizing a contract, the user should read the contract in it's entirety.*

## DESCRIPTION

The contract covers Microfilm Equipment. The Contract will also include Maintenance and Repairs of existing microfilm equipment and accessories, which are not covered or included in the purchase. Microfilm Supplies are also included. Items covered on the contract include the following: Microfilm/Microfiche readers and printers; Microfilm/Microfiche cameras and lenses; Microfilm and Microfiche film and supplies (lamps, processing supplies, microfilm jackets) and Rollfilm Readers. All components must be components used in conjunction with the microfilm operation.

## CONTRACT INFO

Contract Number & Title	4600005850, 4600005846, 4600005849, 4600007684, 4600010741
Number of Suppliers	Five (5) Suppliers
Validity Period	Beginning Date of Award and Expiring on June 30, 2007, with an option for one (1) year renewal.
DGS Point of Contact	Raymond Jaime, Commodity Specialist
Contact Phone #	(717) 346-3827 fax (717) 783-6241
Email	<a href="mailto:rjaime@state.pa.us">rjaime@state.pa.us</a>

## PRICING HIGHLIGHTS

This is a multiple award contract; as such, each supplier sells a specific manufacturer brand. The supplier shall supply current manufacturer's price list. Refer to change notices to view current lists.

## PROCESS TO PURCHASE

All agencies will place their purchase orders through SAP.

## SPECIAL CONTRACT TERMS AND CONDITIONS

**CONTRACT SCOPE/OVERVIEW:** This Contract No. CN00007482 (Formerly 6760-02) (identified here and in the other documents as the "Contract") will cover the requirements of Commonwealth agencies for the Microfilm Equipment. The Contract will also include Maintenance and Repairs of existing microfilm equipment and accessories, which are not covered or included in the purchase. Microfilm Supplies are also included. **Items covered on the contract include the following:** Microfilm / Microfiche readers / printers; Microfilm / microfiche cameras and lenses; Microfilm and microfiche film and supplies (lamps, processing supplies, microfilm jackets.) and Rollfilm Readers. All components must be components used in conjunction with the microfilm operation.

**ORDER OF PRECEDENCE:** These Special Contract Terms and Conditions and the Leasing Terms and Conditions supplement the Standard Contract Terms and Conditions For Statewide Contracts for Supplies. To the extent that these Special Contract Terms and Conditions and the Leasing Terms and Conditions conflict with the Standard Contract Terms and Conditions For Statewide Contracts for Supplies, these Special Contract Terms and Conditions and the Leasing Terms and Conditions shall prevail.

**TERM OF CONTRACT:** The Contract shall commence on the Effective Date of award and expire on June 30, 2007.

**OPTION TO EXTEND:** The Department of General Services reserves the right, upon notice to the Contractor, to extend the Contract or any part of the Contract for up to three (3) months upon the same terms and conditions. This will be utilized to prevent a lapse in Contract coverage and only for the time necessary, up to three (3) months, to enter into a new contract.

**OPTION TO RENEW:** The contract or any part of the contract may be renewed for an additional one (1) year term by mutual agreement between the Commonwealth and the Contractor. If the Contract is renewed the same terms and conditions shall apply. This renewal shall be limited to two (2) one year terms.

**OPTION FOR SEPARATE COMPETITIVE BIDDING PROCEDURE:** The Department of General Services reserves the right to purchase supplies covered under this Contract through a separate competitive bidding procedure, whenever the department deems it to be in the best interest of the Commonwealth. The right will generally be exercised only when a specific need for a large quantity of the supply exists or the price offered is significantly lower than the Contract price.

Prices shall be net, F.O.B. destination to any point in the Commonwealth of Pennsylvania. Price percentages bid shall be firm through the initial three year (3) contract period and any extension, or renewal thereof.

Any terms and conditions that may appear on the price lists/catalogs, including but not limited to, FOB Shipping Point; Prices Subject to Change; and any additional items will not be a part of the Contract and will have no force or effect on the contract. Within ten (10) days after a request from a Commonwealth agency, a Contractor shall furnish the requesting agency with a copy of the price list for the referenced manufacturer's equipment. Contractors may not publish any price list for use by Commonwealth agencies with alternate pricing, additional terms and conditions and additional items.

**LEASING PLANS:**

The term of each lease shall commence on the date the equipment is accepted by the Agency upon completion of the standard of performance and shall continue for such period of time as may be designated in the purchase order.

Equipment shall be procured for the period of time as designated in the purchase order unless the purchase order is terminated for default or because of non-appropriation.

Non-renewal: There will be no renewal of equipment leases via this contract. Agencies must either exercise their purchase option or notify the contractor at least thirty (30) days prior to expiration of the lease to have the equipment removed. Billing shall be done on a monthly basis.

Following are the lease plans under which equipment will be leased

EQUIPMENT UNDER \$3,000.00 WILL NOT BE AVAILABLE FOR LEASE.

LEASE PERIOD WILL BE FOR 24 MONTHS OR 36 MONTHS (AGENCY OPTION)

**LEASE ASSIGNMENT:** Exhibit "E" (Assignment Document for Leasing) attached to the Leasing Terms and Conditions should be completed for every lease that is assigned to another party, i.e. Leasing Company for payments. In order for the Leasing Company to receive payment, they must also be registered with the Central Vendor Management Unit (CMVU) in order to acquire an SAP Vendor Number.

**EQUIPMENT:** All items offered by the bidder must be new. A new item is one which will be used first by the Commonwealth after it is manufactured or produced. Used, remanufactured or reconditioned items are not acceptable. This clause will not be construed to prohibit bidders from offering goods, supplies, equipment, materials or print with recycled content, provided the item is new.

**MAINTENANCE AND REPAIRS FOR OUTRIGHT PURCHASES AND EXISTING EQUIPMENT:**

Each awarded bidder shall offer full service maintenance and repairs to cover all of the specified manufacturer's equipment procured through outright purchase or other manufacturers equipment already owned by the agency. Full service maintenance shall include replacement of all parts and furnishing all labor for maintenance necessary to keep the equipment in good operating condition.

All replacement parts, shall be covered by the Contract. Replacement parts will be furnished on an exchange basis. Genuine manufacturer's replacement parts shall be used exclusively, unless a letter of exception is approved by the manufacturer and the agency contact person. All parts removed due to replacement become the property of the Contractor

A schedule for preventative maintenance for the specific equipment requirements shall be developed by the Contractor and the contact person for the using agency identified on the purchase order.

The Contractor's qualified service technician(s) must arrive at the work site no later than five (5) hours after a service call has been placed with the Contractor. Contractors are required to have a sufficient number of authorized service dealers available throughout the Commonwealth to achieve this arrival time. Work shall be performed during normal working hours of the ordering agency (which will be recorded on the purchase order) Monday through Friday, except state holidays. In the event the Contractor's qualified service technician does not arrive within five (5) working hours after notification, one hundred dollars (\$100.00) shall be assessed against the Contractor as liquidated damages for each day or part of a day until a qualified service technician arrives. In addition, equipment must be made operational by the Contractor's qualified service technician within three (3) hours after the technician arrives or eight (8) hours after a service call has been placed with the contractor, whichever comes first. In the event the equipment is not operational within three (3) hours after the technician arrives or eight (8) hours after a service call has been placed with the Contractor (whichever comes first), fifty dollars (\$50.00) per hour shall be assessed against the Contractor as liquidated damages for each hour of delay. Any amount assessed against the Contractor under this section may be deducted from any amounts due the Contractor.

The Contractor shall have full and free access to the machines to perform service. The Contract does not cover repairs required by neglect, misuse, abuse, or vandalism. In order to ensure parts are available for needed repairs/service, the Contractors may confer with Commonwealth agency contact persons.

If an agency elects to procure maintenance for agency-owned equipment, the vendor should be permitted to inspect the equipment prior to providing maintenance service and to provide the agency with a price to repair/refurbish the equipment or replace parts so that the equipment is operating properly. If the agency declines to have the vendor perform the repair/refurbishment/replacement at the quoted price, the vendor may decline to provide the ordered maintenance service.

**MAINTENANCE AND REPAIRS FOR LEASE PLANS:**

The original contractor supplying equipment is required to provide maintenance for the term of the lease.

The contractor shall provide such maintenance service for all equipment procured using the lease option under the contract. The maintenance service shall include such service as is necessary to keep the equipment operating satisfactorily, including preventative maintenance. The Contractor's qualified service technician(s) must arrive at the work site no later than five (5) hours after a service call has been placed with the Contractor. Contractors are required to have a sufficient number of authorized service dealers available throughout the Commonwealth to achieve this arrival time. Work shall be performed during normal working hours of the ordering agency (which will be recorded on the purchase order) Monday through Friday, except state holidays. In the event the Contractor's qualified service technician does not arrive within five (5) working hours after notification, one hundred dollars (\$100.00) shall be assessed against the Contractor as liquidated damages for each day or part of a day until a qualified service technician arrives. In addition, equipment must be made operational by the Contractor's qualified service technician within three (3) hours after the technician arrives or eight (8) hours after a service call has been placed with the contractor, whichever comes first. In the event the equipment is not operational within three (3) hours after the technician arrives or eight (8) hours after a service call has been placed with the Contractor (whichever

comes first), fifty dollars (\$50.00) per hour shall be assessed against the Contractor as liquidated damages for each hour of delay. Any amount assessed against the Contractor under this section may be deducted from any amounts due the Contractor.

The Contractor shall have full and free access to the machines to perform service. The Contract does not cover repairs required by neglect, misuse, abuse, or vandalism. In order to ensure parts are available for needed repairs/service, the Contractors may confer with Commonwealth agency contact persons.

For leases, the cost of maintenance shall be firm (no increase in price) for the full term of the lease after acceptance of the equipment. No escalators apply.

The Department of General Services, Bureau of Purchases will act as the agent for the Agencies for all surcharge actions brought under this section. Agencies shall forward to the Bureau of Purchases all documented cases of late responses. The Bureau of Purchases will then determine what incidents they feel are justified for surcharge action and the appropriate comptroller will be notified. Agencies please include the following information in their documentation: Date call placed, time of day call placed, name of individual who placed call, name of person at contractors location that they spoke to, date service representative arrived, time of day service performed, name of service representative, (if machine is down for a period of time while parts were ordered number of days machine was down).

**INSTALLATION AND REMOVAL:**

Prices shall include installation of the equipment to a fully operational status. For installation that requires rigging, the contractor shall submit a price quotation to the agency for approval prior to commencement of work. Rigging is defined as any inside delivery where special equipment is required because of the configuration of the building or location in which it is being placed.

Upgrade Placements: Removal costs will not be incurred by the Commonwealth for equipment which is being replaced by equipment from the same contractor as that from which the old equipment was issued.

**QUALITY AND RELIABILITY:**

The equipment will be expected to perform in an efficient manner with a minimum of down time. Equipment which requires an excessive number of service calls will be reported to the Department of General Services for review. If it is determined that a using agency's equipment must be replaced, the contractor, after written notification from the agency, will replace the equipment without charge with an identical model or a machine with comparable features and capabilities. This policy shall apply to all equipment leased or purchased under this contract, and shall be in effect for the duration of the contract. If leased equipment is replaced, a new lease term shall not commence but rather the Commonwealth shall only be responsible for the remaining payments in the unexpired term. If the cause of excessive service calls is determined to be an operator error, misuse, or abuse by the Commonwealth, the repair time and the associated travel time shall not be a factor in determining satisfactory machine performance.

**DELIVERY TIME:**

The contractor must deliver equipment within thirty (30) working days after receipt of a purchase order, unless otherwise specified in the purchase order.

The contractor must notify agency if unable to deliver within thirty (30) working days, or as otherwise specified in the purchase order.

If delivery time cannot be met, the Agency, after consultation with the Department of General Services, will have the option to cancel or do what is necessary to effect delivery without penalty.

**TRADE-INS:**

The Commonwealth reserves the right to offer used equipment in trade as part of the purchase price, in accordance with values in effect at the time traded. Contractors should submit a formal trade-in schedule or a statement of trade-in policy with their bids.

Trade-in equipment is represented by the Commonwealth only "as is" and no warranty as to its condition is expressed or should be inferred. Equipment for trade-in shall be picked up by the contractor at the point indicated in the agency's purchase order and shall be removed at his expense.

**PURCHASE CREDITS:**

For Lease with Fair Market Value Option, the fair market value of the equipment shall be as established by the contractor or Initial Assignee (if applicable) that shall not exceed the then purchase price of the equipment. Agencies exercising the buyout at the end of a lease, shall complete a new Purchase Order prior to expiration of the lease and follow the procedures for cost determination as outlined in Section V. (D) of the Leasing Terms and Conditions.

**CATALOGS:** Catalogs shall be delivered within ten (10) calendar days after request. A list of Commonwealth agencies is available upon request after notification of award. These catalogs shall incur no additional cost to the Commonwealth or its agencies. Failure to comply with this provision may result in termination of contract.

**E-CATALOG:** The Commonwealth may require the awarded bidder(s) to supply its price list/catalog and any updated price lists/catalogs in electronic format. Price lists/catalogs must be provided in one of the following formats: Word document, Excel spreadsheet, or PDF file on "read only" 3.5 inch diskette, "read only compact disk, or e-mail.

**UPDATE OPTION:** The awarded vendor may update the contract price lists/catalogs four (4) times during the contract period to reflect new products, manufacturer's price increases and deletion of discontinued products, however, the percentage discount bid must remain the same. The first update is allowed after the contract has been in effect for three months. The contractors are required to provide the Department of General Services with current price lists/catalogs. **Individual letters to add or delete products will not be accepted.** If contractor adds products, those products must be current in the price lists/catalogs or the purchase orders will be rejected. In the event the contract is renewed for another year, four (4) more updates will be allowed.

**WARRANTY:** Equipment purchased under this contract shall have a minimum of a ninety (90) day unconditional warranty on parts and labor.

At no time are awarded vendors allowed to unilaterally change the products or prices on contract. Approval must be granted by the Buyer. Orders will be monitored to ensure compliance.

**NON-APPROPRIATION:** The Commonwealth's obligation is payable only and solely from funds allotted for the purpose of the lease agreement. If sufficient funds are not appropriated for continuation of performance under the lease agreement for any fiscal year subsequent to the one in which the lease was entered into, the Commonwealth agency may return the equipment to the vendor and thereafter be released of all further obligations, provided (I) the equipment is returned to the vendor in good condition, reasonable wear and tear excepted, and (II) Thirty (30) days written notice is given to the vendor from head of agency or designee stating the failure of appropriations as the reason for return and certifying that the equipment is not being replaced by similar equipment from another vendor. In the event the Commonwealth agency returns the equipment for failure of appropriations, all amounts then due to the vendor shall be paid by the Commonwealth agency.

**TRAINING:** Prices shall include instruction of a maximum of three (3) Commonwealth personnel for one session of a minimum of four (4) continuous hours in the operation and maintenance of the equipment. The topics to be included in this instruction are as follows:

- A. Complete orientation of all of the equipment's features, functions, and capabilities.
- B. "Hands On" training of each employee in the operation of the machine by demonstration and use.
- C. Trouble shooting of the equipment, including identification of codes and/or symbols used to diagnose problems.
- D. Process to identify that equipment needs a technician's services and the method of notification to a qualified service technician.
- E. Review of system documentation, electronic or hardcopy

**MINIMUM ORDER:** \$100.00.

**INQUIRIES:** Direct all questions concerning this contract to the appropriate buyer named herein.

**ATTACHMENT A**  
**CN00007482 (6760-02)**  
**MICROFILM EQUIPMENT**  
**LEASING TERMS AND CONDITIONS**

I. General.

- (A) Pursuant to these Leasing Terms and Conditions ("Terms and Conditions") the contractor(s) shall lease equipment and software covered by the contract. Commonwealth agencies shall, in addition to the outright purchase of equipment and software, have the option to lease equipment from the contractor, as well as financed software and other items in RFP CN00007482. Leases shall be in accordance with the following terms (in addition to the terms and conditions of RFP CN00007482. The ordering Commonwealth agency shall indicate its election to lease equipment (each such lease transaction hereinafter called a "Lease") on the applicable purchase order issued to the contractor. Such Lease may also include financed software or other items in RFP CN00007482 that are financed (in either case "Financed Items").
- (B) The contractor may assign such purchase order and Lease to a third party ("Initial Assignee") who will fund the purchase of the equipment and Financed Items (and in the case of a Lease, take title to the equipment) and assume the right to receive all payments thereunder. The consent of the Commonwealth to such assignment by the contractor shall not be required. The contractor shall notify the Commonwealth of its assignment to an Initial Assignee in its acknowledgment to the Commonwealth Agency of the purchase order and by providing the Commonwealth Agency with a copy of an assignment agreement between the contractor and the Initial Assignee.
- (C) Notwithstanding any provisions to the contrary in the RFP CN00007482, in the event of an assignment of a Lease to an Initial Assignee, the Initial Assignee shall only be bound to the obligations of the contractor as they are specified in these Terms and Conditions and shall not be responsible for any additional representations, warranties, covenants or obligations of the contractor as provided in the remainder of the RFP CN00007482. The Commonwealth waives any claims it may have against the Initial Assignee for any loss, damage or expense caused by the equipment or any Financed Item or any defect therein or use or maintenance thereof. The Commonwealth acknowledges that the Initial Assignee is not the supplier of the equipment or Financed Items and is not responsible for its selection or installation. Once an acceptance certificate in the form attached hereto as Exhibit A is executed by the ordering Commonwealth Agency and is received by Initial Assignee, if any portion of the equipment or Financed Items is unsatisfactory for any reason, the ordering Commonwealth Agency shall, nevertheless, continue to make payments under the applicable Lease and shall make any claim against the contractor or the manufacturer, but not against the Initial Assignee or any subsequent assignee of the Initial Assignee.

(D) The rights of the Initial Assignee and any subsequent assignee to receive payments under a Lease are absolute and unconditional and shall not be affected by any right of set-off or defense of any kind whatsoever once an acceptance certificate in the form attached here to as Exhibit A is executed by the ordering Commonwealth Agency and is received by Initial Assignee.

- II. Leasing Plans. The contractor agrees to provide the equipment and Financed Items covered by the RFP CN00007482 through 24/36 month Lease with Fair Market Value Option (in addition to outright purchase).

The leasing plan selected by the ordering Commonwealth agency shall be identified on the purchase order.

- III. Term. The term of each Lease shall commence on the date the equipment and/or Financed Items are accepted by the ordering Commonwealth agency (as evidenced by an acceptance certificate in the form attached hereto as Exhibit A) and shall continue for the period of time of the pricing plan as designated on the purchase order.

- IV. Payments.

A. Full term intention. The ordering Commonwealth agency shall pay the applicable monthly or annual rent payment for the equipment and Financed Items. Payment shall be made by the ordering Commonwealth Agency, for the full term, unless the purchase order is terminated by the Commonwealth agency for contractor Default under Section V(J)(2) herein or nonappropriation of funds.

B. Nonappropriation. The Commonwealth agency's obligation is payable only and solely from funds allotted for the purpose of the Lease. If sufficient funds are not appropriated for continuation of performance under any Lease for any fiscal year subsequent to the one in which the purchase order was issued, the Commonwealth agency may return the equipment to the contractor or Initial Assignee (if applicable) and thereafter be released of all further obligations, provided: (i) The Commonwealth agency delivers unencumbered title to the equipment to the contractor or Initial Assignee (if applicable), (ii) The equipment is returned to the contractor or Initial Assignee (if applicable) in good condition, reasonable wear and tear excepted, and (iii) thirty (30) days written notice is given to the contractor or Initial Assignee (if applicable) stating the failure of appropriations as the reason for return and certifying that the equipment is not being replaced by similar equipment from another vendor. In the event the Commonwealth agency returns the equipment for failure of appropriations, all amounts then due to the contractor or Initial Assignee (if applicable) through the end of the fiscal year for which sufficient funds have been appropriated shall be paid by the Commonwealth agency.

- V. Leasing Terms and Conditions. The following terms and conditions shall apply if the ordering Commonwealth agency selects a twenty-four (24) and Thirty-six (36) month, Fair Market Value:
- A. Title. Title in or to the equipment shall not pass to the Commonwealth but shall remain in the contractor or Initial Assignee (if applicable). The equipment shall remain personal property and shall not become a fixture or affixed to real property. The Commonwealth will keep the equipment free and clear of all encumbrances except the contractor's or any assignee's security interest. At the request of the contractor or Initial Assignee (if applicable), the Commonwealth will join the contractor or Initial Assignee in executing one or more financing statements, pursuant to the Uniform Commercial Code or other registration law applicable to the location of the equipment. The contractor or Initial Assignee (if applicable) will pay the cost of filing the financing statement(s) in all public offices wherever filing is deemed by the contractor or Initial Assignee to be necessary or desirable.
- B. Risk of Loss. The contractor shall assume and bear the risk of loss, damage, or theft to the equipment and all component parts thereof while same is in the Commonwealth's possession, unless it could have been prevented by the Commonwealth's exercise of reasonable care or diligence in the use, protection, or care of the equipment. No loss or damage to the equipment shall impair any obligation of the contractor or of the Commonwealth, except as hereinafter expressly provided. Unless the damage could have been prevented by the Commonwealth's exercise of reasonable care or diligence in the use, protection, or care of the equipment, the contractor shall repair or cause to be repaired all damages to the equipment, if the contractor determines the equipment can be economically repaired. In the event that the equipment is stolen, destroyed or rendered irreparable, unusable, or damaged as determined by the contractor, the Lease shall terminate and the Commonwealth's obligation to pay rent for the equipment shall be deemed to have ceased as of the date of the loss.
- C. Assignment. The Commonwealth shall not assign any Lease hereunder or any interest therein, or sublease the equipment without the prior written consent of the contractor or its assignee. The contractor may assign the purchase order and the Lease and/or grant security interests therein, in whole or in part to an Initial Assignee and such Initial Assignee may further assign a Lease and/or grant a security interest therein to a subsequent assignee without the consent of the Commonwealth. Any other assignment by the contractor shall require the prior written consent of the Commonwealth. Upon notice to the ordering Commonwealth agency, the contractor may assign payments under any Lease to a third party.
- D. Purchase Option. If the Commonwealth is not in default, it shall have the right to buy the equipment "as is with no additional warranty" at the expiration of the Lease term by tendering the purchase option amount. For Lease with Fair Market Value Option, the fair market value of the equipment shall be as established by the contractor or Initial Assignee (if applicable) which shall not exceed the then purchase price of the

equipment as established by RFP CN00007482. Upon the Commonwealth's exercise of this purchase option, all right, title and interest in the equipment shall pass to the Commonwealth upon payment.

- E. Extension. If the Commonwealth has not elected to purchase the equipment at the expiration of a Lease term, and as long as the Commonwealth is not in default under the Lease, the Lease (other than Leases that expire five years from date of installation) may be extended upon receipt by the contractor or Initial Assignee (if applicable) of written notification from the Commonwealth. The extension will be under the same terms and conditions then in effect, including rent (but not less than fair market rental value) and will continue until the earlier of termination by either party upon one month's prior written notice or five years from the date of installation.
- F. Return of Equipment. At the expiration or termination of a Lease for any item of equipment, or upon demand by the contractor, or Initial Assignee (if applicable) pursuant to Section V. (J), Default, the Commonwealth shall promptly return the equipment, freight prepaid, to a location in the continental United States specified by the contractor or Initial Assignee (if applicable). The Commonwealth agency shall pay the applicable rent for the equipment until it has been shipped to the contractor in accordance with the subsection. Since the Commonwealth has, as a matter of policy, determined that all hard drives contain information that is confidential or sensitive, the contractor shall, at its discretion, either 1) remove and destroy the hard drive from the equipment or 2) clean the hard drive to Office of Administration/U.S. Department of Defense standards. The contractor will be required to provide written certification to the Commonwealth agency that the hard drive has been destroyed or cleaned to Office of Administration/U.S. Department of Defense standards. Except in the event of a total loss of the equipment pursuant to paragraph V. (B) herein and except for those costs associated with the removal, destruction and cleaning of the hard drives, the Commonwealth shall pay any costs and expenses incurred by the Contractor or Initial Assignee (if applicable) to place the equipment in good operating condition in accordance with the specifications. All parts removed and replaced by the contractor shall become the property of contractor or Initial Assignee (if applicable). The contractor's or Initial Assignee's (if applicable) costs and expenses associated with 1) the contractor's or Initial Assignee's (if applicable) cleaning of a hard drive to Office of Administration/U.S. Department of Defense standards and 2) the contractor's or Initial Assignee's (if applicable) removal and destruction of a hard drive shall be included in the rental amount. No additional charges will be paid by the Commonwealth agency for 1) the contractor's or Initial Assignee's (if applicable) cleaning of a hard drive to Office of Administration/U.S. Department of Defense standards and 2) the contractor's or Initial Assignee's (if applicable) removal and destruction of a hard drive upon the return of an item of equipment.

