More will be added to the Tips & Tricks as they become available.

Not sure of a Contract Number? Click on [> View List of Contracts](#) link on the Search Contracts Page. You can search for a contract by description or keyword. Once you click on the hyperlinked contract number all of the suppliers for that particular contract will populate. You can also export the entire contract list to excel for your use, but please note that this list could change on a daily basis.

Searching and Viewing Solicitations

Select Solicitations on the <http://www.emarketplace.state.pa.us>

The screenshot shows the PA eMarketplace website. At the top, there is a navigation bar with the PA eMarketplace logo and links for Supplier Service Center, Bureau of Procurement, and PA Treasury Contract Site.
