**Contract No. 9985-28  
Online Legal Services  
(CN00017698)**

**SPECIAL TERMS AND CONDITIONS  
CONTRACT FOR ONLINE LEGAL SERVICES**

The Commonwealth of Pennsylvania, acting through the Department of General Services ("DGS"), and \_\_\_\_\_ ("Contractor"), for the consideration set forth in the Contract, with the intent to be legally bound, agree as follows:

1. **Contract documents.** The Contract No. CN00017698 (9985-28) shall consist of the GENERAL CONDITIONS AND INSTRUCTIONS TO BIDDERS FOR SERVICES, Form STD-203(SAP); the RFQ-Invitation for Bids Form; the Contract Standard Terms and Conditions, Form GSPUR-12F(SAP); these Special Terms and Conditions – Contract for Online Legal Services; and the Contractor's Subscriber Agreement.

2. **Bid documents.** (intentionally omitted)

3. **Term.** The initial term of the Contract shall be one year, commencing on the Effective Date as defined in Section 1. of the STANDARD CONTRACT TERMS AND CONDITIONS FOR DEPARTMENT OF GENERAL SERVICES STATEWIDE SERVICES CONTRACTS -SAP, Form GSPUR-12F (SAP) ("Standard Terms") and expires January 31, 2007.

4. **Renewals and extensions.** Provided that the parties have not terminated the Contract in accordance with Standard Terms Section 20, the Contract shall automatically renew for up to four additional one-year periods unless the Commonwealth has provided to the Contractor, no later than 90 days prior to the expiration of the then-current term, a written notice of non-renewal. The Contractor agrees that any renewal of this Contract shall be on the same terms and conditions as for the original Contract, except as the parties may otherwise agree in the form of a written Contract amendment. The Commonwealth may, at its option, extend the Contract for up to 90 days or until a new contract for the subject online services is executed, whichever first occurs.

5. **Participating agencies.** All entities purchasing Contract services are enumerated in this Section. Collectively, they shall be referred to in this document as the "Participating Agencies." As of the last count from the Office of General Counsel ("OGC"), there were approximately 600 users on the existing contracts for online legal services, and this number of users is expected to continue and possibly increase under the contracts awarded as a result of this Invitation For Bids. Under the current contracts, approximately 35 Commonwealth agencies (over 500 total users) subscribe to Lexis-Nexis at a total flat monthly fee of \$61,475.00. Approximately 15 Commonwealth agencies (over 200 total users) subscribe to Westlaw at a per password fee of \$121.00 per user per month. (These contracts are available online at <http://www.dgsweb.state.pa.us/comod/Contracts/CN00000310.pdf> and /CN00000325.pdf.)

- a. All Commonwealth agencies under the Governor's jurisdiction shall be required to acquire online legal services using this contract.
- b. Any Commonwealth executive agency as defined in Section 103 of the Commonwealth Procurement Code ("Code"), 62 Pa.C.S. § 103, that does not fall under the Governor's jurisdiction may, at its option, issue purchase orders under this Contract.
- c. Any Commonwealth independent agency, as defined in Code Section 103, may, at its option, issue purchase orders under this Contract, provided the particular Contractor(s) has offered to extend the particular service level category(ies) to such agencies as indicated in the last column of its Bid Item Sheet.
- d. The Contractor, at its option, may offer services via this Contract to DGS-registered COSTARS Members. Entities eligible for COSTARS registration include local public procurement units and state-related entities, as defined in Sections 1901 and 103 of the Commonwealth Procurement Code, 62 Pa.C.S. §§ 1901 and 103. A list of DGS-registered COSTARS Members is available online at <http://www.dgs.state.pa.us/costars>. The terms of COSTARS participation are more fully set forth in Section 12 of these Special Terms and Conditions. Bidders should indicate whether they are extending particular service level category(ies) to COSTARS members in the appropriate column of their Bid Item Sheets.

(CN00017698)**

6. **"Best Value" Contract.** For this procurement, DGS is using the multiple award method, as set forth in Section 517 of the Commonwealth Procurement Code, 62 Pa.C.S. § 517, to contract for the requested services. Unless DGS rejects all Bids, and except as otherwise provided by law, DGS will award the contracts by issuing a copy of the fully-executed and approved contract documents to each responsible and responsive bidder. DGS, in conjunction with OGC, will determine bid responsiveness and bidder responsibility for each service level category bid for all bids received for this procurement. Each participating agency, whether a Commonwealth agency under the Governor's jurisdiction or any other eligible purchaser, shall issue a purchase order against the contract(s) to procure the selected services. DGS reminds the bidders that this solicitation is an Invitation For Bids and NOT a Request For Proposals. There will be no negotiations following receipt of bids. DGS, in conjunction with OGC, will determine best value by comparing the pricing, services, training and support offered. The Commonwealth reserves the right to determine best value by individual service level category, multiple (combined) service level categories, or on a total bid basis, whichever is deemed more advantageous to the Commonwealth, including taking into consideration any optional products, services or incentives offered. The Commonwealth may request vendors to demonstrate their services offered in order to determine bid responsiveness, bidder responsibility, or best value.

Commonwealth agencies under the Governor's jurisdiction shall select the Contractor providing the "Best Value" for each service category, according to DGS's determination following review of bids received for this procurement. Other Participating Agencies may issue purchase orders against any Contract or Contracts resulting from this procurement. Each participating agency may choose a number of different service levels from one or more contractors, tailored to fit the needs of its individual users.

- a. For good cause shown, upon written application to and the approval of the Office of General Counsel ("OGC"), a Commonwealth agency under the Governor's jurisdiction may be permitted to obtain Contract services from a provider other than the Contractor that DGS has determined provides the "Best Value" for the service level category.
- b. Participating Agencies may purchase passwords from multiple service level categories.
- c. Participating Agencies may choose to purchase passwords for Contract services from one Contractor or from multiple Contractors, dependent upon the desired service level categories.

7. **Passwords.** Participating Agencies shall purchase a password for every Contract service user for access to the particular Contract services desired. Participating Agencies specifically agree that no users of online services shall be permitted to share a password for more than one user. Each Participating Agency shall order and assign each user his/her own password. The Contractor may charge a Participating Agency, at the standard Contract service cost, for an additional password where the Contractor documents that the hours of use attributed to a single password exceed the hours of use reasonably attributable to a single user.

8. **Subscriber Agreement.** Except to the extent it is inconsistent with the Standard Terms and these Special Terms and Conditions, the Contractor's Standard Subscriber Agreement, a copy of which shall be incorporated by reference into the Contract, shall bind all Purchasing Agencies.

9. **Monthly payment.** Each Participating Agency shall pay the Contractor the monthly cost per user contained in the Contractor's bid submission and approved by DGS for each service category.

10. **Account service.** The Contractor shall provide individual account servicing to each Participating Agency, to include issuing user passwords, providing user training and support, and providing separate accounting and invoicing for each Participating Agency. Any Participating Agency may directly notify the Contractor's assigned service representative of any additions, substitutions, and deletions ("Changes") to the identities and numbers of online service users on a monthly basis; provided, however, that the Contractor shall adjust the Participating Agency's monthly payment to accommodate the Changes, and provided that the Participating Agency has obtained OGC approval if required under Subsection 5.a. of these Special Terms and Conditions. At the end of each six-month period from the start of the Contract forward, if the Changes cause the total number of Commonwealth users to exceed or fall below the

**Contract No. 9985-28  
Online Legal Services  
(CN00017698)**

threshold for any volume band contained in the Contractor's DGS-approved price schedules, the Contractor shall adjust the monthly payments of all Commonwealth Participating Agencies to conform to the new user totals for the subsequent six-month Contract period.