- G. Warranties: Quiet Enjoyment. The contractor or Initial Assignee (if applicable) grants to the Commonwealth the benefit of any and all warranties made by the manufacturer or supplier of the equipment or Financed Items during the term of a Lease. The contractor warrants that neither the contractor nor anyone acting or claiming through the contractor, by assignment or otherwise, will interfere with the Commonwealth's quiet enjoyment of the use of the Equipment so long as no event of default shall have occurred and be continuing. However, in the event of an assignment of a Lease hereunder to an Initial Assignee, such Initial Assignee (and any subsequent assignee) warrants that neither it nor anyone acting or claiming through it by assignment or otherwise, will interfere with the Commonwealth's quiet enjoyment of and use of the Equipment, so long as no event of default shall have occurred and be continuing.
- H. Liability.
1. The Commonwealth assumes all risks and liabilities for injury to or death of any person or damage to any property, in any manner arising out of possession, use, operation, condition, or storage of any piece of equipment or Financed Item by the Commonwealth agency whether such injury or death be with respect to agents or employees of the Commonwealth or of third parties, and whether such property damage be to the Commonwealth's property or the property of others; provided, however, that said damage or injury results from the negligence of Commonwealth, its agents or employees, and provided that judgment has been obtained against the Commonwealth. This provision shall not be construed to limit the sovereign immunity of the Commonwealth, the Department of General Services or any Commonwealth agency.
  2. The Commonwealth shall, during the term of the Lease, self-insure with respect to the risks which it has assumed under subparagraph (I)(1) above, including, but not limited to, risks of public liability and property damage under Act 142 of October 5, 1980, P.L. 693, 42 Pa. C.S. A. Section 8522.
- I. Financing and Prepayment. If a Lease provides for financing of software or other Financed Items, the contractor will pay the charges for such Financed Items directly to the supplier (if such supplier is not the contractor). In the event the Lease is assigned to an Initial Assignee, the Initial Assignee will pay such charges directly to the contractor or the supplier. If the payments under the purchase order have been assigned to an Initial Assignee, the Commonwealth's obligation to pay rent for those items of software or other Financed Items which have been delivered and for which acceptance certificates have been received shall not be effected by any discontinuance, return or destruction of any license or licensed program materials or any dissatisfaction with any service financed under the Lease. The Commonwealth may terminate any Financed Item (but not an item of equipment) by prepaying its remaining rent. The Commonwealth shall provide the contractor or Initial Assignee (if applicable) with notice of the intended prepayment date

which shall be at least one month after the date of the notice. The contractor or Initial Assignee may, depending on market conditions at the time, reduce the remaining rent to reflect such prepayment and shall advise the Commonwealth of the balance to be paid. If, prior to Lease expiration, the Commonwealth purchases equipment related to a Financed Item or if the Lease for such equipment is terminated, for any reason (except if funds are not appropriated as described in paragraph IV (B)), the Commonwealth shall at the same time prepay such Financed Item, if it has been delivered and for which an acceptance certificate has been received.

J. Default

1. If the Commonwealth (1) does not pay a rent payment within thirty (30) days after the due date and such non-payment continues for fifteen (15) days after receipt of written notice from the contractor or Initial Assignee (if applicable) that the Commonwealth Agency is delinquent in payment of any rent; (2) breaches any other provision under these Terms and Conditions and such breach continues for fifteen (15) days after receipt of written notice thereof from the contractor or Initial Assignee (if applicable); or (3) files any petition or proceeding (or has a petition or proceeding filed against it) under any bankruptcy, insolvency or similar law, the contractor or its assignee may pursue and enforce the following remedies:
  - a. Terminate the applicable purchase order.
  - b. Take possession of any or all items of equipment without any court order or other process of law and for such purpose, the contractor or its assignee may enter upon the premises where the equipment may be and may remove the same therefrom upon written notice of its intention to do same, without being liable to any suit or action or other proceeding by the Commonwealth. The contractor or its assignee may, among its options, sell the equipment at public or private sale for cash or credit. The Commonwealth agency shall be liable for the contractor's or the assignee's expense of retaking possession and the removal of the equipment and placing the equipment in good operating condition (if it is not in good operating condition at the time of removal) in accordance with the manufacturer's specifications. When the equipment is returned to the contractor or its assignee, it shall include only those items that were purchased as per the purchase order.
  - c. Recover from the Commonwealth agency all rent payments then due and the net present value of the amount of the remaining rent payments. The present value of such remaining rent payments shall be calculated using a discount rate equal to the average of the weekly two and three year Treasury Constant Maturities published by the

Federal Reserve Board for the last calendar week of the month preceding the contractor's or its assignee's termination of the applicable purchase order. The Treasury Constant Maturities are published in Statistical Release .15 and can be accessed via the Federal Reserve Board internet website.

