

Overview for Contract 2420-03

Prior to utilizing a contract, the user should read the contract in it's entirety.

DESCRIPTION

► This contract provides repair and maintenance parts for autos and light trucks. Most automotive parts and supplies are available including:

- Filters
- Brakes
- Exhaust
- Electrical
- Belts & Hoses
- Complete Line of other parts

CONTRACT INFO

Contract Number & Title	2420-03 Aftermarket Light Duty Parts
Number of Suppliers	1 / 4600013002 - Middle Atlantic Warehouse Distributors, Inc, /DBA Fleetparts
Validity Period	7/1/05 – 6/30/08
DGS Point of Contact	Susan L. Reinhold
Contact Phone #	717-703-2931
Email	sureinhold@state.pa.us

PRICING HIGHLIGHTS

► Pricing for this contract is by a series of discounts from specified Manufacturer's Jobber Price List.

Example:

WIX Oil Filter 51515	\$4.87
35% Discount	\$1.70
PRICE	\$3.17

PROCESS TO PURCHASE

► Contact Fleetparts @ 1-800-257-7972 to check availability of delivery in your area and to establish an account with them. Be sure to have your COSTARS ID available. COSTARS can be found at:

<http://www.dgs.state.pa.us/costars/site/default.asp>.

No Minimum Order

P-card purchases are available in accordance with Agency policy.

Exhibit A

SPECIAL TERMS AND CONDITIONS

These **SPECIAL TERMS AND CONDITIONS** shall be a part of the Contract for the Supply and Delivery of Fleet Maintenance Aftermarket Light Duty Vehicle Parts and Supplies ("Parts") between the Commonwealth of Pennsylvania ("Commonwealth"), acting through the Department of General Services ("DGS"), and Parts Central Pennsylvania LLC ("Contractor").

1. CONTRACT SCOPE/OVERVIEW:

This Contract (identified here and in other documents as the "Contract") will cover the requirements of all using Commonwealth agencies for internal use Fleet Maintenance Aftermarket Light Duty Vehicle Parts and Supplies, as more fully described in RFP No. CN00010658. This Contract does not cover the purchase of automotive parts in conjunction with service by or on behalf of individual Commonwealth automobile operators through the process outlined in Management Directive 615.14 Amended and the Commonwealth Directory, *Automotive Service Facilities* ("Red Book").

This Contract consists of two phases, designated as Phase 1 and Phase 2. Phase 1 services consist of limited Parts supply and delivery to specified locations in accordance with the Implementation Schedule identified in Paragraph 6.B. below. Phase 2 services consist of full Parts supply and delivery to all locations.

2. TERM OF CONTRACT:

This Contract shall not be a legally binding agreement until it is fully executed by the Commonwealth. The initial term of this Contract shall commence on the Effective Date, which will be fixed by DGS after the Contract has been fully executed by the Contractor and all approvals required by Commonwealth contracting procedures are obtained. The initial term of this Contract shall terminate two (2) years from the start of the Period of Performance defined in Paragraph 3 below, unless the Commonwealth elects not to proceed to Phase 2 implementation as provided in Paragraph 6.B. below.

3. PERIOD OF PERFORMANCE:

The Period of Performance for this Contract will start on the later of May 1, 2005, or the date Phase 1 limited Parts supply and delivery begins for the last location specified in the Implementation Schedule identified in Paragraph 6 below.

4. OPTION TO RENEW:

This Contract or any part of the contract may be renewed for three additional one-year terms by mutual agreement between the Commonwealth and the Contractor. In deciding whether to renew, CWOPA will review the contractor's past performance under the contract. Discount percentages for each one (1) year renewal option will be determined by evaluating the contracted

pricing to recent changes in the aftermarket industry, overall industry pricing trends, competition, availability of new and more affordable substitutes, and other variables. If the pricing adjustment is not agreed upon through these negotiations, CWOPA will not renew the contract. The procurement of all Fleet Maintenance Aftermarket Light Duty Vehicle Parts and Supplies, regardless of when added to the Contract, will expire at the end of the initial contract or renewal term(s). If the Contract is renewed, the same terms and conditions shall apply.

5. OPTION TO EXTEND:

DGS reserves the right, upon notice to the Contractor, to extend the Contract or any part of the contract up to three (3) months upon the same terms and conditions. This will be utilized to prevent a lapse in contract coverage and only for the time necessary to enter into a new contract.

6. SERVICES TO BE PROVIDED UNDER THIS CONTRACT:

A. Implementation Process: A joint implementation team will be formed between the Contractor and DGS within two days after the Effective Date of this Contract. This team will prepare a customized implementation timetable and the objectives to be accomplished through the Contract. All tasks will be assigned due dates. The team will review these tasks weekly for updates and status until the implementation process is complete. The team will remain in place for at least ninety (90) days after full implementation to monitor and ensure the program's success. Contractor and DGS shall perform the tasks assigned to them by the due dates established by the timetable.

Procedures mutually agreed upon by the parties resulting from the Implementation Process shall be documented in writing and will automatically become a material part of this Exhibit and the Contract, without the necessity of any further instrument.

B. Implementation Schedule: Contractor will implement Phase 1 of this Contract in accordance with the Implementation Schedule attached hereto as Attachment 1 and incorporated herein as part of the Contract.

For Phase 1 only, Attachment D to the RFP is revised as reflected in Attachment 2, attached hereto and incorporated herein as part of the Contract, to reduce the number of Parts categories that Contractor is required to supply. Contractor at its discretion may elect to supply items from the optional categories in accordance with the required delivery timeframes during Phase 1, however, Contractor's performance for those categories will not be measured for purposes of the Commonwealth's determination whether to proceed to Phase 2. Additionally, Contractor will not open the warehouse it proposed in the Harrisburg area unless and until the Commonwealth elects to proceed to Phase 2 implementation. Contractor shall be allowed a reasonable time from notice to proceed with Phase 2 to open the Harrisburg area warehouse.

The Implementation Schedule may be revised to reflect changes in dates, objectives and the order in which agencies are implemented, upon the mutual consent of DGS and the Contractor.

The Commonwealth will evaluate the Contractor's performance during Phase 1 using the Report Card and the performance criteria contained therein, attached hereto as Attachment 3 and incorporated herein as part of the Contract. The Commonwealth reserves the right to elect not to proceed to Phase 2 implementation if Contractor's performance during Phase 1, as determined by the Commonwealth in its sole discretion, is deficient; this right is in addition to the Commonwealth's right to terminate this Contract for convenience as provided by Paragraph 21.a. of the Standard Contract Terms and Conditions (Exhibit B to this Contract). In the event the Commonwealth elects not to proceed with Phase 2 implementation, DGS shall provide notice to the Contractor and the Contractor shall be compensated for work performed to date as provided by Paragraph 21.a. of Exhibit A to the Contract.

C. Customer Service: Contractor will designate a Commonwealth Account Administrator to oversee this Contract and serve as the single source of accountability. Contractor's customer service representatives will be available to assist with checking order status, answering general billing questions, assisting with emergencies or change orders, researching missed deliveries or shortages, and quality control issues.

D. Ordering:

(Contractor's performance with respect to the following items will be measured for purposes of the Commonwealth's determination whether to proceed to Phase 2 full implementation.)

- Contractor will provide a web-based part lookup and ordering system for Commonwealth usage, through which the Commonwealth may place orders, review previous orders, view real-time inventory and item availability, review pricing, and select quantity of items to be ordered. Contractor shall provide adequate training on the use of its system to Commonwealth users. If an order is over \$3,000, the agency should not place an order using the web-based ordering system.
- Contractor will also provide telephone and facsimile machine ordering and confirmation capability with the same functionality as for the web-based system.
- Contractor will accept the Commonwealth's purchasing card for orders less than \$3,000.00.
- Each item shown on the Purchase Order must be identified by its complete supply number. At no time may these numbers be changed without notification to the Commodity Manager in DGS.

E. Deliveries: Contractor shall deliver all items (including those in the Phase 1 optional Parts categories) on a next-day delivery basis in accordance with Contractor's Technical Submittal (Exhibit E to the Contract), or as mutually agreed upon at the time of ordering.

F. Return Policy: Returns shall be handled as required by Section II-4.10 of the RFP (Exhibit D to the Contract).

eh

G. Invoicing: Contractor will customize the Commonwealth's invoices to mirror the Commonwealth's Purchase Orders. Contractor will indicate the date the Purchase Order was received on its invoices. The original invoice for purchase orders over \$3,000 must be sent directly to the Comptroller Office. (Copy may be provided to ordering location if requested). Agency may also specify consolidated monthly billing for all of its locations. Contractor may elect to work with the Commonwealth to participate in electronic invoicing and payment (ACH/EFT) processing upon their availability.

H. Reporting: Contractor shall develop and submit reports as required by Section II-4.13 of the RFP (Exhibit D to the Contract).

I. Quarterly Program Review: Contractor shall provide reports to DGS at the end of each calendar quarter of the contract term. The reports shall include:

- ❖ Performance data
- ❖ Usage data
- ❖ Reporting processes
- ❖ Process improvements and cost saving opportunities
- ❖ Recap current quarter's accomplishments
- ❖ Set goals for following quarter
- ❖ Other areas as necessary

J. Systems Interfaces: Contractor may elect to work with the Commonwealth to develop and make available an interface with the Commonwealth's Fleet Management and ERP systems to allow for support and pass back of necessary data for ordering, inventory, financial and contract administration.

K. Inventory: Contractor will work with the Commonwealth to identify and effect optimal inventory levels of Parts at each of the Commonwealth's garages, as more fully described in Contractor's Technical Submittal (Exhibit E to the Contract). Agencies and facilities shall have the final say on the number and types of Parts inventory to be maintained at each location.

For Phase 1 of this Contract, Contractor's performance shall not be negatively affected in the event that Contractor is unable to supply item(s) which Contractor reasonably recommended that the facility stock but which the facility decided not to stock, stocks-on-hand a lesser number of such item(s) than recommended, or fails to order replenishing supplies.

In the event the Commonwealth elects not to proceed to Phase 2 implementation, Contractor shall re-purchase from the Commonwealth unused inventory not expected to be consumed as designated by the Commonwealth at the same price paid by the Commonwealth.

L. Confidential Information: Due to the nature in which some vehicles owned by the Commonwealth are assigned and used, all information pertaining to Vehicle Identification Numbers (VIN's) shall not be shared with anyone not directly involved in the servicing of this Contract. Contractor shall be provided only with the first eight characters of vehicle VIN's for the initial loading of vehicle information into Contractor's databases. If feasible, VIN's should be deleted from any and all Contractor databases after the initial loading of vehicle information is completed, and vehicle identification should be referenced solely from the equipment number.

M. Security: Contractor will be responsible for ensuring that all personnel, equipment, tools, keys and supplies/materials comply with any and all rules, regulations, and procedures of each agency and the individual facilities. Questions should be addressed to the Business Manager at each facility. The individual facility's rules, regulations and procedures governing the entry and conduct of staff working inside the facility will be made available and explained at the point of entry.

All contractor personnel entering a facility will be subject to a search of their person and personal items. Such searches may be frisk searches, searches by metal detectors or searches by narcotics detection canines.

All equipment, tools supplies and materials will be subject to search or inventory at any time. Tools and materials must be carefully controlled at all times and locked when not in use.

Any attempts to introduce contraband, to assist in escape, or to have unauthorized contact with residents/inmates of a facility are prohibited and will be prosecuted under Pennsylvania law. The contractor's personnel are prohibited from bringing into or taking out of the facility any items unless specifically approved. No meals may be brought into the facility without the written approval of the Superintendent or other appointed person. Any interaction between a contractor's employee and resident/inmate, which would assist the prisoner to escape, is a felony and will be prosecuted.

Contractor's personnel may not deliver, receive or otherwise transfer any item (no matter how innocuous) to or from a resident/inmate without express permission of the Superintendent or other appointed person.

Contractor's personnel or representatives are limited to movement to, from and within their assigned work area. No contact is allowed with residents/inmates unless expressly approved.

No person who appears to be under the influence of drugs or alcohol or who is otherwise impaired will be allowed entry into a facility.

Each agency reserves the right to deny entrance to anyone who is suspected of a breach of security or for failure to follow published rules, regulations or procedures.

All contractor personnel must be in possession of a valid identification with a recent, clear photo in order to enter a facility.

Generally any vehicle entering the facility should be attended at all times. However, if any vehicle is left unattended it must be locked and the keys must be removed or it should be otherwise rendered inoperable. No vehicle is permitted to exit the security compound of a corrections facility until after an institutional count has been completed. Count times vary.

All employees of the contractor who deliver product (or otherwise conduct business) inside a security perimeter must submit to a background investigation conducted by the specific agency. The contractor must submit the name, social security number, driver's license number, and date of birth for each and every employee providing services at a secure facility. The personnel background investigations will be processed at no cost to the contractor.