**11. Escalation.** For any renewal term of the Contract, the Contractor may increase the cost per user by an amount not to exceed the US Bureau of Labor Statistics Consumer Price Index Table 1 for All Urban Consumers (CPI) or five percent, whichever is lower, provided that the Contractor provides written notice of the increase to DGS no later than 30 days prior to the start of the applicable renewal term. If the Contractor has expanded its level of service to include new or additional offerings under any contract service level, the Contractor may request that DGS approve a flat five percent increase to its contract pricing based on the expanded services, regardless of the CPI.

**12. Cooperative purchasing.** The Pennsylvania General Assembly, through Section 1902 of the Commonwealth Procurement Code, 62 Pa.C.S. § 1902, has given DGS the authority to offer cooperative purchasing for local public procurement units and state-affiliated entities ("COSTARS Purchasers") under the same terms and conditions as those provided to Commonwealth agencies in its contracts. DGS **encourages, but does not require**, the Contractor to offer COSTARS Members the opportunity to purchase services. If the Contractor opts to offer services to COSTARS Members, it must offer Contract services to all COSTARS Members requesting Contract services at the same terms as those provided to other Participating Agencies under this Contract, in accordance with the following requirements:

a. The Contractor shall permit only DGS-registered COSTARS Members to purchase Contract services. Any qualified entity not registered and wishing to participate in DGS's COSTARS Program may register online at any time at <http://www.dgs.state.pa.us/costars>.

b. The Contractor understands that COSTARS Members are not required to use the Contract and that local public procurement units and state-affiliated entities may freely procure, negotiate, and enter into their own agreements for online legal services, completely independent of this Contract.

c. COSTARS Members electing to participate in this Contract issue purchase orders directly from the Contractor and shall be responsible for payment directly to the Contractor.

d. The Contractor shall furnish to the DGS COSTARS Program Office a monthly electronic Contract use report detailing the previous month's purchasing activity by COSTARS Members, using the form and in the format prescribed by DGS.

i. The Contractor shall submit its completed report no later than the fifteenth calendar day of each month in the Contract period, beginning with month two, either via e-mail to [GS-PACostars@state.pa.us](mailto:GS-PACostars@state.pa.us), or on compact disc via mail to the DGS COSTARS Program Office P.O. Box 8365, Harrisburg, PA 17105-8365. If no new COSTARS purchases have occurred in a given month, no report need be submitted.

ii. The Contractor shall title each report with its name and address, the DGS Contract number, and the period covered by the report. For each COSTARS PO received, the Contractor shall include the purchaser's name, the date of the purchase, a description of the service(s) provided, the number of subscribers, and the total price.

iii. DGS requires the information only for new COSTARS Members purchasing Contract services; the Contractor is NOT required to report information for COSTARS Members continuing as subscribers to the services from month to month.

**13. Pass-through warranties.** In addition to the provisions of any standard Contractor warranty for the online services, the Contractor shall use reasonable business efforts to provide the same warranty materials and provisions online as the Contractor has received from the original resources.

**14. Patent, copyright, and trademark indemnity.** Section 13 of the Standard Terms shall be replaced in its entirety by the following language:

**Contract No. 9985-28**  
**Online Legal Services**  
**(CN00017698)**

The Contractor warrants that it is the sole owner or author of, or has entered into a suitable legal agreement concerning the design of any product or process provided or used in the performance of the Contract which is covered by a patent, copyright, or trademark registration or other right duly authorized by state or federal law; or any copyrighted matter in any report document or other material provided to the commonwealth under the contract.

a. The Contractor shall defend any suit or proceeding ("Action") brought against the Commonwealth or any Participating Agency(s) on account of any alleged patent, copyright, or trademark infringement in the United States of any of the products provided or used in the performance of the Contract, upon the condition that the Commonwealth or named Participating Agency shall provide:

- i. prompt notification in writing of the Action;
  - ii. full right, authorization and opportunity to conduct the defense of the Action;
- and
- iii. full information and all reasonable cooperation for the defense of the Action.

As principles of governmental or public law may be involved, the Commonwealth or any Participating Agency may choose to participate in or conduct, in its sole discretion, the defense of any Action.

b. If the Commonwealth or any Participating Agency should at the Contractor's request furnish information and assistance to the Contractor, it shall be furnished at the Contractor's expense, provided the expense shall be only that within the Contractor's written authorization.

c. The Contractor shall indemnify and hold the Commonwealth and any Participating Agency harmless from all damages, costs, and expenses, including attorney's fees, that the Contractor, the Commonwealth, or any Participating Agency may pay or incur by reason of any infringement or violation of the rights occurring to any holder of copyright, trademark, or patent interests and rights in any products or services provided or used in the performance of the Contract. If any of the products or services the Contractor may provide are held in such suit or proceeding to constitute infringement and the use of the affected Contract service or any portion of the Contract service is enjoined, the Contractor shall, at its own expense and at its option:

- i. procure the right to continue use of such infringing services;
- ii. replace them with non-infringing, equal performance products; or
- iii. modify them so that they are no longer infringing.

d. If the Contractor is unable to offer any of the options enumerated in Subsection c. of this Section, the Contractor agrees to remove all the equipment or software obtained contemporaneously with the infringing product, or, at the Participating Agency's option, only those items of equipment or software which are held to be infringing, and to pay the Participating Agency:

- i. any amounts the Participating Agency has paid toward the purchase of the product, less straight-line depreciation;
- ii. any license fee the Participating Agency has paid for the use of any software, less an amount for the period of usage; and

**Contract No. 9985-28  
Online Legal Services  
(CN00017698)**

- iii. the pro rata portion of any maintenance fee representing the time remaining in any prepaid period of maintenance.

The obligations of the Contractor under this Subsection d. shall continue without time limit. No Participating Agency shall incur costs or expenses for the account of the Contractor without the Contractor's written consent.

**15. Hold harmless provision.** Section 16 of the Standard Terms shall be replaced in its entirety by the following language:

The Contractor shall hold the Commonwealth and each Participating Agency harmless from, and indemnify the Commonwealth and each Participating Agency against, any and all claims, demands, and actions based upon or arising out of any negligent activities the Contractor and its employees and agents may perform or fail to perform under the Contract and shall, at the request of the Commonwealth and each affected Participating Agency, defend any and all actions brought against the Commonwealth and the Participating Agency based upon any such claims or demands.

**16. Audit provisions.** Section 17 of the Standard Terms shall be replaced in its entirety by the following language:

The Commonwealth shall have the right, at reasonable times and at the Contractor site most convenient to the Commonwealth, to audit the Contractor's books, documents, and records to the extent that the books, documents, and records relate to costs or pricing data for, and performance of, the Contract. The Contractor agrees to maintain records supporting the Contract prices charged and costs incurred for a minimum of three years following the date of final Contract payment. The Contractor shall preserve books, documents, and records relating to Contract costs or pricing data for three years after the date of final Contract payment. The Contractor shall give the Commonwealth and its authorized representatives full and free access to all Contract records.