2. In the event of default by the contractor, the Commonwealth may pursue one or more of the following remedies.
  - a. If the payments under the purchase order have been assigned to an Initial Assignee, the Commonwealth shall continue to make rent payments for those units of equipment which have been delivered for which acceptance certificates have been received, and cancel its order without liability for payment for those units which have not been delivered and for which acceptance certificates have not been received. The amount of the rent payments shown in the payment schedule will be recalculated, however, to take into consideration and pay for the actual number of units which were delivered and for which acceptance certificates have been received. If no acceptable units of equipment have been delivered and accepted, the Commonwealth agency may terminate the purchase order without liability to make any payments.
  - b. If the payments under this agreement have not been assigned to an Initial Assignee, the Commonwealth agency may setoff or counterclaim against its obligation to make the payments any and all damages incurred by the Commonwealth as a result of the contractor's default.

VI. Compliance with Internal Revenue Code. The contractor or its assignee must, if it intends to provide tax exempt financing, file, in timely fashion, any reports that must be filed with the Internal Revenue Service with respect to the order under Section 124 or 149 of the Internal Revenue Code (IRC). The Commonwealth shall cooperate with the contractor or its assignee in the preparation and execution of these documents. The Commonwealth shall also keep a copy of each notification of assignment with the Commonwealth's counterpart of the order and shall not, during the term of the Lease, permit the equipment to be directly or indirectly used for a private business use within the meaning of Section 141 of the IRC. The Commonwealth represents that it and each ordering Commonwealth Agency that enters into a Lease hereunder qualifies as a State or political subdivision of a State for the purpose of Section 103(a) of the IRC. Any misrepresentation of such status under Section 103(a) shall constitute an event of default by the Commonwealth pursuant to paragraphs V (J). If (a) the Internal Revenue Service rules that the Commonwealth or any ordering Commonwealth Agency does not so qualify under Section 103(a) of the IRC, or (b) the Commonwealth fails to cooperate with the contractor or Initial Assignee in the preparation and execution of any reports required under Section 124 or 149 of the IRC (including 8038G and 8038GC forms), the Commonwealth will pay the contractor or Initial Assignee (if applicable) upon demand, a sum to be

determined by the contractor or Initial Assignee sufficient to return the contractor or Initial Assignee (if applicable) to the economic results it would otherwise have received.

- VII. Other Documents. Upon request from the contractor or Initial Assignee the Commonwealth will sign properly completed UCC-1 Forms and 8038G or 8038GC Forms if applicable. The contractor or Initial Assignee shall be responsible for completing these forms and filing them with the appropriate offices/parties. One opinion of counsel form (using the form attached hereto as Exhibit B) covering all Commonwealth agency orders under the contract will be provided upon request.
- VIII. Use and Location of Equipment and Alterations. The Commonwealth agency shall keep the equipment under a Lease within the confines of the Commonwealth of Pennsylvania. The Commonwealth agency will inform the contractor or the Initial Assignee of the location of the equipment upon request. The Commonwealth agency, at its own cost and expense, shall maintain the equipment in good operating condition and will not use or deal with the equipment in any manner which is inconsistent with the terms of the Contract or any applicable laws and regulations. The equipment will not be misused, abused, wasted or allowed to deteriorate except for ordinary wear and tear resulting from its intended use. No alterations, changes, or modifications to the equipment shall be made without the approval of the contractor or Initial Assignee (if applicable).
- IX. Warranty Disclaimer. IN THE EVENT CONTRACTOR ASSIGNS A LEASE HEREUNDER TO AN INITIAL ASSIGNEE, SUCH INITIAL ASSIGNEE AND ANY SUBSEQUENT ASSIGNEE MAKE NO WARRANTY (OTHER THAN, IN THE CASE OF A LEASE, A WARRANTY OF QUIET ENJOYMENT OF THE EQUIPMENT), EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. AS TO THE INITIAL ASSIGNEE AND ANY SUBSEQUENT ASSIGNEE, THE COMMONWEALTH TAKES THE EQUIPMENT AND ANY FINANCED ITEMS "AS IS." IN NO EVENT SHALL THE INITIAL ASSIGNEE OR ANY SUBSEQUENT ASSIGNEE HAVE ANY LIABILITY FOR, NOR SHALL THE COMMONWEALTH HAVE ANY REMEDY AGAINST THE INITIAL ASSIGNEE OR ANY SUBSEQUENT ASSIGNEE FOR, CONSEQUENTIAL DAMAGES, ANY LOSS OF SAVINGS OR LOSS OF USE.
- X. Governing Law: Severability. All Leases hereunder shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania, however the parties agree that Article 2A of the Uniform Commercial Code shall not apply or govern transactions under these Terms and Conditions. If any provision of these Terms and Conditions is held to be invalid or unenforceable, all other provisions shall remain in effect. All disputes arising in connection with these Terms and Conditions shall be resolved in accordance with Section 22 of the Standard Contract Terms and Conditions for Department of General Services Statewide Contracts For Supplies (Attachment B of the RFP CN00007482.)
- XI. Notices. Service of all notices under these Terms and Conditions shall be sufficient if delivered by hand or overnight courier or mailed to the Commonwealth at the address set forth in the applicable purchase order, or

to the contractor or Initial Assignee (if applicable) at the address set forth in its acknowledgment to the purchase order (or any document attached thereto). Notices by mail shall be effective when deposited in the U.S. mail, duly addressed and postage prepaid. Notices delivered by hand or by overnight courier shall be effective when actually received.

- XII. Terms. These Terms and Conditions are in addition to other terms and conditions of RFP CN00007482, except to the extent the contractor assigns a Lease or hereunder to an Initial Assignee, in which case the Initial Assignee shall only be bound to the obligations of the contractor indicated in these Terms and Conditions and shall not be responsible for any additional representations, warranties, covenants or obligations of the contractor as provided by the current terms and conditions of RFP CN00007482. To the extent that there is a conflict between the other terms and conditions of RFP CN00007482 and these Terms and Conditions, these Terms and Conditions shall prevail to the extent that a leasing option is selected by the ordering Commonwealth agency.

**EXHIBIT A**

Purchase order No. \_\_\_\_\_ dated \_\_\_\_\_, 20 \_\_, by and between  
\_\_\_\_\_ (the contractor) and \_\_\_\_\_  
(Commonwealth agency).

