SPECIAL CONTRACT TERMS AND CONDITIONS

These SPECIAL TERMS AND CONDITIONS shall be a part of the Statewide Requirements Contract For Goods Manufactured and Services Performed By Persons With Disabilities between the Commonwealth of Pennsylvania, acting through the Department of General Services ("Department") and Pennsylvania Industries for the Blind and Handicapped ("PIBH").

1. CONTRACT/SCOPE/OVERVIEW:

This Contract, SAP Contract No. 4600009099, (Legacy No. 9980-02), (identified here and in other documents as the "Contract") will cover the requirements of Commonwealth agencies for goods manufactured and services performed by persons with disabilities ("Goods and Services") in accordance with the requirements of the operational agreement between the parties ("Operational Agreement").

2. ORDER OF PRECEDENCE:

These Special Contract Terms and Conditions supplement the Standard Contract Terms and Conditions for Statewide Contracts for Supplies and Services, as applicable. To the extent that these Special Contract Terms and Conditions conflict with the applicable Standard Contract Terms and Conditions, these Special Contract Terms and Conditions shall prevail.

3. TERM OF CONTRACT:

This Contract shall commence on the Effective Date, which will be fixed by the Department after Contract execution. The Department shall notify PIBH of the effective date in writing. The Contract shall terminate 60 days after one party gives the other party written notice of termination, subject to any other applicable Contract provisions, including without limitation the provisions in Section XVII. of the Operational Agreement, "Non-Compliance".

4. CATALOG:

PIBH shall maintain a catalog ("Catalog") identifying all Goods. The catalog shall also include any Services appropriate for inclusion, as identified by mutual consent of the parties.

- a. On an annual basis, upon the Department's review and approval, PIBH agrees to print and distribute the Catalog to all Commonwealth agencies.
- b. Within two weeks of completion of the annual printing, PIBH agrees to provide copies of the Catalog to all Commonwealth agencies the Department has identified as requiring Catalog copies, at no cost to the Commonwealth (including its agencies). PIBH shall furnish additional Catalog copies to any requesting Commonwealth agency within ten calendar days after the agency's request.

5. FAIR MARKET PRICE:

The Commonwealth shall not purchase, and PIBH shall not sell to the Commonwealth, any Goods or Services for which the Department has not first established a fair market price. For Goods and Services not priced in the Catalog, Commonwealth Purchasing Agencies shall submit their requests for fair market price determinations to the Program Manager of this Contract.

6. DELIVERIES OF GOODS:

All Goods shall be delivered F.O.B. Destination (to any point within the Commonwealth of Pennsylvania) within a reasonable time, not to exceed 30 calendar days after receipt of the

applicable purchase order, unless otherwise agreed to, in writing, between the Commonwealth Purchasing Agency and PIBH.

7. CHANGE ORDERS:

The Program Manager may issue change orders against this Contract to add and/or delete Goods or Services, and to incorporate the most current Department-approved PIBH Catalog. In addition, if both parties agree, the Program Manager may issue a change order to incorporate the most current revision of the Department's Standard Terms and Conditions for Supplies and Services.

8. RETURN POLICY:

If a Commonwealth Purchasing Agency receives damaged or defective Goods, PIBH will replace the damaged or defective Goods at no charge to the purchasing agency. For any warranty/return issue, the Commonwealth Purchasing Agency will return the Goods to PIBH for full credit or a replacement, and PIBH will be responsible to return the damaged or defective Goods to its affiliated agency.

9. PRICE ADJUSTMENTS:

The Commonwealth understands that the costs of materials and labor related to the Contract are likely to fluctuate during the term of this Contract. Therefore, for Goods and Services, the Program Manager shall adjust the unit prices based on the terms contained in the Operational Agreement between the Department and PIBH. For Service contracts and purchase orders, where the Program Manager has not included a price adjustment in the Catalog, the Commonwealth Purchasing Agency shall adjust the unit prices based on the terms contained in the Operational Agreement between the Department and PIBH.