**17. Assignability and subcontracting.** Section 22 of the Standard Terms shall be supplemented by adding the following language as new Subsections h and i:

- h. Notwithstanding the foregoing provisions of this Section, the Contractor may, upon written notice to the Commonwealth, freely transfer or assign this Contract to:
  - i. any Contractor affiliate;
  - ii. any person or entity who acquires all or substantially all of the Contractor's business or assets, or that portion of the Contractor's business or assets relating to this Contract; or
  - iii. any of the successors and assigns of any of the foregoing.
- i. In the event of any assignment under Subsection h. of this Section, the successor entity shall be required to follow the procedures for assignments and subcontracting under this Contract as if the successor were the original Contractor.

**18. Consent to financial interest.** Notwithstanding the Commonwealth Contractor Integrity Provisions, the Contractor shall be permitted to have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material on this project, so long as the Contractor has notified, and has obtained the prior written consent of, the Commonwealth.

**19. Inquiries.** Direct all questions concerning this Contract to Georgina Baltimore, Telephone No. (717) 783-5368 or e-mail: [gbaltimore@state.pa.us](mailto:gbaltimore@state.pa.us)

**[THE FOLLOWING PROVISION REGARDING THE COSTARS PROGRAM WILL BE INCLUDED IN THE SPECIAL TERMS AND CONDITIONS OF DGS CONTRACTS FOR SUPPLIES/SERVICES.]**

**COOPERATIVE SOURCING TO ACHIEVE REDUCTIONS IN SPEND (COSTARS) PROGRAM**

**COSTARS Purchasers.** Section 1902 of Act 57 of May 15, 1998, as amended by Act 142 of December 3, 2002, 62 Pa.C.S, Section 1902, authorizes local public procurement units and state-affiliated entities (together, "COSTARS Purchasers") within the Commonwealth of Pennsylvania to participate in Commonwealth contracts for supplies, services, or construction that the Department of General Services ("DGS") chooses to make available to COSTARS Purchasers. DGS has identified this Contract as a contract that will be made available for COSTARS Purchasers.

- a. A "local public procurement unit" is defined as:
- Any political subdivision;
  - Any public authority;
  - Any tax exempt, nonprofit educational or public health institution or organization;
  - Any nonprofit fire, rescue, or ambulance company; and
  - To the extent provided by law, any other entity, including a council of governments or an area government that expends public funds for the procurement of supplies, services, and construction.

A state-affiliated entity is a Commonwealth authority or other Commonwealth entity that is not a Commonwealth agency.

b. Only those COSTARS Purchasers registered with DGS may purchase from a DGS contract. Any qualified entity not presently registered and wishing to participate in the COSTARS Program may register at any time by either completing a one-time, online registration on the DGS COSTARS Website at [www.dgs.state.pa.us/costars](http://www.dgs.state.pa.us/costars) or completing and returning a one-time Registration Form to the address below. Currently, there are several thousand registered COSTARS Purchasers. To view a list of the registered entities, please visit the website.

c. COSTARS Purchasers have the option to purchase from a DGS Statewide Contract with awarded contractor(s) for Commonwealth agencies' use, from any DGS cooperative procurement contract established exclusively for COSTARS Purchasers in accordance with the requirements of Act 77 of 2004, amending Section 1902 of the Commonwealth Procurement Code, 62 Pa.C.S. § 1902, or from their own procurement contracts established in accordance with the applicable laws governing such procurements. The Contractor understands and acknowledges that there is no guarantee that any prospective COSTARS Purchaser will place an order under this Contract, and that it is within the sole discretion of the registered COSTARS Purchaser whether to procure from this Contract or to use another procurement vehicle.

d. Registered COSTARS Purchasers electing to participate in this Contract will order items directly from the Contractor and be responsible for payment directly to the Contractor.

**Third Party Beneficiaries.** DGS is acting as a facilitator for COSTARS Purchasers who may wish to purchase under this Contract. Registered COSTARS Purchasers who elect to participate in this contract and issue orders to the contractor(s) are third party beneficiaries who have the right to sue and be sued for breach of the contract without joining the Commonwealth or DGS as a party.

**Quarterly Sales Report.** The Contractor shall furnish to the DGS COSTARS Program Office an electronic contract use report, preferably in Excel spreadsheet form, no later than the fifteenth calendar day after each quarter in the contract period, detailing the Contract purchasing activity.

a. The Contractor shall e-mail the reports to [GS-PACostars@state.pa.us](mailto:GS-PACostars@state.pa.us) or send the reports on compact disc via US Postal Service to the address below.

b. On each report, the Contractor shall include the Contractor's name and address, the Contract number, and the period covered by the report. The Contractor should list as much as the following information as possible on the report for each order received:

- Registered COSTARS Purchaser
- Material Code (UNSPSC)
- Item Description
- Quantity
- Unit Price
- Total Price
- Delivery Date

c. Failure to provide the Quarterly Sales Report in the specified time may result in suspension of activities with the COSTARS Program.

**Inquiries.** Additional information regarding the COSTARS Program is available on the DGS COSTARS Website at [www.dgs.state.pa.us/costars](http://www.dgs.state.pa.us/costars). Direct all questions concerning the COSTARS Program to:

- LexisNexis® at [www.lexis.com](http://www.lexis.com) named the winner of the 2003 Codie Award for Best Online Legal or Tax Information Service

### The LexisNexis Collection

Our unmatched range of information sources includes the following collections:

**Public Records**– Names, addresses, property information, marriage and divorce records, voter records, and more

**Legal** – Federal and state case law, regulations, attorney general opinions, rulings, citation services and secondary legal sources

**News** – Newspapers, newsletters, magazines, trade journals, wire services and transcripts, world news, country profiles, business analysis and country information, international and company profiles

**Business and Financial** – SEC documents, corporate profiles, market research reports, financial analyst reports, demographic/geo-demographic statistics, M&A information, and more

### Web-based Solutions

LexisNexis offers several Web-based solutions to meet our customers' needs. Our two flagship solutions are *lexis.com*, the research tool tailored to the needs of the legal professional; and *nexis.com*, the leading Web-based source for worldwide news and business information. Our portfolio also includes products for Risk Management, which are designed to help uncover fraudulent transactions, prevent identity theft, find missing children, track down terrorists, prosecute white collar criminals and make intelligent hiring decisions.

## Training

For 30 years, LexisNexis has been training professionals from government agencies and various industries to optimize the use of our information solutions. As a result of being trained by LexisNexis Customer Education experts, your employees can maximize the use of the online services to improve your return on investment.

### **Customized training is always part of the total LexisNexis package.**

Training programs are available at your convenience and are designed to educate users of at all skill levels. The sessions include the following goals:

- Review cost-efficient and productive usage of the LexisNexis online services on the Web or via proprietary software
- Develop a user's understanding of specific financial and company sources and reports, legal practice areas, news sources, or public records databases and the information available
- Increase the knowledge of the user's general desktop environment and the available LexisNexis interfaces and solutions
- Ensure a complete understanding and integration of online research with other desktop tools and products

### **Training Options**

LexisNexis offers customized training that teaches your users to focus their research on applications specific to their professional needs. Training is also provided for disabled users, including specialized training material. For your convenience, our programs are provided in a variety of venues and formats, which are described below.