7. COSTARS (Cooperative Sourcing to Achieve Reductions in Spend) Program:

Act 57 of May 15, 1998, as amended, permits local public procurement units to participate in those contracts for supplies, services, or construction entered into by the DGS that are made available to local public procurement units. A "local public procurement unit" is defined as: any political subdivision; public authority; educational, health, or other institution; and to the extent provided by law, any other entity, including a council of governments or an area government; nonprofit fire, rescue or ambulance company; and any nonprofit corporation operating a charitable hospital.

Upon achieving full implementation of this Contract with respect to Commonwealth agencies, the Contractor may elect, at its sole option, to participate in the Commonwealth's COSTARS Program and sell the awarded items to those political subdivisions, public authorities and local public procurement units that are registered with DGS and elect to participate in the Contract through the COSTARS program, and which entities the Contractor agrees to service. Contractor and the COSTARS participants shall separately document their agreement and may mutually negotiate and modify the pricing and delivery requirements to reflect their respective vehicle servicing operations. A list of these registered entities will be supplied to Contractor at the commencement of this Contract. All updates will be coordinated between Contractor and Susan Plecker, COSTARS Systems Coordinator. No other entities may purchase from this Contract, unless registered with DGS.

If applicable, Contractor shall furnish to the DGS COSTARS Division an electronic monthly usage report, preferably in spreadsheet format no later than the last day of the month. Reports shall be e-mailed to splecker@state.pa.us, as well as to rwoodworth@state.pa.us. Each report shall indicate the name and address of the Contractor, contract number, and period covered by the report. The following information shall be listed on the report for each order received:

- ❖ Item No.
- ❖ Material Code

- ❖ Description
- ❖ Quantity
- ❖ Unit Price
- ❖ Total Price
- ❖ Local Public Procurement Unit

Questions regarding the COSTARS program from the Contractor and/or Local Public Procurement Units should be directed to Susan Plecker, COSTARS Systems Coordinator at 717-787-1105 or 1-866-768-7827.

Local public procurement units, which elect to participate in the Contract and which Contractor agrees to service, will order items directly from Contractor and will be responsible for payment directly to Contractor. Contractor and COSTARS entities participating in this Contract will execute a Participating Addendum between the parties addressing their special terms and conditions, including minimum orders and delivery schedules. Those local public procurement units listed above which issue orders under the Contract are intended beneficiaries under the Contract and are real parties in interest with the right to sue and be sued without joining the Commonwealth or DGS as a party.

8. PRICE ADJUSTMENTS:

Contractor's percentage discounts off Contractor's catalog prices listed for each category of items shall remain firm for the initial two-year term of the contract. Discount percentages for each one (1) year renewal option will be determined by evaluating the contracted pricing to recent changes in the aftermarket industry, overall industry pricing trends, competition, availability of new and more affordable substitutes, and other variables. Catalog prices may be adjusted and items may be added or deleted in accordance with Section II-7 of the RFP (Exhibit D to the Contract).

9. FACILITIES:

The Commonwealth reserves the right to add or remove facilities from this Contract as future needs change within each agency. This shall be used to reflect minor changes in number and location of Commonwealth vehicle servicing facilities. Substantial changes to the number of facilities shall require mutual agreement by the parties.

10. KEY PERSONNEL:

The key personnel identified below shall be assigned to administer this Contract on behalf of the Contractor. These persons shall not be removed from this assignment in the absence of death, retirement, resignation or termination from the Contractor or other unavoidable circumstance. All replacements and additions to key personnel assigned to administer this Contract shall be subject to the written approval of DGS, which approval shall not be unreasonably withheld.

(Name)

(Title)

11. CONTRACTING OFFICER:

The Contracting Officer for this Contract is:

Richard H. Woodworth
rwoodworth@state.pa.us
Bureau of Purchases
P.O. Box 8365
Harrisburg, PA 17105-8365

or

Bureau of Purchases
414 North Office Building
Harrisburg, PA 17125

Contractor shall direct all notices or inquiries to the Contracting Officer.