**ACCEPTANCE CERTIFICATE**

The undersigned hereby certifies and represents to, and agrees with, the contractor or its assignee as follows:

1. A unit(s) of the equipment and/or financed item(s) identified on the attached schedule have/has been delivered to \_\_\_\_\_ and accepted on the date indicated below.
2. The Commonwealth agency had conducted such inspection and/or testing of the unit(s) of the equipment and/or financed item(s) as it deems necessary and appropriate and hereby acknowledges that it accepts the such unit(s) of equipment.
3. The Commonwealth agency is not in any event of default as defined in RFP CN00007482 and no event which, with notice or lapse of item, or both, would become an event of default, has occurred and is continuing at the date thereof.

EXHIBIT C

DATE: \_\_\_\_\_

Ladies and Gentlemen:

As counsel for the Commonwealth of Pennsylvania, Department of General Services, I am familiar with RFP CN00007482 (the "Agreement") dated as of \_\_\_\_\_, 20 \_\_\_\_, between \_\_\_\_\_ as the contractor and the Commonwealth of Pennsylvania, including all exhibits and attachments to the Agreement.

Based on the examination of these and such other documents, records, and papers as I deemed to be relevant and necessary as the basis for my opinion set forth below, It is my opinion that as of the date of this opinion:

1. The Commonwealth is authorized to enter into the transaction contemplated by the Agreement and to carry out its obligations thereunder.
2. The Agreement has been duly authorized, executed, and delivered by the Commonwealth and constitutes a legal, valid, and binding agreement enforceable in accordance with its term. Any orders issued by Commonwealth agencies against the Agreement represent legal, valid and binding obligations of the agency that issued the order.
3. No further approval, consent, or withholding of objections is required from any federal, state, or local governmental authority with respect to the entering into or performance by the Commonwealth of the Agreement and the transactions contemplated thereby.
4. The entering into and performance of the Agreement and other related documents will not violate any judgment, order, law, or regulation applicable to the Commonwealth or result in any breach of, or constitute a default under, or result in the creation of, any lien, charge, security interest, or other encumbrance upon any assets of the Commonwealth or the equipment pursuant to any indenture, mortgage, deed or trust, bank loan, credit agreement or other instrument by which the Commonwealth is a party or by which it or its assets may be bound.

5. To the best of my knowledge, there are no actions, suits, or proceedings pending or, to the knowledge of the Commonwealth, threatened against or affecting the Commonwealth, in any court or before any governmental commission board or authority which, if adversely determined, will have a material adverse effect on the ability of the Commonwealth to perform its obligations under the Agreement.
  
6. All required competitive procurement procedures regarding the award of the Agreement have been followed by the Commonwealth.

Sincerely,

---

Assistant Counsel

**Subject:** Microfilm Equipment and Supplies  
**Contract Period:** Effective date of June 21, 2004 and Terminations date of June 30, 2008  
**Associate Commodity**  
**Manager Name:** Jason Hicks, 717-346-8185

**CHANGE SUMMARY:**

As of August 15, 2007, all Commonwealth Agencies will be required to utilize the current Equipment Maintenance Contract 4400000631 for all on-going Commonwealth Equipment Maintenance needs.

Agencies will no longer be able to purchase maintenance from this contract without a written waiver from the Bureau of Procurement. This service does not cover leased equipment.

ALL OTHER TERMS AND CONDITIONS OF THIS AGREEMENT NOT CHANGED BY THIS CHANGE NOTICE REMAIN AS ORGINALLY WRITTEN.

Contract Reference Number: 6760-02  
Collective Number: CN000007482  
SRM/SAP Contract Number: 4600005849  
Change Number: 18  
Change Effective Date: 01/17/2008

**COMMONWEALTH OF PENNSYLVANIA  
DEPARTMENT OF GENERAL SERVICES  
HARRISBURG**

**For:** All using Agencies of the Commonwealth  
**Subject:** Microfilm I Equipment and Supplies  
**Contract Period:** Beginning June 21, 2004 and Ending June 30, 2008

**Commodity Specialist Name:** Ray Jaime

**CHANGE SUMMARY:**

In accordance with the contract update option, the following contractor has supplied the Department of General Services with an Updated price list dated January 1, 2008.

Eastman Kodak 4600005849 Price list dated January 1, 2008

ALL OTHER TERMS AND CONDITIONS OF THIS AGREEMENT NOT CHANGED BY THIS CHANGE NOTICE REMAIN AS ORIGINALLY WRITTEN.

**DR-2050C**

[Back to Index](#)

The DR-2050C offers high-quality image output, with resolution of up to 600 dpi for all your 24-bit color, grayscale, and black-and-white scanning needs. With scanning speeds of up to 20 pages or 40 images per minute, the DR-2050C was built to provide incredible throughput for high-performance duplex scanning. Superior speed and exceptional value are just the beginning of what makes Canon's DR-2050C scanner a leader in its class. Up to 100 user preference profiles can be programmed and stored for fast, easy access to frequently used settings. A variety of user-friendly image processing functions, such as front and back Color Dropout, Text Enhancement, and Pre-Scan, help you to consistently capture document data with accuracy and simplicity.

Item No.	Description	MSRP
0433B002AD	Canon DR-2050C w/ 16/32 bit ISIS Driver for Windows & 16/32 bit Twain Driver for Windows CapturePerfect v3.0 for Windows, Adobe Acrobat v8.0 Standard. OmniPage SE (USB Cable included)	\$795

### DR-2050SP

[Back to Index](#)

The Canon DR-2050SP is a sheet-fed scanner that incorporates DR-2050C scanner's streamlined desktop design. The DR-2050SP model scans letter-size documents in black-and-white or grayscale at speeds of up to 20 (simplex) ppm and 40i (duplex) images-per-minute (ipm) and 24-bit color at up to 10 (simplex) ppm 20ii (duplex) ipm. When the Canon DR-2050SP is connected directly to a projector via a VGA cable, this scanner allows users to project images onto a screen of hardcopy scanned documents, data from a USB memory drive or even images captured from an IrDA Infrared including images from mobile devices like PDAs, and cell phones.