- **On-site or Local LexisNexis Training Center** - Consultants provide computer-assisted research training for you at your location for individuals or groups. We can also provide these courses at one of our LexisNexis Training Centers.

Currently, the LexisNexis consultants in the field hold quarterly trainings in Harrisburg, Pennsylvania. These trainings are open and free to all LexisNexis users under the Pennsylvania Contract. We offer a wide array of classes in order to accommodate the broad spectrum of users. For example, we offer specialized public records training to investigators, police officers, attorneys, and others that detail how to locate information about people, businesses, and locations. Furthermore, we offer basic training for new users of Lexis.com that focuses on legal research tasks—such as pulling documents, searching our primary and secondary legal information, etc. We also offer advanced trainings for our power users; this class helps users to be highly efficient at online research. We are also excited to offer practice-area specific trainings when requested—including, but not limited to, discovery and litigation intelligence, bankruptcy, labor and employment law, criminal law, and tax. In the past year, we became certified to offer free CLE in Ethics also; this is a huge benefit to subscribers as these are typically the most expensive and most difficult to obtain CLE requirements. In addition to the quarterly trainings located in Harrisburg, the LexisNexis account team will travel throughout the state to train users on-site as requested/needed. In the past several years, the LexisNexis account team has trained users in some of the following areas: Erie; Pittsburgh; Allentown; Norristown; Philadelphia; Doylestown; Gettysburg.

- **Personalized Telephonic Training** - Each session lasts an hour and can be scheduled at a time convenient for you. This session can be tailored to meet your specific training needs. To experience personalized, one-on-one assistance, simply schedule a convenient class time, and select a

curriculum. You can master research skills through an overview or task-specific session designed for your experience level. Listed below are brief descriptions of LexisNexis telephonic training:

- **Group Telephonic Consulting** - Personalized telephonic consulting customized to the group's (minimum of 3) needs. Expert training is available Monday through Friday, 8:30 AM to 5:30 PM ET. Small group settings allow the training session to be very interactive.
- **Individual Telephonic Consulting** - Telephonic consultants provide leading-edge consultation and high-quality instruction in a one-hour telephonic session, which is a timesaving convenience for you.
  - **Web Conference Consulting** - To meet the needs of global organizations wishing to utilize an online, interactive delivery method, LexisNexis offers training via the MeetingPlace tool. This training is available anywhere around the world, and participants can be connected in a matter of minutes. MeetingPlace provides geographically dispersed participants equal learning opportunities in a variety of ways:
    - Real-time interactive meetings
    - Presentations
    - Consulting sessions
    - Seminars
    - Software demonstrations
- **E-learning from LexisNexis** – This Web-based, interactive, self-paced, modular training is designed to give you the flexibility and convenience you need in today's fast-paced business environment. These multimedia-rich training courses are available 7x24x365 to help you train anytime, anywhere via an Internet connection. An added benefit is that language barriers are alleviated, because Web browsers will present displays in country-specific languages.

## **FREE Continuing Legal Education Credit**

All LexisNexis in-person training qualifies for FREE CLE in the Commonwealth of Pennsylvania, including Ethics courses! This can save individual attorneys a significant amount of money while also making them more efficient researchers overall.

Through Mealey's Conference Department, we can provide high-level educational programs focused on niche litigation and insurance topics. Mealey's attracts top litigators, in-house counsel, insurance executives and members of the business community. Live conferences are a perfect way to network one-on-one with your peers and build your prospect list. You can also market your firm or company through speaking and sponsorship opportunities.

Mealey's high-level educational programs not only offer a balanced presentation of the hottest litigation issues and unparalleled networking opportunities, but also an average of 11-14 CLE credits per program. Accreditation is available from all states with mandatory continuing legal education requirements.

## Professional Customer Support

### Dedicated Support Staff and Superior Knowledge

DGS needs to maximize the return on your information solution investment. If your employees need help with LexisNexis™ products and services, you can rely on exceptional Customer Support – 24 by 7, 365 days per year (with the exception of the Christmas Holiday when we are available all hours except 6 PM ET Christmas Eve until noon ET Christmas Day) via an 800-number. Recognized by *Searcher Magazine* with the highest overall rating for a variety of customer support parameters and capabilities, the LexisNexis Customer Support organization delivers superior service and support to increase your productivity and effectiveness.

The LexisNexis customer support staff includes professionals with the following education and experience:

- Information professionals
- Financial planners and stock brokers
- Communications, journalism, and business administration
- Marketing, economics, accounting
- Legal (attorneys and paralegals)
- Individuals with degrees in political science, history
- Individuals with MBAs and MBSs

### Legal Support

Legal Research Associates address questions related to legal search strategy, materials, and features. Approximately 90% of these individuals are JDs and most of these JDs are licensed attorneys. The remaining Legal Customer Support Representatives are experienced paralegals. Many of our Legal Customer Support Representatives have practice experience including law firm, corporate counsel, and judicial law clerkship gained prior to joining LexisNexis. All of our paralegals have extensive paralegal practice experience.

### News, Finance, Public Records, and Business Support

Finance and News Research Associates address questions related to news, finance, public records and business materials. Finance and News Research Associates are comprised of NASD Series Six and Series Seven licensed Stockbrokers and financial accounting advisors as well as individuals holding MBA, CPA, or related degrees and designations.

### Technical Support

Customer Support Technical Support Representatives are technical experts who respond to technical questions regarding hardware, software and telecommunications, providing assistance with installation, configuration, set-up and troubleshooting, etc. The majority of the technical staff has degrees in disciplines including Management Information Systems, Computer Science and Business Administration. These representatives have practical work experience as Systems Administrators, Application Programmers, Internet Service Support Providers and Technical Support Representatives.

## **Operations Support**

Operations Support Representatives have a variety of degrees and levels of expertise. They respond to questions related to systems operations such as the print system, ID related questions and the ECLIPSE feature. Preferred background for a position in the Operations group includes a Bachelors Degree in Communications or Business, or MIS, or equivalent work experience, and at least two years of customer support experience, preferably telephonic.

## The Law Enforcement Market Leader

### Sophisticated, Easy-to-Use Technology

For over 30 years, LexisNexis has provided information to business people and other professionals in governments, corporations, academic institutions and other enterprises.

We listened to our customers and responded by acquiring Seisint, a company with superior online and batch processing technology, and integrating that technology with the depth and breath of our public records and news content. Through this acquisition, LexisNexis has transformed from a content aggregator of news and public records information to a leader in the location of people, businesses and assets. Of the over 16,000 law enforcement agencies in the market, LexisNexis now has business with over 4,200 or 25%, including such agencies as the FBI, DEA and United States Marshals Service.

**This massive transformation has been driven by the investment of more than \$1 billion.**

By merging LexisNexis content and Seisint technology, we have created a best-of-breed product that will provide the DGS with consistent, standardized research materials to provide a powerful tax administration tool for its employees throughout the service.

### Comprehensive Public Records Content

LexisNexis offers one of the largest public records collections in the world with over 33 billion records and information on more than 400 million people drawn from over 2,500 sources. The LexisNexis public records collection we offer DGS covers dozens of categories and hundreds of jurisdictions. Appendices B and D list the Pennsylvania and U.S. public records content we are offering DGS.