ATTACHMENT #2 TO EXHIBIT A

1	Fluids, Accessories and Auto Care Products	Covers, Appearance Products, Graphics Kits, Aftermarket Horns, Additives, Grease, Lubricants, Cleaners, Glues Polishes, Degreasers, Radiator Flush (Excludes janitorial or general use cleaners).
2	OPTIONAL Body Parts	Aero Ground Effects (Spoiler, Wing), Bumpers, Consoles, Cowls, Doors, Fenders, Floor (pedals, carpet, liner, mat), Frame, Glass & Window, Grille, Hood, Instrumental Panel (Amps Gauge, Oil Gauge, Fuel Gauge, Tachometer, Speedometer, Voltmeter, and other gauges), Mirrors, Panels, Roof, Seats, Steering Wheel, Tailgate, Trunk
3	Brake Parts	ABS Components, Brake Hardware (Boosters, Callipers, Springs, Bearings, Drum Brakes, Disc Brakes, Wheel Cylinders, and others), Brake Hydraulics, Control Cables, Disc Pads, Brake Shoes, Drums, Rotors, Brake Sensors, and Seals.
4	Driveline and Axles	Axle Bearings & Seals, Axle Hardware (Axle & Spindle nut, retainer & washer), Axle Shafts, Differentials, Drive Shafts, CV Boots, Power Take Off Components, Wheel Bearings & Seals
5	Electrical, Charging and Starting Components	Alternator & Generator and related components, Battery and related Components, Starter and related components, voltage regulator.
6	Electrical, Lighting and Body	Air-Bag System, Anti-Theft System, Body Actuators, Solenoids, Motors, Wiring, Control Cables, Cruise Control System, Door Power Locks, Electrical Connectors, Electrical Sockets, Flasher Units, Fuses, Circuit Brakers, Lighting (Exterior, Interior), Power Outlets, Relays, Resistors, Sending Units, Switches, Buzzers.
7	OPTIONAL Electronics and Telematics+C11	Mobile Multimedia (Amplifier, Radio, Speaker, Television, Telephone, GPS Navigation System, Tape/CD/DVD Player, and others)
8	Emission Control	Air Injection System, Control Modules, Crankcase Ventilation System, EGR System, Evaporative Systems (Vapor Canister, Early Fuel Evaporation EVE System), filters, sensors, vacuum systems.
9	OPTIONAL C14+C11 Engine Parts	Cylinder Block Components (Connecting Rods, Crankshaft, Pistons, Torque Strut), Engine Kits (Cams/Shaft lifter kit, piston kit, Re-Main Kit, ReRing Kit, Rocker Arm kit, Torque Strut Bushing), Filters, Gasket and Sealing Systems, Ignition Wire, Valve Train Components.
10	Exhaust Systems	Brackets, Flanges, Hangers, Catalytic Converter, Clamps, Exhaust & Tail Pipes, Exhaust Manifolds, Mufflers, Gasket & Sealing Systems
11	Fuel Systems	Carburetion, Filters, Fuel Injections Systems (Distributor, Actuator, Regulator, Overrun Cutoff, Throttle, and others), Fuel Pumps, Fuel Storage (Fuel Tank, , Sensors, Turbocharger, Supercharger, Ram Air
12	OPTIONAL C16 Hardware and Service Supplies+C16	Fasteners, Tubing, Wire, Cable, Electrical Connectors (Alligator Clip, Flag/Hook/Ring/Bulter/Spade/T-Tap Terminals, Knife/Twist/Butt Connector, Pigtail), and other Hardware Assortments & Merchandisers
13	HVAC, Heating & Cooling Systems	A/C Accumulator / Receiver Dryer, A/C Clutch and Compressor, A/C Condenser and Evaporator, A/C Hoses, Pipes and Fittings, Heater Control Valve, Motors, Sensors, Valves, Cooling Fans, Gasket & Sealing Systems, Hoses & Pipes, Radiators, Coolant Sensors, Water Pump, Thermostat.
14	Ignition	Ignition Wire, Primary Ignition, Secondary Ignition (Ignition coil, Spark Plug, Distributor, and others), steering column, sensors
15	Steering	Power Steering Hoses, Pumps, and Related Components, Steering/Gear/Pump (Power Steering, Rack & Pinion, Steering Gear, Steering Idler, Steering Pitman Arm, Steering Tie Rod),
16	Suspension	Shocks and Struts, Suspension, Springs and Related Components (Alignment Caster/Camber Kit, Coil Spring, Axle Spindle, Stabilizer bar, Radius Arm, Traction Bar, Trailing Arm, and others)
17	OPTIONAL C21 Tire and Wheel	Spare Tire, Tire, Wheels, Tubes,

