SPECIAL CONTRACT TERMS AND CONDITIONS

CONTRACT SCOPE/OVERVIEW: This Contract (identified here and in the other documents as the "Contract") will cover the requirements of Commonwealth agencies for **Customer Service Systems and Supplies**.

ORDER OF PRECEDENCE: These Special Contract Terms and Conditions supplement the Standard Contract Terms and Conditions For Statewide Contracts for Supplies. To the extent that these Special Contract Terms and Conditions conflict with the Standard Contract Terms and Conditions For Statewide Contracts for Supplies, these Special Contract Terms and Conditions shall prevail.

TERM OF CONTRACT: The Contract shall commence on the Effective Date of award and expire on June 30, 2008.

OPTION TO EXTEND: The Department of General Services reserves the right, upon notice to the Contractor, to extend the Contract or any part of the Contract for up to three (3) months upon the same terms and conditions. This will be utilized to prevent a lapse in Contract coverage and only for the time necessary, up to three (3) months, to enter into a new contract.

OPTION TO RENEW: The contract or any part of the contract may be renewed for an additional one (1) year term by mutual agreement between the Commonwealth and the Contractor. If the Contract is renewed the same terms and conditions shall apply. This renewal shall be limited to two (2) one year terms.

OPTION FOR SEPARATE COMPETITIVE BIDDING PROCEDURE: The Department of General Services reserves the right to purchase supplies covered under this Contract through a separate competitive bidding procedure, whenever the department deems it to be in the best interest of the Commonwealth. The right will generally be exercised only when a specific need for a large quantity of the supply exists or the price offered is significantly lower than the Contract price.

ANCILLARY SERVICES: The supplier may offer ancillary services in conjunction with the hardware items they provide to the Commonwealth. Examples of permissible services are equipment configuration/setup, hardware/software test and load, board level enhancements, and training on equipment use. The Commonwealth reserves the right to restrict the type of services which may be used in conjunction with this contract. Questions regarding acceptable ancillary services must be addressed, to the contract buyer, in writing.

EQUIPMENT: All items offered by the bidder are new. A new item is one that is used first by the Commonwealth after it is manufactured or produced. Used, remanufactured or reconditioned items are not acceptable. This clause will not be construed to prohibit bidders from offering goods, supplies, equipment, materials or print with recycled content, provided the item is new.

WARRANTY: Warranty information for equipment purchased using this contract is listed in the following table. Specify the length of the warranty period for each type, if applicable.

Warranty Type	Parts	Labor
On-Site	1 yr from time of purchase	1 yr from time of purchase
Depot	1 yr from time of purchase	1 yr from time of purchase

DELIVERY TIME:

The contractor must deliver equipment within thirty (30) working days after receipt of a purchase order, unless otherwise specified in the purchase order.

E-CATALOG: The Commonwealth may require the supplier to supply its price list/catalog and any updated price lists/catalogs in electronic format. Price lists/catalogs must be provided in one of the following formats: Word document, Excel spreadsheet, or PDF file on "read only" 3.5 inch diskette, "read only compact disk, or e-mail.

UPDATE OPTION: Supplier may update the contract price lists/catalogs at any time during the contract period to reflect new products, manufacturer's price increases and deletion of discontinued products, however, the percentage discount bid must remain the same. The first update is allowed after the contract has been in effect for three months. If contractor adds products, those products must be current in the price lists/catalogs or the purchase orders will be rejected.

EXCLUSION FOR AGENCIES USING FEDERAL ASSISTANCE MONIES: Federal assistance agreements require the Pennsylvania Department of Transportation ("PennDOT") and other Pennsylvania state and local transportation entities to comply with federal Disadvantaged Business Enterprises (DBE) as defined in federal law and in regulations set forth in 49 C.F.R. Part 26 when federal assistance monies are used for any procurement. Therefore, unless the purchasing agency is satisfied that the Contractor(s) will meet federal DBE requirements, these entities may be prohibited from procuring under this Contract utilizing federal assistance monies. Federal DBE participation requirements are separate and distinct from any Disadvantaged Business participation provisions that have been included in the request for proposal and contract pursuant to the Commonwealth of Pennsylvania's program to increase contract participation by Department of General Services-certified Minority Business Enterprises and Women Business Enterprises and other disadvantages businesses. In those limited instances, when PennDOT or another state or local transportation entity intends to use federal assistance monies for a procurement, the Contractor(s) acknowledges that these entities may enter into additional separate contracts for the procurement of goods and/or services covered under this Contract, without limitation or penalty, to the extent that such separate procurements are funded with federal assistance monies and when compliance federal DBE participation requirements is necessary.

MINIMUM ORDER: \$100.00.