### A Powerful Resource for Online Research

LexisNexis superior content, coupled with Seisint's unsurpassed Accurint technology, allow us to provide the most relevant, targeted information delivered via online directly to a user's desktop, XML, wireless and batch. Both our collection and law enforcement solutions use a simple, customizable interface that serves the needs of users looking for a few quick answers as well as more in-depth researchers requiring a comprehensive dossier on an individual or company. Following are just a few of the new features acquired through Seisint that will benefit DGS research efforts:

- Reports returned **in seconds**
- Currentness of data
- Superior matching and linking capabilities
- Easy-to-use search templates
- Customized reports with searches in selected sources only
- Dynamic visual link analysis tool **at no additional cost**
- Wireless access **at no additional cost**
- Address history covering **over 30 years**
- Links to relatives and roommates
- Online batch requests submitted and received from a user's desktop
- Geographic Information Solutions (to view addresses and surrounding areas)
- People at Work file (**a LexisNexis exclusive**)

## Accurint for Law Enforcement

Accurint for Law Enforcement is a proven and effective tool already used by almost 2,500 police departments, more than 1,000 sheriffs' offices, and numerous Federal Agencies across the country. Solve cases quicker by leveraging the power of next-generation search technology that enables you to quickly gather and analyze comprehensive and current information from the LexisNexis catalog of public records. Below is the Accurint for Law Enforcement Home Page.

This solution provides the most accurate and complete information on U.S. individuals and businesses today, with data stores containing billions of records that are searched, analyzed and compiled in seconds. This solution is one of the most powerful relationship building tools in the industry. Its Relavint report automatically presents visual relationships among individuals, addresses, vehicles and corporations. Users can expand links dynamically and develop a continuously evolving network of interrelationships.

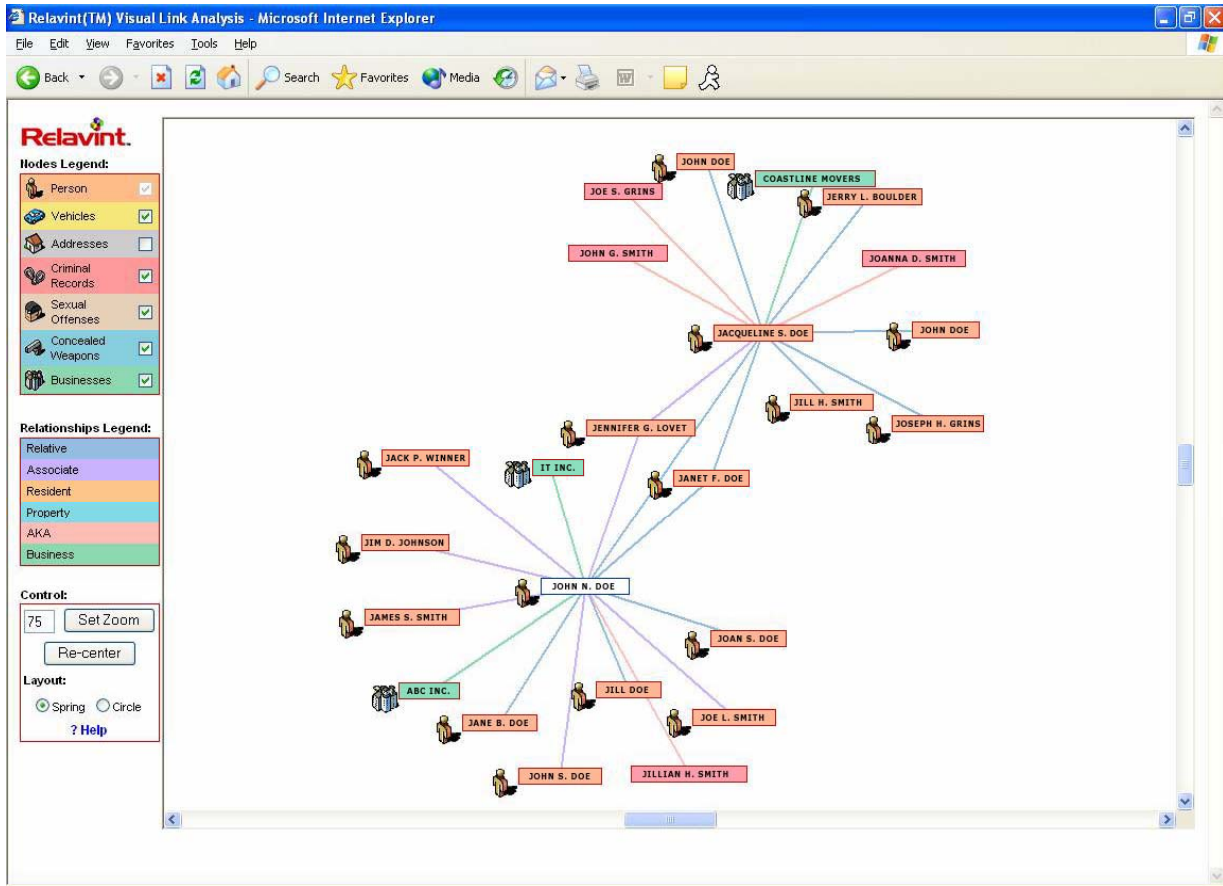

### Relavint Visualization Feature

Relavint is the most dynamic feature yet added to the LexisNexis research database product, Accurint. Relavint offers a powerful new search capability that graphically connects vital information on individuals, including their addresses, relatives, associates, businesses, and vehicles. Relavint is powered by Accurint's proprietary database of billions of current and historical records and returns results within seconds.

Drawing from the strength of the LexisNexis Data Supercomputer™, proprietary data linking algorithms, and Accurint's database of billions of current and historical records on individuals and businesses, Relavint produces intelligent, visual associations via a dynamic Web interface in near real-time. The user-friendly application provides an interactive graphical depiction of related data, allowing users to see associations within search results. Relavint is compatible with industry-leading visualization tools such as i2 and other visualization technology.

The easy-to-navigate Web interface helps users conduct complex searches. Relavint expands on findings and graphically ties them to other pertinent information. Since Relavint has a number of customization options, users may easily tailor the graphical representations to meet their search needs and viewing preferences.

## Relavint Linking Chart

## People at Work

People at Work™ is a powerful new addition to the LexisNexis flagship locate and research database product, Accurint®. LexisNexis is the exclusive provider of this feature. This powerful new function links more than 132 million individuals to businesses and includes information such as business addresses, phone numbers, and possible dates of employment critical to investigations conducted by law enforcement as well as users in the collections, legal services, and insurance industries. For the first time ever, Accurint users can develop new leads using the most accurate, up-to-date information available based on probable current and historical employment information.

In addition to its powerful search capabilities, People at Work features a confidence score that gauges the strength of the link between the person and the business. This score, coupled with a date range, enables users to determine which records to utilize first. Users can generate a number of reports based on these searches via Accurint's user-friendly Web interface.

Leveraging Accurint's proprietary data-linking and supercomputer technology, People at Work provides a robust search that is available in seconds. Drawing similarities from a number of data points, People at Work creates connections between individuals and their employment histories to assist users in mapping leads.

People at Work is Accurint's fastest-growing feature, with more than 330 million records to-date – dramatically greater than the number of records available through competing solutions. This referential database is continuously updated and additional data is regularly added.