- a. Any re-established fair market price and/or Department-approved price adjustment shall be effective for new Contract purchase orders placed on or after the effective date of the increase.
- b. Both parties agree that the Commonwealth shall be given the immediate benefit of any price decrease. PIBH shall promptly notify the Department's Program Manager of the amount and effective date of any decrease. Invoices shall reflect Contract prices in effect on the date the applicable Contract purchase order was written.

11. MINIMUM ORDER:

There is no minimum order for shipments qualifying for F.O.B. delivered prices.

12. COSTARS PROGRAM:

PIBH understands that the Department, via its COSTARS program, permits local public procurement units ("LPPUs") and state-related entities, as those entities are defined in Section 1901 of the Commonwealth Procurement Code, 62 Pa.C.S. § 1901, to purchase Goods and Services from certain statewide contracts for which the Department is the overall purchasing entity. PIBH specifically agrees that the Department-registered LPPUs and state-affiliated entities shall be eligible purchasers of PIBH Goods and Services, and any other item for which the Department has established a fair market price.

- a. PIBH shall require its affiliated agencies to provide, under the same terms and conditions as those applied to a Commonwealth agency under this Contract, any Goods and Services requested by any Department-registered COSTARS member submitting a purchase order at the Department-established fair market price.

b. PIBH shall require its affiliated agencies to provide monthly reports of any COSTARS member purchases of Goods or Services under this Contract ("Reports"). PIBH shall compile the Reports and furnish to the Department's COSTARS Division no later than the 15th of the following month, preferably in spreadsheet format, a combined electronic COSTARS sales report for all PIBH affiliate agencies. PIBH shall e-mail the Reports to both splecker@state.pa.us and begoodling@state.pa.us, or to such other e-mail addresses as the Department may from time to time provide in writing to PIBH. Each report should include the name and address of each PIBH affiliate agency supplying goods or services to COSTARS purchasers as well as the specific reporting period covered. The report should list the following information for each order received:

- Item No. (where applicable)
- Material Code (where applicable)
- Description
- Quantity
- Unit Price
- Total Price
- Name of COSTARS member purchaser

PIBH shall direct any questions regarding the COSTARS program to Susan Plecker, COSTARS Systems Coordinator, at 717-787-1105 or 1-866-768-7827.

13. ANTI-SWEATSHOP PROCUREMENT POLICY:

As required by Executive Order 2004-4 (Anti-Sweatshop Procurement Policy), the Department (or other Commonwealth Purchasing Agencies) shall not enter into a contract for the procurement of apparel unless and until the Department (or other Commonwealth Purchasing Agency) determines, in its sole discretion, that the apparel will not be manufactured in a facility that utilizes sweatshop conditions.

PIBH shall complete a certification form and provide a complete list of raw material suppliers/subcontractors for each of these contract purchase orders (refer to the most current revision of the Anti-Sweatshop Clause and Anti-Sweatshop Certification Form stored on the website address at <http://www.dgs.state.pa.us>). PIBH shall submit this documentation to the Commonwealth Purchasing Agency for each contract purchase order issued against this Contract.

14. PROGRAM MANAGER

The Program Manager for this contract is:

Betty J. Goodling
begoodling@state.pa.us
Bureau of Procurement
Programs & Systems Division
Forum Place, 6th Floor

**STANDARD CONTRACT
TERMS AND CONDITIONS
FOR DEPARTMENT OF GENERAL SERVICES
STATEWIDE CONTRACTS FOR SUPPLIES - SAP**

1. TERM OF CONTRACT

The term of the Contract shall commence on the Effective Date (as defined below) and shall end on the Expiration Date identified in the Contract, subject to the other provisions of the Contract.

The Effective Date shall be: a) the date the Contract has been fully executed by the Contractor and by the Commonwealth and all approvals required by Commonwealth contracting procedures have been obtained or b) the date referenced in the Special Contract Terms and Conditions and whichever is later. The Contract shall not be a legally binding contract until after the fully-executed Contract has been sent to the Contractor.