18	OPTIONAL Tools and Equipment	Air tools, Body, Frame and Paint Equipment, Engine Service Tools, Hand Tools (Cable Cutter, Pliers, Wire Separator, Alignment tool, Gun, , Fuel System Tools, Exhaust System Tools, Hoist, Lift and Support (Winch, Mount) Power Takeoff Components, Transfer Case Shafts/Bearings/Pinions/Chain Case/Flange and others
19	Transfer Case	Front Axle, Rear Axle, Axle Controls, Axle Shaft, Automatic & Manual Transmissions.
20	Transmission and Transaxle - Automatic/Manual	Windshield Wiper, Washer Arm/Blade/Sensor/Motor.
21	Wiper and Washer Components	Fuel, Air, Oil, Hydraulic, Steering, Coolant, and Bleed Filters
22	Filter Components	

Contract Number **2420-03**
Collective Number: CN00010658
Change Number: 1
Change Effective Date : March 17, 2006

**COMMONWEALTH OF PENNSYLVANIA
DEPARTMENT OF GENERAL SERVICES
HARRISBURG**

For: All using agencies within the Commonwealth
Subject: Light Duty Parts
Contract Period: Effective date of 07/01/2005 and Expiration date of 06/30/07
Buyer Name: Susan L. Reinhold 717-703-2931 sureinhold@state.pa.us

CHANGE SUMMARY:

In accordance with the Special Terms and conditions, Manufacturer's Jobber price lists have been updated as listed in the attached list. Only those Price lists indicated in the last two columns on the right, titled "Pricing effective March 2006", represent changes. All others remain the same and are listed for information only.

ALL OTHER TERMS AND CONDITIONS OF THIS AGREEMENT ARE NOT CHANGED BY THIS CHANGE NOTICE AND REMAIN AS ORIGINALLY WRITTEN.

**CONTRACT NUMBER 4600008262
AMENDMENT NO. 1**

By agreement of both parties, Contract No. 4600008262 (“Contract”) between the Commonwealth of Pennsylvania, Department of General Services (“Department”), and Parts Central Pennsylvania LLC (“Parts Central”) is hereby amended through this Amendment No. 1.

Whereas, the Department issued a Request for Proposals for the Supply and Delivery of Fleet Maintenance Aftermarket Light Duty Vehicle Parts and Supplies (“Parts”) to Commonwealth executive agencies, RFP No. CN00010658;

Whereas, following a complete evaluation of the proposal submitted by Parts Central and other proposers, the Department awarded the Contract to Parts Central and negotiated and executed the Contract to procure the Parts for the Commonwealth executive agencies; and

Whereas, the Contract was divided into two phases for the purposes of a smooth implementation of the services; and

Whereas, Phase I of the Contract, under which Parts Central serviced a limited number of Commonwealth garages with a limited number of Parts categories, has been completed; and

Whereas, Parts Central has unilaterally offered increased discounts off of certain manufacturers’ products; and

Whereas, Parts Central has, on its own voluntary initiative, scheduled the opening of a warehouse in Harrisburg, Pennsylvania to better serve the central and western portions of Pennsylvania; and

Whereas, the Department, in responding to concerns from using agencies relating to the ability to obtain Parts from sources other than Parts Central that are needed immediately and for which the using agency cannot wait until the delivery period specified in the Contract to receive the Part; and

Whereas, while the Department remains fully committed to enforcing the using of the Contract by the using agencies, both it and Parts Central recognize that there are certain instances where, in order for the using agency to provide vehicle service in a timely manner, Parts would need to be obtained immediately;

Whereas, the Department and Parts Central hereby agree to amend the Contract to reflect the new discounts and to set forth the conditions for proceeding to full implementation of the Contract and the parameters under which using agencies can purchase Parts covered under the Contract from vendors other than Parts Central, which shall be defined as purchases outside of the Contract.

NOW THEREFORE, the Contract is amended as follows:

1. Changes to Pricing

- a. Exhibit C of the Contract (Contractor's Price Submittal), is here by amended to increase the discount amounts off of Parts Central's catalog pricing for certain manufacturers as follows:

Manufacturer	New Discount Amount
Cole Hersee	29%
Ecco	31%
Grote	33%
Trucklite	42%

- b. Manufacturer price increases may occur no more frequently than on a quarterly basis and shall be effective upon posting a change notice to the Department's website.

