SPECIAL CONTRACT TERMS AND CONDITIONS

CONTRACT SCOPE/OVERVIEW: This Contract will cover the requirements of the Commonwealth's Department of Labor and Industry for Vending Machines as specified under the "Little Randolph-Sheppard Act" providing for the operation of vending facilities by licensed blind persons as specified and administered by the Bureau of Blindness and Visual Services within the Department of Labor and Industry (Using Agency).

ORDER OF PRECEDENCE: These Special Contract Terms and Conditions supplement the Standard Contract Terms and Conditions for Statewide Contracts for Supplies. To the extent that these Special Contract Terms and Conditions conflict with the Standard Contract Terms and Conditions for Statewide Contracts for Supplies, these Special Contract Terms and Conditions shall prevail.

TERM OF CONTRACT: The Contract shall commence on the Effective Date, which shall be no earlier than September 1, 2006 and expire on August 31, 2007.

OPTION TO EXTEND: The Department of General Services reserves the right, upon notice to the Supplier, to extend the Contract or any part of the Contract for up to three (3) months upon the same terms and conditions. This will be utilized to prevent a lapse in Contract coverage and only for the time necessary, up to three (3) months, to enter into a new contract.

OPTION FOR SEPARATE COMPETITIVE BIDDING PROCEDURE: The Department of General Services reserves the right to purchase supplies covered under this Contract through a separate competitive bidding procedure, whenever the department deems it to be in the best interest of the Commonwealth. The right will generally be exercised only when a specific need for a large quantity of the supply exists or the price offered is significantly lower than the Contract price.

AMERICANS WITH DISABILITIES ACT: All units provided under this contract shall meet all applicable requirements of the Americans with Disabilities Act (ADA).

ELIGIBILITY: In order to be eligible for award, a bidder must be the manufacturer of offered products or an authorized dealer or supplier of the manufacturer's products. If a bidder is not the manufacturer of offered products, bidder must include with its bid a letter signed by the manufacturer stating the bidder is authorized to sell the manufacturer's products, and also provide a letter authorizing the dealer to bid the manufacturer line direct. The manufacturer will honor any responsibilities under warranty for products sold by bidder, if bidder fails to perform such service. Bidders failing to provide signed, manufacturer's letter attesting to authorization to sell/bid manufacturer's product may result in rejection of bid.

PRICE LISTS FOR REPAIR PARTS: Bidders of Machine Maintenance shall submit both a hard copy and an electronic copy (preferably on a CD), of applicable Original Equipment Manufacturer's Price Lists for Repair Parts with their bids. Repair Parts Price lists are required for the sole purpose of providing a reference to the various items on the price list and the manufacturer's price for each item. Any reference, which may appear on any price list, to any terms and conditions, such as, F.O.B. Shipping Point or prices subject to change, will not be part of any contract with the successful bidder(s) and will be disregarded by the Commonwealth. All Repair Parts Price Lists must be identified by title and effective date on the Bid Item Sheets for Machine Maintenance.

AWARDS: Awards will be made on a Multiple Award basis. Multiple Award meaning that all items bid by responsive and responsible bidders, in accordance with the Bid Item Sheet listings, may be awarded. However, only a single award will be made for any given manufacturer's

specific Vending Machine Model. **Award to be based on the lowest Total Unit Net Price which is to include the Base Model Vending Unit with Standard Coin Mechanism and Standard Bill Validator.**

Let it be understood that the Items and Prices quoted in the "Available Options" and "Machine Maintenance" sections on the Bid Item Sheets, although not a factor in the award determination, shall be firm prices.

QUANTITIES: Purchase Orders may or may not be written for awarded items on this Contract depending on actual Using Agency needs.

PRODUCT/PRICE UPDATE: Prices bid shall remain firm for the initial contract period (one year). If this contract is offered for renewal for an additional year(s) the Awarded Suppliers may update their pricing one (1) time during the contract renewal period to reflect new products, manufacturer's price changes, and deletion of discontinued products.

At no time are awarded Suppliers allowed to unilaterally change products or pricing. Orders will be monitored to ensure compliance.

Warranty service may be performed at the Using Agency Site or at the Supplier's Service Center, however, the Supplier shall be responsible for the removal, shipping, transportation, and installation costs involved with the repair or replacement. - B) During the warranty period, Supplier agrees to repair or replace any defective part(s) without charge to the Using Agency as outlined under these specifications. All parts removed shall become the property of the Supplier.