The fully executed Contract shall not contain "ink" signatures by the Commonwealth. The Contractor understands and agrees that the receipt of an electronically-printed Contract with the printed name of the Commonwealth purchasing agent constitutes a binding, valid contract with the Commonwealth. The printed name of the purchasing agent on the Contract represents the signature of that individual who is authorized to bind the Commonwealth to the obligations contained in the Contract. The printed name also represents that all approvals required by Commonwealth contracting procedures have been obtained.

The Contractor shall not start performance until all of the following have occurred: a. the Effective Date has arrived; b. the Contractor has received a copy of the fully-executed Contract; and c. the Contractor has received a purchase order from a Commonwealth agency. The Commonwealth shall not be liable to pay the Contractor for any supply furnished or work performed or expenses incurred before the Effective Date or before the Contractor receives a copy of the fully-executed Contract or before the Contractor has received a purchase order. Except as otherwise provided in Paragraph 3, no Commonwealth employee has the authority to verbally direct the commencement of any work or delivery of any supply under this Contract prior to the Effective Date.

The Commonwealth reserves the right, upon notice to the Contractor, to extend the term of the Contract, or any part of the Contract, for up to three (3) months upon the same terms and conditions. This will be utilized to prevent a lapse in Contract coverage and only for the time necessary, up to three (3) months, to enter into a new Contract.

2. ESTIMATED QUANTITIES

It shall be understood and agreed that any quantities listed in the Contract are estimated only and may be increased or decreased in accordance with the actual requirements of the Commonwealth and that the Commonwealth in accepting any bid or portion thereof, contracts only and agrees to purchase only in such quantities as represent the actual requirements of the Commonwealth. The Commonwealth reserves the right to purchase items covered under the Contract through a separate procurement procedure, whenever the Department of General Services deems it to be in the best interest of the Commonwealth.

3. PURCHASE ORDERS

Commonwealth agencies may issue purchase orders against the Contract. These orders constitute the Contractor's authority to make delivery. All purchase orders received by the Contractor up to and including the expiration date of the Contract are acceptable and must be performed in accordance with the Contract. Contractors are not permitted to accept purchase orders which require performance extended beyond those performance time periods specified in the Contract but in no event longer than ninety (90) days after the expiration date of the Contract period. Each purchase order will be deemed to incorporate the terms and conditions set forth in the Contract.

Purchase orders will not include an "ink" signature by the Commonwealth. The electronically-printed name of the purchaser represents the signature of that individual who has the authority, on behalf of the Commonwealth, to authorize the Contractor to proceed.

Purchase orders may be issued electronically or through facsimile equipment. The electronic transmission of a purchase order shall require acknowledgement of receipt of the transmission by the Contractor. Receipt of the electronic or facsimile transmission of the purchase order shall constitute receipt of an order. Orders received by the Contractor after 4:00 p.m. will be considered received the following business day.

The Commonwealth and the Contractor specifically agree as follows:

- a. No handwritten signature shall be required in order for the purchase order to be legally enforceable.
- b. Upon receipt of an order, the Contractor shall promptly and properly transmit an acknowledgement in return. Any order which is issued electronically shall not give rise to any obligation to deliver on the part of the Contractor, or any obligation to receive and pay for delivered products on the part of the Commonwealth agency, unless and until the Commonwealth agency transmitting the order has properly received an acknowledgement.
- c. The parties agree that no writing shall be required in order to make the order legally binding, notwithstanding contrary requirements in any law. The parties hereby agree not to contest the validity or enforceability of a genuine purchase order or acknowledgement issued electronically under the provisions of a statute of frauds or any other applicable law relating to whether certain agreements be in writing and signed by the party bound thereby. Any genuine purchase order or acknowledgement issued electronically, if introduced as evidence on paper in any judicial, arbitration, mediation, or administrative proceedings, will be admissible as between the parties to the same extent and under the same conditions as other business records originated and maintained in documentary form. Neither party shall contest the admissibility of copies of genuine purchase orders or acknowledgements under either the business records exception to the hearsay rule or the best evidence rule on the basis that the order or acknowledgement were not in writing or signed by the parties. A purchase order or acknowledgment shall be deemed to be genuine for all purposes if it is transmitted to the location designated for such documents.
- d. Each party will immediately take steps to verify any document that appears to be obviously garbled in transmission or improperly formatted to include re-transmission of any such document if necessary.

Purchase orders under three thousand dollars (\$3,000) in total amount may also be made in person or by telephone using a Commonwealth Procurement VISA Card. When an order is placed by telephone, the Commonwealth agency shall provide the agency name, employee name, credit card number, and expiration date of the card. Contractors agree to accept payment through the use of the Commonwealth Procurement VISA card.

4. INDEPENDENT CONTRACTOR

In performing the obligations required by the Contract, the Contractor will act as an independent contractor and not as an employee or agent of the Commonwealth.

5. COMPLIANCE WITH LAW

The Contractor shall comply with all applicable federal and state laws and regulations and local ordinances in the performance of the Contract.

6. ENVIRONMENTAL PROVISIONS

In the performance of the Contract, the Contractor shall minimize pollution and shall strictly comply with all applicable environmental laws and regulations.

7. POST-CONSUMER RECYCLED CONTENT

Except as specifically waived by the Department of General Services in writing, any products which are provided to the Commonwealth as a part of the performance of the Contract must meet the minimum percentage levels for total recycled content as specified in Exhibits A-1 through A-8 to these Standard Contract Terms and Conditions.

8. COMPENSATION/INVOICES

The Contractor shall be required to furnish the awarded item(s) at the price(s) quoted in the Contract. All item(s) shall be delivered within the time period(s) specified in the Contract. The Contractor shall be compensated only for item(s) which are delivered and accepted by the Commonwealth.

Unless otherwise specified or unless the Contractor has been authorized by the Commonwealth for Evaluated Receipt Settlement or Vendor Self-Invoicing, the Contractor shall send an invoice itemized by purchase order line item to the address referenced on the purchase order promptly after the item(s) are delivered. The invoice should include only amounts due under the purchase order. The purchase order number must be included on all invoices.

9. PAYMENT

- a. The Commonwealth shall put forth reasonable efforts to make payment by the required payment date. The required payment date is: (a) the date on which payment is due under the terms of the Contract; (b) thirty (30) days after a proper invoice actually is received at the "Bill To" address on the contract purchase order, if a date on which payment is due is not specified in the Contract (a "proper" invoice is not received until the Commonwealth accepts the item(s) as satisfactorily performed); or (c) the payment date specified on the invoice if later than the dates established by (a) and (b) above. Payment may be delayed if the payment amount on an invoice is not based upon the price(s) as stated in the Contract. If any payment is not made within fifteen (15) days after the required payment date, the Commonwealth may pay interest as determined by the Secretary of Budget in accordance with Act No. 266 of 1982 and regulations promulgated pursuant thereto. Payment should not be construed by the Contractor as acceptance of the item(s) furnished by the Contractor. The Commonwealth reserves the right to conduct further testing and inspection after payment, but within a reasonable time after delivery, and to reject the item(s) if such post payment testing or inspection discloses a defect or a failure to meet specifications. The Contractor agrees that the Commonwealth may set off the amount of any state tax liability or other obligation of the Contractor or its subsidiaries to the Commonwealth against any payments due the Contractor under any contract with the Commonwealth.
- b. The Commonwealth shall have the option of using the Commonwealth Purchasing Card to make purchases under the Contract. The Commonwealth Purchasing Card is similar to a credit card in that there will be a small fee which the Contractor will be required to pay and the Contractor will receive payment directly from the card issuer rather than the Commonwealth. Any and all fees related to this type of payment are the responsibility of the Contractor. In no case will the Commonwealth allow increases in prices to offset credit card fees paid by the Contractor or any other charges incurred by the Contractor, unless specifically stated in the terms of the Contract.

10. TAXES

The Commonwealth is exempt from all excise taxes imposed by the Internal Revenue Service and has accordingly registered with the Internal Revenue Service to make tax free purchases under Registration No. 2374001-K. With the exception of purchases of the following items, no exemption certificates are required and none will be issued: undyed diesel fuel, tires, trucks, gas guzzler emergency vehicles, and sports fishing equipment. The Commonwealth is also exempt from Pennsylvania state sales tax, local sales tax, public transportation assistance taxes and fees and vehicle rental tax. The Department of Revenue regulations provide that exemption certificates are not required for sales made to governmental entities and none will be issued. Nothing in this paragraph is meant to exempt a construction contractor from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental, or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction contract.

11. WARRANTY

The Contractor warrants that all item(s) furnished by the Contractor, its agents and subcontractors shall be free and clear of any defects in workmanship or materials. The Contractor shall pass through to the Commonwealth the manufacturer's warranty for all parts or supplies provided under the Contract. The Contractor shall correct any problem with the service and/or replace any defective part with a part of equivalent or superior quality without any additional cost to the Commonwealth.

12. DELIVERY

All item(s) shall be delivered F.O.B. Destination. The Contractor agrees to bear the risk of loss, injury, or destruction of the item(s) ordered prior to receipt of the items by the Commonwealth. Such loss, injury, or destruction shall not release the Contractor from any contractual obligations. Except as otherwise provided in Paragraph 20, all item(s) must be delivered within the time period specified on the contract purchase order. Time is of the essence and, in addition to any other remedies, the contract purchase order is subject to termination for failure to deliver as specified. Unless otherwise stated by the Contractor in its Bid or indicated in the Special Contract Terms and Conditions, delivery must be made within thirty (30) days after award of the Contract Purchase Order.

13. PATENT, COPYRIGHT, AND TRADEMARK INDEMNITY

The Contractor warrants that it is the sole owner or author of, or has entered into a suitable legal agreement concerning either: a) the design of the item(s) or the process provided or used in the performance of the purchase order which is covered by a patent, copyright, or trademark registration or other right duly authorized by state or federal law or b) any copyrighted matter in any report document or other material provided to the Commonwealth under the purchase order. The Contractor shall defend any suit or proceeding brought against the Commonwealth on account of any alleged patent, copyright or trademark infringement in the United States of the item(s) provided or used in the performance of the Contract. This is upon condition that the Commonwealth shall provide prompt notification in writing of such suit or proceeding; full right, authorization and opportunity to conduct the defense thereof; and full information and all reasonable cooperation for the defense of same. As principles of governmental or public law are involved, the Commonwealth may participate in or choose to conduct, in its sole discretion, the defense of any such action. If information and assistance are furnished by the Commonwealth at the Contractor's written request, it shall be at the Contractor's expense, but the responsibility for such expense shall be only that within the Contractor's written authorization.

The Contractor shall indemnify and hold the Commonwealth harmless from all damages, costs, and expenses, including attorney's fees that the Contractor or the Commonwealth may pay or incur by reason of any infringement or violation of the rights occurring to any holder of copyright, trademark, or patent interests and rights in any item(s) provided or used in the performance of the purchase order. If any of the item(s) provided by the Contractor are held in such suit or proceeding to constitute infringement and the use is enjoined, the Contractor shall, at its own expense and at its option, either procure the right to continue use of such infringement item(s), replace them with noninfringement equal performance item(s) or modify them so that they are no longer infringing. If the Contractor is unable to do any of the preceding, the Contractor agrees to remove all the equipment or software which is obtained contemporaneously with the infringing item(s), or, at the option of the Commonwealth, only those items of equipment or software which are held to be infringing, and to pay the Commonwealth: 1) any amounts paid by the Commonwealth towards the item(s) of the product, less straight line depreciation; 2) any license fee paid by the Commonwealth for the use of any software, less a reasonable amount for the period of usage; and 3) the pro rata portion of any maintenance fee representing the time remaining in any period of maintenance paid for. The obligations of the Contractor under this paragraph continue without time limit. No costs or expenses shall be incurred for the account of the Contractor without its written consent.