2. Purchases from Vendors Other than Parts Central

- a. The Department and Parts Central have acknowledged that circumstances will arise when a using agency will need a particular part that is available under the Contract but requires such part in a faster time frame than required by the Contract. This acknowledgment stems from a "next day" delivery system combined by structured stock, recommended by Parts Central. The Department urges all agencies to make the fullest use of the contract given good business practices.
- b. Facilities shall be required to schedule preventative maintenance for vehicles with sufficient time to allow for the purchase and delivery of all parts included in the mandatory categories listed below in section (c.). All items in these Mandatory Categories necessary for scheduled preventative maintenance shall be purchased from the contract. Immediate use, unscheduled, and non-stock items may be purchased at a local level if the delivery time frame from Parts Central does not meet good business practices as determined by the Facility. All decisions of suitability of time frame for scheduled and unscheduled preventative maintenance shall be at the Facility level, subject to agency policy.
- c. The Mandatory Category List is amended to include:
- i. Brakes
 - ii. Auto Electrical Lighting
 - iii. Auto Ignition Parts
 - iv. Auto Filter Components

- d. Additionally, Mandatory Categories or Subcategories may be added by change order to the Contract upon mutual consent of the parties. Parts Central will, at the using Facility's request, help the Facilities develop a "stock" of parts for "Preventative Maintenance" to be purchased from Parts Central. The purpose of the stock items shall be to facilitate the greatest use and savings of the contract. Stock Items are understood to be those items purchased for future use to improve scheduling of fleet vehicles, and/or developing a Scheduled Preventative Maintenance Program for the Facilities.
 - e. All using agencies are strongly encouraged to purchase remaining category items from this contract for Non-Preventative Maintenance items that the Facility deems can save time and money and meets the above guidelines.
3. Rollout Schedule
 - a. The Rollout Schedule is attached as Exhibit A to this Amendment. The Rollout Schedule may be adjusted by written change notice.
 - b. During the initial rollout period, Parts Central will ship orders totaling \$100.00 or more freight pre-paid to any garage in the Commonwealth not included in the rollout schedule. However, batteries, fluids and chemicals, and heavy-duty brake drums are excluded. Terms on those items will vary depending on locations of garage and size of order.
 - c. At Parts Central's discretion, it may continue to utilize freight pre-paid shipment (with no restrictions) for locations within rollout areas where Parts Central truck delivery is not economically feasible.
4. Customer pick-up will be available at each Parts Central warehouse location as they are used for distribution under this Contract. Parts Central may, at its option, offer twice a day delivery (morning and afternoon) to locations where it determines that it is economically feasible.
5. All other provisions of the Contract are unchanged and remain in full effect.
6. After signature by Parts Central on this document, Amendment No. 1 will be submitted for required Commonwealth approvals through the Commonwealth's SAP system. Amendment No. 1 will be effective following the final Commonwealth approval.

IN WITNESS WHEREOF, the Commonwealth and Parts Central have approved this Amendment No. 1 to Contract Number 4600008262.

**Exhibit A
Rollout Schedule**

	Time Frame For Implementation	Counties Included
Phase I	Within 30 days of full execution of Amendment No. 1	Berks, Bucks, Chester, Cumberland, Dauphin, Delaware, Lancaster, Lebanon, Lehigh, Montgomery, Northampton, Philadelphia, York
Phase II	Within 90 days of full execution of Amendment No. 1	Carbon, Centre, Clinton, Columbia, Lackawanna, Luzerne, Lycoming, Monroe, Montour, Northumberland, Schuylkill, Snyder, Tioga, Union
Phase III	Open for customer pickup 90 days after execution of Amendment No. 1 and with delivery beginning 120 days after execution of Amendment No. 1.	Adams, Franklin, Fulton, Huntingdon, Juniata, Mifflin, Perry
Phase IV	To be determined at through a change order at a later time.	Allegheny, Armstrong, Beaver, Bedford, Blair, Bradford, Butler, Cambria, Cameron, Clarion, Clearfield, Crawford, Elk, Erie, Fayette, Forest, Greene, Indiana, Jefferson, Lawrence, McKean, Mercer, Pike, Potter, Somerset, Sullivan, Susquehanna, Venango, Warren, Washington, Wayne, Westmoreland, Wyoming

Contract Number **2420-03**
Collective Number: CN00010658
Change Number : 2
Change Effective Date : May 24, 2006

**COMMONWEALTH OF PENNSYLVANIA
DEPARTMENT OF GENERAL SERVICES
HARRISBURG**

For: All using agencies within the Commonwealth
Subject: Light Duty Aftermarket Parts
Contract Period: Effective date of 07/01/2005 and Expiration date of 06/30/07

**COMMONWEALTH OF PENNSYLVANIA
DEPARTMENT OF GENERAL SERVICES
HARRISBURG**

For: All using Agencies of the Commonwealth
Subject: Aftermarket LD Parts
Contract Period: Beginning 07/01/2005 and Ending 06/30/2007
Commodity Specialist Name: Susan L Reinhold

CHANGE SUMMARY:

In accordance with the Special Terms and conditions, Manufacturer's Jobber price lists have been updated as listed in the attached list. Only those Price lists highlighted represent changes. All others remain the same and are listed for information only.