## Advanced Person Search

When searching for criminal suspects or critical witnesses, Accurint for Law Enforcement enables law enforcement professionals to access billions of records at the click of a button. This can shorten investigation time, allow valuable human assets to be used elsewhere, minimize costs associated with a lengthy investigation, and even in some cases save lives.

With Advanced Person Search—Accurint’s new super-charged search—you can dig deeper in locating that subject who’s not easy to find and get an instant indication of what lingers in the shadows.

Advanced Person Search’s searching capabilities allow you to combine the information you have to make searching for your subject faster and easier, saving you time.

What clues do you have to go on to locate those hard-to-find subjects? Do you have a spouse’s or other relative’s name but no recent street address? Do you know that the subject previously lived in another city or state? Do you only know the name of the street? Enter these pieces of information into Advanced Person Search and you’ll be amazed at how quickly you can find your subjects.

And once you’ve found your subject, Advanced Person Search provides icons for criminal records, sexual offenses, concealed weapons permits, and vehicle registrations that we’ve found for the subject.

**Note:** Accurint for Collections features the same function, called Deep Skip.

## Accurint Data Link

The LexisNexis Accurint Data Link feature uniquely identifies your customers across multiple sources, enabling you to achieve a true single customer view across your enterprise. Our proprietary matching, linking and scoring technology, combined with our referential database comprised of billions of current and historical records on individuals and businesses, provides you with an unparalleled customer matching and linking solution. Combine that power with our high-speed computer platform and the flexibility we offer through user-defined rules on an individual level and on a household level, and it's clear why the LexisNexis solution is the best in the market. Accurint Data Link serves as the foundation for many applications, operational and strategic.

Accurint Data Link is a capability that provides everything you need to cleanse, link and house your customer information including:

- **Performance:** Supports even the largest database environments (billions of records) across the entire enterprise.
- **Real Time or Batch Processing:** Individual level matching may be delivered in batch mode or through Online Transactional Processing (OLTP) to address real-time customer integration needs.
- **Flexibility:** By allowing customers to define their own matching rules, LexisNexis provides customers with control over their Type I and Type II error tolerance. The “Configurator” provides a menu of rules for a simple rules definition process and predicts subsequent match rates.
- **Householding:** Customers can define their own rules to create “super-households” and can perform house holding in batch or OLTP mode.
- **Data Cleansing:** The LexisNexis ability to normalize, standardize, sort, deduplicate, suppress, correct and enhance data helps our customers maintain clean data and maximizes match rates achieved during Accurint Data Link processing.
- **Data Enhancement:** Appending customer records using LexisNexis contact information (address, phone number, email), demographic, psychographic, behavioral, and lifestyle data further enables a 360-degree view of the customer.
- **Referential Database:** The LexisNexis referential database that provides broad and accurate coverage of consumer, business, and small business data. Consumer level data includes current and historical names and addresses for 15+ years to ensure the highest possible match rates.
- **Integration:** LexisNexis provides the APIs necessary to easily integrate this Accurint Data Link offering into a company’s existing system. Full solution integration services are also available.

Developed from the same expertise and core technologies that brought the law enforcement community Accurint for Law Enforcement—a proven and effective tool already used by almost 2,500 police departments, approximately 1,000 sheriffs offices, and numerous Federal Agencies across the country—Accurint LE Plus is a powerful desktop client application developed in response to the specific needs of law enforcement investigators and intelligence analysts.

### Accurint for Law Enforcement Plus

## Comprehensive and Authoritative Data

Accurint LE Plus provides access to current information from these and other important law enforcement data sources:

- Multiple person locators
- Multiple business locators
- Multiple telephone sources
- Assets, including motor vehicles, watercraft and aircraft
- Nationwide bankruptcies, liens, judgments, foreclosures
- Professional licenses
- Real property records
- Death records

## Features

- Drag & Drop Integration – Ability to open multiple windows on desktop and drag and drop data into other windows.
- Enhanced Relavint™ PLUS – Provides advanced, “real-time” link analysis that utilizes powerful search features:
  - Advanced Keyword Search capability that allows users to rapidly search for any item contained within a link chart
  - Clustering layout display option offers users the flexibility to clearly organize and display entities and their relationships
  - Ability to manually add photographs to a user’s link chart and remove names by simply deselecting the corresponding name from the chart’s easy-to-use index
  - A “Best Address” check mark on address links
  - In addition to saving charts in XML format, investigators can opt to save or e-mail link charts as simple JPEG images

- **Administrator Controls** – Control user access and permissions to specific types of information.
- **Comprehensive Reports** - feature an easy-to-understand layout, informative graphics and Accurint's "Risk Indicators"
- **Enhanced Public Watch-List Search**
- **Software Development Kit** – Ability for third-party developers to integrate agency's legacy data sources.

### **Integrate Agency-Specific Data Sets**

Law Enforcement organizations can also integrate their own agency-specific data with LexisNexis Public Records to expand and enhance their search capabilities. This unique data expansion capability is designed to help law enforcement agencies quickly integrate and incorporate access to vital information such as Drivers License Records, Motor Vehicle Records, Sex Offender registries, Criminal Histories, and Department of Corrections records into their Accurint searches. Most importantly, this process allows law enforcement organizations to integrate all of this data behind their own firewall, protecting privacy and ensuring that they have complete control over their confidential and sensitive data.

## LexisNexis Batch

High-volume requests are accommodated by utilizing both Accurint's People Batching and Business Batching Solutions. The Accurint Batching solution accelerates the locate process for mass files containing 100 to millions of records resulting in increased efficiency, cost-effectiveness, and rapid response time. The Accurint Batching Solution service level is a maximum response of 24 hours for all batches under 300,000 records and a maximum response of up to seventy-two hours for batch jobs in excess of two million records. Accurint's Batching solution has been designed to accommodate high-volume processing across multiple clients by utilizing a sequential approach in receiving batches, and through the allocation of excess main frame capacity.

LexisNexis leads the industry in database customization, working with our clients to create off-line delayed searches to their specifications. What makes LexisNexis unique in the batch market is our ability to work with any data input set and return to the client a customized, on-point result set. While most data providers require their customers to follow strict input/output layouts and file transfer methods, LexisNexis creates layouts and methods based on customer requirements.

We can do this, because we support a multitude of delivery options and input and output file-naming conventions. Through LexisNexis batch solutions, DGS will have access to billions of business, individual and asset records containing a variety of identifiers. Our depth of content, combined with complex, behind-the-scenes algorithms enable LexisNexis to conduct layered searching in that will find the best results on the input data being used. LexisNexis results are current, accurate and complete.

## Summary of Bid Item Sheet Content and Pricing

West is pleased to make nine (9) Westlaw® online content options and eleven (11) add-on content packages; as detailed in the Bid Item Sheet and attached service level descriptions; available to the Commonwealth of Pennsylvania (Commonwealth). These content sets allow agencies maximum flexibility to choose high-quality content that meets their specific research needs at cost-effective pricing that takes into consideration user volume. To further ensure cost savings for the Commonwealth, West is also making eight (8) of the nine (9) online content options available to COSTARS and non-executive agency Commonwealth purchasers under the same terms and conditions as offered to executive agencies under the jurisdiction of the governor. Please refer to the Bid Item Sheet, the Bid Item Continuation Sheet, and the Schedule A's contained herein for details about the content sets and pricing.

