SPECIAL CONTRACT TERMS AND CONDITIONS

CONTRACT SCOPE/OVERVIEW: This Contract will cover the requirements of Commonwealth agencies for Decontamination Equipment.

ORDER OF PRECEDENCE: These Special Contract Terms and Conditions supplement the Standard Contract Terms and Conditions For Statewide Contracts for Supplies. To the extent that these Special Contract Terms and Conditions conflict with the Standard Contract Terms and Conditions For Statewide Contracts for Supplies, these Special Contract Terms and Conditions shall prevail.

TERM OF CONTRACT: The Contract shall commence on the Effective Date, which shall be no earlier than September 1, 2003 and expire on August 31, 2004.

OPTION TO EXTEND: The Department of General Services reserves the right, upon notice to the Contractor, to extend the Contract or any part of the Contract for up to three (3) months upon the same terms and conditions. This will be utilized to prevent a lapse in Contract coverage and only for the time necessary, up to three (3) months, to enter into a new contract.

OPTION FOR SEPARATE COMPETITIVE BIDDING PROCEDURE: The Department of General Services reserves the right to purchase supplies covered under this Contract through a separate competitive bidding procedure, whenever the department deems it to be in the best interest of the Commonwealth. The right will generally be exercised only when a specific need for a large quantity of the supply exists or the price offered is significantly lower than the Contract price.

E-CATALOG: The Commonwealth may require the awarded bidder(s) to supply its price list/catalog and any updated price lists/catalogs in electronic format. Price lists/catalogs must be provided in one of the following formats: Word document, Excel spreadsheet, or PDF file on 3.5-inch diskette or CD-ROM.

OPTION TO RENEW: The Contract or any part of the contract may be renewed for four (4) additional one (1) year terms by mutual agreement between the Department of General Services and the contractor(s). If the Contract is renewed, the same terms and conditions shall apply.

PRICE LISTS: Discount percentages may not be decreased during the contract period or any extensions or renewals thereof. Discounts may be increased at any time either for an individual order or as a permanent change to the contract. Any reference, which may appear on any Price List, to any terms and conditions, such as F.O.B. shipping point, minimum order amount or quantity, or Prices subject to change, will not be a part of any contract with the successful bidder(s) and will be disregarded by the Commonwealth. Federal GSA pricing (without terms and conditions) is acceptable.

SERVICES: Bidder may offer to provide additional related services (maintenance, monitoring, services, training, relocation of equipment, etc) in conjunction with the equipment items they are offering to supply to the Commonwealth under this contract. For equipment and services, the agencies will request one written and signed offer from any listed equipment and service provider within the pertinent category on this contract, 6840-06. Bidders should include with their bids a list of all such services with the associated prices. These services are over and above the services already built into the equipment bid prices. These services and their associated prices will not be a factor in bid evaluation and award of the contract. The Commonwealth does, however, reserve the right to restrict the services which can be procured under the contract and not to include any services if either the price or prices is/are unacceptable or services are outside the acceptable scope of additional services. Any price update for these services

are subject to the "Update Option" clause. Vendors must service customers using this contract on a timely basis. Vendors must return phone calls from Commonwealth agencies within 6 business hours. Purchase quotations must be received by fax or hardcopy within 24 hours from request. Requests for large quantity pricing may exceed these requirements with agreement between the vendor and the requesting agency.

STANDARD WARRANTY: The bidder's price shall include the standard manufacturer's warranty for all products provided. The warranty shall commence upon delivery.

UPDATE OPTION: The awarded vendor may request updates to their awarded pricing once every quarter during the months of January, April, July and October to reflect manufacturer price increases, as well as deletions and substitutions of a manufacturer's discontinued items, and the introduction of new products. The first update request will be permitted during the first quarter after the contract has been effect for three (3) months. In the event the contract is renewed for subsequent annual periods, additional update requests will be permitted. The percentage discounts may not be decreased during the term of the contract and any extensions or renewals thereto.

Vendors shall submit a letter to the appropriate buyer listed herein requesting review and approval of the update(s). It is the responsibility of the awarded vendor to adequately justify changes. All price update requests must be accompanied by a letter of verification from the manufacturer showing the manufacturer has increased their prices to all suppliers. All discontinued product requests must be accompanied by published information, supplied by the manufacturer, outlining the discontinued product(s). Vendors will be notified in writing, by the buyer, indicating approval/disapproval of the request. Upon approval, vendors may issue new price and/or product lists to requesting agencies.

At no time are awarded vendors permitted to unilaterally change the products or pricing on this contract. Approval must be granted, in writing, by the Department of General Services.

MINIMUM ORDER: The minimum order under this contract shall be three hundred dollars (\$300.00).

DELIVERY: F.O.B. any using agency within the Commonwealth of Pennsylvania. Bid prices include all transportation, delivery and handling charges. Delivery to be made within **one-hundred sixty (160) calendar days** after receipt of purchase order unless otherwise agreed to, in writing, between the Department of General Services and the contractor.

Provisions for Piggybacking Off of This Contract: Act 57 of May 15, 1998 permits local public procurement units to participate in those contracts for supplies, services, or construction entered into by the Department of General Services that are made available to local public procurement units. A "local public procurement unit" is defined as: any political subdivision; public authority; educational, health, or other institution; and to the extent provided by law, any other entity, including a council of governments or an area government; nonprofit fire, rescue or ambulance company; and any nonprofit corporation operating a charitable hospital. Local public procurement units which elect to participate in the contract will order items directly from the contractor and will be responsible for payment directly to the contractor.

Those local public procurement units listed above which issue orders under the contract are intended beneficiaries under the contract and are real parties in interest with the right to sue and be sued without joining the Commonwealth of Pennsylvania Department of General Services as a party.

Monthly Purchase Reports for Piggyback Procurements: The contractor shall furnish to the Cooperative Purchasing Office monthly reports no later than the last day of the month. Each report shall indicate name and address of the vendor, contract number, and period covered by the report. The following information shall be listed on the report for each order received.

<u>Item No.</u>	<u>Quantity</u>	<u>Cost</u>	<u>Political Subdivision</u>
-----------------	-----------------	-------------	------------------------------

At the option of the contractor, the reports may be in a form of a copy of the purchase order issued by the ordering agency.

All such reports shall be mailed to:
Department of General Services
Cooperative Purchasing Office
Attn: Susan Plecker
415 North Office Building
Harrisburg PA 17125

Resolution of any problems to acquisitions of equipment by Local Public Procurement Units and their use of state contract(s) should be accomplished in a timely manner and all contact pertaining to these problems should be directed to Susan Plecker at (717) 787-1105. E-mail Specker@state.pa.us.

Beneficiaries: Vendor acknowledges that the participating Local Public Procurement Units are intended beneficiaries under this contract and are real parties in interest with the capacity to sue and be sued in their own name without joining the Commonwealth of Pennsylvania, Department of General Services.

INQUIRIES: Direct all questions concerning this contract to:
