Item #2160 will remain unchanged for the first year of the contract. After the first year, the awarded contractor(s) may request updates to the awarded pricing of item #2160 to reflect manufacturer price increases, deletions and substitutions of manufacturer's discontinued items, and the introduction of new products once every quarter during the months of January, April, July and October. Vendors shall submit a letter to the appropriate buyer listed herein requesting review and approval of the update(s) to the non-core items. Agencies will have to give written justification for selection of the contractor who is not the lowest bidder. The Commonwealth reserves the right to automatically award to bidder two (2) or three (3) for any subsequent awards for that line item which bidder could not supply. The