Regardless of the content and pricing option chosen, the following terms and conditions will apply:

- **Authorized Users.** Only users authorized to use Westlaw by the agency may access and use Westlaw under the terms of any contract awarded to West pursuant to this RFQ Collective No. CN00017698 (Contract), and such use must be solely for purposes directly related to the agency's research and work.
- **Passwords.** Each Westlaw user must be assigned a separate Westlaw password. Westlaw passwords may only be used by the person to whom the password is issued. Sharing of Westlaw passwords between or among users is **STRICTLY PROHIBITED**. West reserves the right to issue additional passwords to the agency if West learns that Westlaw has been used by a person other than the person to whom the password has been issued.
- **Included and Excluded Charges.** The Schedule A's following the Bid Item Sheets outline the databases, features, and services that are included and excluded from the each content set. Access to and usage of any of the excluded databases will be billed separately as excluded charges. These excluded databases, features, and services will be charged at the applicable rates (including applicable transaction, communications, and other associated charges, if any) for each database, feature, or service accessed according to the then-current terms and conditions as set forth in Schedule A to Westlaw Subscriber Agreement Plan 2 Government Service included herein following the Schedule A's. West may, at its option, make certain databases, features, and services excluded charges if West is contractually bound or otherwise required to do so by a contributor of data to West, or if the databases, features, and services are enhanced or released after the effective date of any contract awarded to West pursuant to this proposal.
- **Westlaw Subscriber Agreement/West Software License Agreement.** All access to and usage of Westlaw (via WestMate or westlaw.com) is governed by the Westlaw

Subscriber Agreement and West Software License Agreement. These agreements are provided herein in the Bid Document Attachments section and will be incorporated by reference into and made part of any contract awarded to West pursuant to this RFQ.

- **Contracting with West.** Any contract resulting from this proposal will be with West Publishing Corporation (West, a Thomson business).
- **Offer Acceptance Period.** This bid is firm and is submitted in conformance with the terms and conditions referenced in the IFB/RFQ form and with the specifications of the Commonwealth. The terms and pricing presented by West herein valid for a minimum of sixty (60) days following the time and date designated for bid opening.

# Schedule A to Westlaw® Subscriber Agreement

## Plan 2 Government Service

Available only to government personnel accessing Westlaw for government purposes.

Upon accessing Westlaw, a user may elect either hourly or transactional billing in the Options Directory for the WestMate® and the westlaw.com® platforms. Such billing election will be effective for all subsequent sessions unless the election is changed within the same access platform. The SUBSCRIBER Database lists the hourly billing classifications, transactional charges and per document charges for each database.

### 1. Hourly Charges

A. Hourly Database Charges	Hourly Rate
i. Combination Databases	\$74
ii. Highlights Databases	123
iii. Basic Databases	197
iv. Westlaw Standard Databases	267
v. Westlaw Standard Databases-Codes	320
vi. Deluxe Databases	335
vii. Specialty Databases	370
viii. Premium Databases	382
ix. Allfile Databases	412
x. Multi-Search Databases	435
xi. Super Allfile Databases	465
xii. Select Databases	615
xiii. ResultsPlus™ Standard Databases	334
xiv. ResultsPlus Premium Databases	491
xv. ResultsPlus Allfiles Databases	528

Usage charges begin when Subscriber's password is transmitted and end when Subscriber's telecommunications link is disconnected.

### B. Communications Charges. \$13 per hour.

Communications charges begin when a password is transmitted and end when the telecommunications link is disconnected — they apply to the entire Westlaw session, excluding offline transmission, offline automated citation checking, Dockets™ and the SUBSCRIBER Database (when accessing Westlaw via transactional billing).

### 2. Transactional Charges

#### A. Search Charges

Each search query will incur a search charge. Search charges range from \$0 to \$140 per search. The search charge applicable to each database is available in the SUBSCRIBER Database. For sales tax purposes only, a percent of each search charge is allocated to communications.

Search charges for multiple database searches are discounted as follows:

1 database	No discount
2-3 databases	10% discount
4-10 databases	20%
11+ databases	N/A

#### B. Online Find Charges

Find (includes Primary Law)	\$5.00/document
Find (includes Secondary Law and Dockets)	10.00/document
Find (BNA, RIA)	15.00/document
Find (PastStat Loc, State LH, NetScan & StateNet)	15.00/document
Find (Results Plus)	25.00/document
Find (Briefs and Trial Documents)	40.00/document
Find (Depositions)	95.00/document
Find by Title*	N/A

\*Find by Title creates a search query which will result in a search charge. No separate Find transactional charge will apply. See SUBSCRIBER Database for detailed pricing.

### C. Online Citation Checking Charges

Citation Service	Charge Per Citation
KeyCite®	\$4.25
RIA-Cite	4.25

QuickCite® creates a search query which will result in a search charge. No separate online citation checking charges apply. No offline transmission charges apply.

### D. QUOTE Charges \$ .15 per entry

### 3. Subscription Charge. \$125 per month per agency

### 4. Volume Discount

Monthly Westlaw Charges	Monthly Volume Discount
\$0-\$5,000	0%
5,001-10,000	2.0%
10,001 +	2.5%

Volume discounts are calculated on a monthly basis and are based on Subscriber's average Westlaw Charges from the initial three of the four months prior to the month in which the discount(s) will be applied. Monthly volume discounts are not cumulative and are applied at each level of Westlaw Charges incurred. All Westlaw Charges, after applicable credits, except Westlaw Public Records transaction, Company Profiles Database, Derwent World Patents Legal Database, DIALOG on Westlaw Databases, Dossier Databases, AMA-ATLAS Database and PDF charges are eligible for the volume discount.

### 5. Offline Transmission Charges

A user may elect either per line or per document offline transmission billing in the Options Directory. Such election will be effective for all subsequent sessions unless the election is changed. Offline transmission charges apply to all printing and downloading to storage devices and facsimile machines, unless otherwise indicated.

	Rate Per Line	Rate Per Document
Westlaw Public Records Databases	\$ .035	\$ 1
DIALOG on Westlaw Databases	N/A	6.50
Selected databases	up to .65	up to 50
All other databases	.035	6.50

### 6. WestCheck® and find&print.com Charges

Citation Service	Charge Per Citation
KeyCite	\$4.25
Table of Authorities	1.00
QuoteRight®	7.00
Find	12.50 - 101.50
Find (Selected databases)	25.00 - 60.00
Find (Depositions) - find&print.com only	101.50
Content Verification	.50

No offline transmission charges apply.

### 7. Training Charges

Onsite training and training at West Information Centers will be provided at no charge.

**8. Alert Services Charges**

WestClip®	
Non-continuous Clipping	\$0
Continuous Clipping	\$4.50 per day per search
BNA Clipping	\$14.00 per transaction
KeyCite Alert	
Non-continuous Clipping	\$5.50 per transaction
Continuous Clipping	\$8.00 per day per transaction

Database and DIALOG per document charges apply to the online display of WestClip and Dockets Alert results. Find charges and charges associated with documents viewed from KeyCite Alert and Dockets Alert results shall apply. Connect time and communications charges do not apply during transactional billing sessions. Offline transmission charges do not apply to WestClip cite lists (excluding BNA) or KeyCite Alert.

**9. Images Charges**

	View Online	Printed or Downloaded
DIALOG on Westlaw Databases	\$4	\$4
All other databases	0	0

Offline transmission charges apply to text printed with images, but not to the images themselves. Communications charges do not apply during transactional billing.