Item No.	Description	MSRP
2099B002AB	Canon DR-2050SP w/ 16/32 bit ISIS Driver for Windows & 16/32 bit Twain Driver for Windows CapturePerfect v3.0 for Windows, Adobe Acrobat v8.0 Standard. OmniPage SE (USB Cable, VGA Cable & Remote Controller included)	\$895

## DR-3080CII

[Back to Index](#)

The DR-3080CII scans at speeds up to 86 images per minute. It offers a wide choice of scanning modes-24-bit color, 256 levels of grayscale and black and white modes, even advanced text enhancement for the documents with text on a dark background. Equipped with dual sensors, the DR-3080CII provides fast efficient one-pass, two-sided scanning, for robust document management and flexible paper handling. Connectivity is easy, too. And with only minimal training, virtually anyone can learn to operate the scanner efficiently in a short amount of time.

Item No.	Description	MSRP
9673A002AE	Canon DR-3080CII w/ 16/32 bit ISIS Driver for Windows & 16/32 bit Twain Driver for Windows CapturePerfect v3.0 for Windows, Adobe Acrobat v8.0 Standard (SCSI Card & Cable NOT included. USB Cable included)	\$3,295

**DR-4010C**

[Back to Index](#)

In addition to the 600 x 600 dpi optical resolution, 42 ppm scanning speed, and 100 page automatic document feeder capacity, the 4010C automatically detects page size, straightens and rotates images, and skips blank pages. You can use the scanner control panel and one-touch job buttons to assign routine tasks and get your projects done faster. A dual paper path accommodates a range of document types, so you can scan at high speeds. Included software, like Adobe Acrobat and CapturePerfect, help you to get the most out of this scanner to produce high quality digital images.

Item No.	Description	MSRP

**DR-5010C**

[Back to Index](#)

The Canon DR-5010C scanner, which targets production-volume environments, scans in both color and black-and-white at a constant rate of 50 ppm, as well as 100 images-per-minute (ipm) in duplex scanning at the industry standard of 200dpi resolution. For improved OCR results, a Custom Color Dropout feature allows you to remove color elements such as lines or shaded boxes. Automatically optimize readability of documents containing hard-to-scan elements such as faint text or pencil writing with two Text Enhancement modes. The DR5010C comes bundled with Canon's CapturePerfect and Adobe® Acrobat® software, in addition to a full-featured ISIS®/TWAIN driver.

### DR-7580/9080C

The DR-7580/9080C is at the top-end of the DR series. The DR-9080C scans up to 90 pages per minute in B/W or Grayscale mode and 50 ppm in Color mode and the DR-7580 achieves 75 ppm in B/W or Grayscale modes. While it remains the features of the DR series such as space saving / compact design and reliable document handling, it improves its scanning speed, operation, image quality and maintenance dramatically.

### CR-25

[Back to Index](#)

Ideal for Remote Deposit Capture such as payroll offices, retailer back-office space, corporate account receivables departments or retail checkout counters, the Canon CR-25 Check Transport is compact and offers simple, high-quality image capture for reliable and easy electronic check processing. Canon's CR-25 model is capable of scanning batches of up to 50 checks, automatically routing Magnetic Ink Character Recognition data, at speeds of up to 25 checks-per-minute (cpm). As with the Canon CR-Series check transports, a pre-scan endorser further expedites the check routing and clearing process.

2369B001AA	3 year CarePACK (Exchange Program) for CR-25	\$389

### CR-55

Scanning up to 55 checks per minute or 110 images per minute, the CR-55 can feed batches of up to 50 items at a time. That's the ultimate in convenience, especially considering you can scan in black and white, grayscale, or 24 bit color with resolutions of up to 300 dpi. It supports E13B and CMC7 MICR fonts and features a Canon patented magnetic head. Key features on the CR-55 include Infrared Double Feed Detection and Paper Thickness Adjustment, and both will make your scanning projects fly right by.

## Rotary Filmer 550DII

[Back to Index](#)

The RF 550 DII automatically feeds, films and endorses up to 500 checks per minute. The simple to use control panel and film loading/removal functions are easily performed right from the front of the unit. For ultimate productivity and convenience, the RF 550 DII reduces originals at ratios up to 42:1, placing up to 14,000 checks on a single roll of 16mm film. The Duplex Mode allows you to simultaneously record both sides of a check in one easy step. Advanced indexing capabilities allow the dating and blipping of document batches for easy retrieval at a later date.

Item No.	Description	MSRP
3620A001AA	Canon Rotary Filmer 550DII w/ Security Key	\$3,696

### DR5060F

[Back to Index](#)

Canon's DR-5060 F - The Scanner with a Photographic Memory. In one simple operation, you get the security and legal acceptability of microfilm storage with the DR-5060 F. Plus, you get the digital convenience of high-speed, PC online access. No single technology or machine has succeeded in handling all aspects of document capture, storage and retrieval. Representing a category of one, Canon's DR-5060 F is the first high-speed, high-volume desktop scanner to combine the best of both digital and analog worlds, in one affordable, space-saving unit. In today's digital economy, businesses rely on advanced information technology to carry them into the future, Canon does.

Item No.	Description	MSRP

0190V296	Workstation III for DR5060F (Right Table)	\$350

### Microfilm Scanner 300II

The MS-300II easily integrates scanned microfilm images with today's document management systems. Standard PC and network printer connectivity simplifies image retrieval and provides digital conversion of film archives. Once scanned, images are ready for delivery via the Internet, E-mail or fax. Ideal for financial institutions and walk-up use in libraries, or as a component of a high-end imaging system.

### Microfilm Scanner 800II

[Back to Index](#)

Full network connectivity plus flexible image transmission capabilities bring a new level of operational convenience to high performance digital microfilm scanning. Start with a wide-screen microfilm scanner capable of handling everything from checks to blueprints, newspapers, and more. But make it compact enough to fit on any desktop. Then raise the bar by pushing output resolution up to 600 dpi. And design it for high speed, simple operation, great versatility, easy connectivity, and fast throughput. You'd probably want to call it the perfect solution to your ever-expanding workgroup needs.

Item No.	Description	MSRP
2264B002AA	Microfilm Scanner 800II	\$9,800