ALL OTHER TERMS AND CONDITIONS OF THIS AGREEMENT NOT CHANGED BY THIS CHANGE NOTICE REMAIN AS ORIGINALLY WRITTEN.

Change Effective Date: 12/11/2006

**COMMONWEALTH OF PENNSYLVANIA
DEPARTMENT OF GENERAL SERVICES
HARRISBURG**

For: All using Agencies of the Commonwealth
Subject: Aftermarket LD Parts
Contract Period: Beginning 07/01/2005 and Ending 06/30/2007
Commodity Specialist Name: Susan L Reinhold

CHANGE SUMMARY:

By issuance of this Change Notice, Phase IV rollout for the attached list of 24 locations is effective. Roll out for all other facilities not yet included will be in a rolling phase in to be completed from January 2, 2006 through March 1, 2007. Registered Facilities will be contacted by the Supplier as they are included. Any facility not contacted by March 1, 2007 shall be included as of that date and shall contact the supplier, Parts Central, at 1-800-257-7972.

ALL OTHER TERMS AND CONDITIONS OF THIS AGREEMENT NOT CHANGED BY THIS CHANGE NOTICE REMAIN AS ORIGINALLY WRITTEN.

Contract Reference Number: 2420-03
Collective Number: CN00010658
SAP Contract Number: 4600010293
Change Number: 8
Change Effective Date: 6/5/2007

**COMMONWEALTH OF PENNSYLVANIA
DEPARTMENT OF GENERAL SERVICES
HARRISBURG**

For: All using Agencies of the Commonwealth
Subject: Aftermarket LD Parts
Contract Period: Beginning 07/01/2005 and Ending 06/30/2007
Commodity Specialist Name: Susan L Reinhold

CHANGE SUMMARY:

- A letter of approval of renewal has been received and accepted from the Contractor. In accordance with the Special Terms and conditions, this contract has been renewed for a period of 1 year. The new End Date for this Contract is 6/30/2008.

ALL OTHER TERMS AND CONDITIONS OF THIS AGREEMENT NOT CHANGED BY THIS CHANGE NOTICE REMAIN AS ORIGINALLY WRITTEN.

Contract Reference Number: 2420-03
Collective Number: CN00010658

Change Effective Date: 7/24/2007

**COMMONWEALTH OF PENNSYLVANIA
DEPARTMENT OF GENERAL SERVICES
HARRISBURG**

For: All using Agencies of the Commonwealth
Subject: Aftermarket LD Parts
Contract Period: Beginning 07/01/2005 and Ending 06/30/2008
Commodity Specialist Name: Susan L Reinhold

CHANGE SUMMARY:

- In order to accommodate the inventory of parts by agencies using SAP Plant Maintenance, Line numbers 221 through 569 have been added to the contract at the current contract price. These lines represent a list of specific filters and a listed price as well as a Material number. For Agencies not involved in SAP Plant Maintenance no change in procedure is required. No Change of price is reflected in this change.

ALL OTHER TERMS AND CONDITIONS OF THIS AGREEMENT NOT CHANGED BY THIS CHANGE NOTICE REMAIN AS ORIGINALLY WRITTEN.

The Commonwealth of Pennsylvania, through the Department of General Services, accepts the submission of the Bidder/Contractor for the awarded item(s) at the price(s) set forth below in accordance with: 1) the RFQ submitted by the Bidder/Contractor, if any; 2) the documents attached to this Contract or incorporated by reference, if any, and 3) the contract terms and conditions stored on the website address at www.dgs.state.pa.us for this type of Contract as of the date of the RFQ, if any, or other solicitation for this Contract, all of which, as appropriate, are incorporated herein by reference. When the Bidder/Contractor receives an order from a Commonwealth agency, the order constitutes the Bidder/Contractor's authority to furnish the item(s) to the agency at the time(s) and place(s) specified in the order. RFQ, as used herein, means Request for Quotations, Invitation for Bids, Invitation to Qualify, or Request for Proposals, as appropriate.