**10. Westlaw Public Records Charges**

The Scope screen for each Westlaw Public Records Database lists its database classification for hourly billing. The search charge applicable to each Westlaw Public Records Database is available in the SUBSCRIBER Database. Additional charges for third-party services may apply. RE: Westlaw Contract #9985-28 – Add – on Content to Plan 2A, 2B, 2C, and 2H

Dear Ms. Baltimore:

In response to a large number of Pennsylvania customers purchasing multiple plans under contract #9985-28 to meet their research needs, Thomson – West is requesting a modification to four Schedules in the contract.

We are requesting that content existing in plans 2E, 2F and 2G (Public Records, Locator and Westnews-US, respectively) be also made available to customers as optional add-ons to four existing plans: Plan 2A, 2B, 2C and 2H. I'm enclosing these modified Scheduled A's for your review and approval. Please note that the only modification to these schedules is the add-on to the libraries in section 4 (which I've highlighted in yellow). Plans 2E, 2F and 2G remain as is.

Making this content available as optional add-ons will allow greater flexibility to the customers in Pennsylvania. No longer will they have to order multiple plans to get the content they need to conduct business. Upon your approval, customers will be able to order one plan, and then order the add-on content they so desire.

Please contact me if you have any questions. We await your approval of the add-ons.

Sincerely,

A handwritten signature in cursive script that reads "Aimée Blatz".

If an agency elects to request access to an Analytical Library (or Libraries), such access must be given to all Westlaw passwords issued to the agency and the associated aggregate charge will be billed to the agency accordingly. Sharing of Westlaw passwords between or among Subscriber's personnel is **STRICTLY PROHIBITED**. West reserves the right to monitor the passwords issued to an agency.

5. All access to and usage of Westlaw databases, features and services, including westlaw.com, is governed by the then-current Westlaw Subscriber Agreement and West Software License Agreement incorporated by reference herein.
6. The Monthly Price Per User under Plan 2H will **NOT** be prorated. Requests for passwords by new Subscribers or requests for additional passwords by current Subscribers that are processed by West by the last day of a month will be billed the entire Monthly Price Per User for each password request during such month.
7. Each agency location must subscribe separately. Access is limited to the agency's personnel at that location.
8. Each Westlaw user, including each Westlaw user that receives Westlaw training, must purchase and be assigned his/her own password. Westlaw passwords may only be used by the person to whom the password is issued. Sharing of Westlaw passwords between or among Subscriber's personnel is **STRICTLY PROHIBITED**. West reserves the right to issue additional passwords to Subscriber and charge Subscriber for such additional passwords, if West learns that Westlaw has been used by a person other than the person to whom the password has been issued.

**CHANGE SUMMARY: Westlaw (aka Thomson West)**

Per a letter dated Jan. 11, 2007, from Thomson West (see attachment), contract legacy # 9985-28 has the incorrect Vendor ID number and FEIN number on it. They provided the correct numbers and addresses. A new contract was re-created in SAP # 4600011265 and will replace contract # 4600009683.

The new contract will become effective on February 1, 2007.

New pricing was incorporated into the re-created contract #4600011265. The new pricing takes effect on February 1, 2007.

These line items have been added to the contract:

#290 Basic Legal Service-PA Only-No Federal 1-200 Users \$56  
#300 Basic Legal Service-PA Only-No Federal 201-400 Users \$53  
#310 Basic Legal Service-PA Only-No Federal 401-600 Users \$50  
#320 Basic Legal Service-PA Only-No Federal +601 Users \$47

RE: Westlaw Contract #9985-28 – Price Increase

Dear Ms. Baltimore:

Per Section 11, Escalation, West is increasing the cost per user by 2.0%, which does not exceed the US Bureau of Labor Statistics Consumer Price Index Table 1 for all Urban Consumers (CPI). We are providing you notice of this price increase notice no later than 30 days prior to the start of the applicable renewal term, which is February 1, 2007.

This price increase will start in effect on the renewal term date. I'm enclosing modified Scheduled A's for all the plans for your review. Please note that the price did not increase on Plans 2E and 2G because the increase was less than a dollar.

Please contact me if you have any questions. I'm also sending originals via UPS overnight which will arrive in your office tomorrow, December 29, 2007.

Sincerely,

A handwritten signature in black ink that reads "Aimée M. Blatz".

Plans 2E, 2F and 2G will not include these add-ons, and they will remain as is. I'm enclosing all the pricing schedules for your review, as now these schedules all have the date of August 29, 2007.

Making more optional content available to all Pennsylvania State executive agencies allows for greater flexibility and ease of use to Westlaw users. Most users will now be able to order the content they need from one schedule, preventing the need for multiple purchase orders.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Aimée M. Blatz". The signature is fluid and cursive, with a large initial "A" and a long, sweeping underline.

If an agency elects to request access to an Analytical Library (or Libraries), such access must be given to all Westlaw passwords issued to the agency and the associated aggregate charge will be billed to the agency accordingly. Sharing of Westlaw passwords between or among Subscriber's personnel is **STRICTLY PROHIBITED**. West reserves the right to monitor the passwords issued to an agency.

5. All access to and usage of Westlaw databases, features and services, including westlaw.com, is governed by the then-current Westlaw Subscriber Agreement and West Software License Agreement incorporated by reference herein.
6. The Monthly Price Per User under Plan 2A will **NOT** be prorated. Requests for passwords by new Subscribers or requests for additional passwords by current Subscribers that are processed by West by the last day of a month will be billed the entire Monthly Price Per User for each password request during such month.
7. Each agency location must subscribe separately. Access is limited to the agency's personnel at that location.
8. Each Westlaw user, including each Westlaw user that receives Westlaw training, must purchase and be assigned his/her own password. Westlaw passwords may only be used by the person to whom the password is issued. Sharing of Westlaw passwords between or among Subscriber's personnel is **STRICTLY PROHIBITED**. West reserves the right to issue additional passwords to Subscriber and charge Subscriber for such additional passwords, if West learns that Westlaw has been used by a person other than the person to whom the password has been issued.

If an agency elects to request access to an Analytical Library (or Libraries), such access must be given to all Westlaw passwords issued to the agency and the associated aggregate charge will be billed to the agency accordingly. Sharing of Westlaw passwords between or among Subscriber's personnel is **STRICTLY PROHIBITED**. West reserves the right to monitor the passwords issued to an agency.

- All access to and usage of Westlaw databases, features and services, including westlaw.com, is governed by the then-current Westlaw Subscriber Agreement and West Software License Agreement incorporated by reference herein.
- The Monthly Price Per User under Plan 2C will **NOT** be prorated. Requests for passwords by new Subscribers or requests for additional passwords by current Subscribers that are processed by West by the last day of a month will be billed the entire Monthly Price Per User for each password request during such month.
- Each agency location must subscribe separately. Access is limited to the agency's personnel at that location.
- Each Westlaw user, including each Westlaw user that receives Westlaw training, must purchase and be assigned his/her own password. Westlaw passwords may only be used by the person to whom the password is issued. Sharing of Westlaw passwords between or among Subscriber's personnel is **STRICTLY PROHIBITED**. West reserves the right to issue additional passwords to Subscriber and charge Subscriber for such additional passwords, if West learns that Westlaw has been used by a person other than the person to whom the password has been issued.