14. OWNERSHIP RIGHTS

The Commonwealth shall have unrestricted authority to reproduce, distribute, and use any submitted report, data, or material, and any software or modifications and any associated documentation that is designed or developed and delivered to the Commonwealth as part of the performance of the Contract.

15. ASSIGNMENT OF ANTITRUST CLAIMS

The Contractor and the Commonwealth recognize that in actual economic practice, overcharges by the Contractor's suppliers resulting from violations of state or federal antitrust laws are in fact borne by the Commonwealth. As part of the consideration for the award of the Contract, and intending to be legally bound, the Contractor assigns to the Commonwealth all right, title and interest in and to any claims the Contractor now has, or may acquire, under state or federal antitrust laws relating to the supplies and services which are the subject of the Contract.

16. HOLD HARMLESS PROVISION

The Contractor shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all claims, demands and actions based upon or arising out of any activities performed by the Contractor and its employees and agents under this Contract and shall, at the request of the Commonwealth, defend any and all actions brought against the Commonwealth based upon any such claims or demands.

17. AUDIT PROVISIONS

The Commonwealth shall have the right, at reasonable times and at a site designated by the Commonwealth, to audit the books, documents and records of the Contractor to the extent that the books, documents and records relate to costs or pricing data for the Contract. The Contractor agrees to maintain records which will support the prices charged and costs incurred for the Contract.

The Contractor shall preserve books, documents, and records that relate to costs or pricing data for the Contract for a period of three (3) years from date of final payment. The Contractor shall give full and free access to all records to the Commonwealth and/or their authorized representatives.

18. INSPECTION AND REJECTION

No item(s) received by the Commonwealth shall be deemed accepted until the Commonwealth has had a reasonable opportunity to inspect the item(s). Any item(s) which is discovered to be defective or fails to conform to the specifications may be rejected upon initial inspection or at any later time if the defects contained in the item(s) or the noncompliance with the specifications were not reasonably ascertainable upon the initial inspection. It shall thereupon become the duty of the Contractor to remove rejected item(s) from the premises without expense to the Commonwealth within fifteen (15) days after notification. Rejected item(s) left longer than fifteen (15) days will be regarded as abandoned, and the Commonwealth shall have the right to dispose of them as its own property and shall retain that portion of the proceeds of any sale which represents the Commonwealth's costs and expenses in regard to the storage and sale of the item(s). Upon notice of rejection, the Contractor shall immediately replace all such rejected item(s) with others conforming to the specifications and which are not defective. If the Contractor fails, neglects or refuses to do so, the Commonwealth shall then have the right to procure a corresponding quantity of such item(s), and deduct from any monies due or that may thereafter become due to the Contractor, the difference between the price stated in the Contract and the actual cost thereof to the Commonwealth.

19. DEFAULT

a. The Commonwealth may, subject to the provisions of Paragraph 20, Force Majeure, and in addition to its other rights under the Contract, declare the Contractor in default by written notice thereof to the Contractor, and terminate (as provided in Paragraph 21, Termination Provisions) the whole or any part of this Contract including a purchase order, for any of the following reasons:

- 1) Failure to deliver the awarded item(s) within the time specified in the Contract or contract purchase order or as otherwise specified;
- 2) Improper delivery;

- 3) Failure to provide an item(s) which is in conformance with the specifications referenced in the Invitation For Bids;
 - 4) Delivery of a defective item;
 - 5) Failure or refusal to remove and replace any item(s) rejected as defective or nonconforming within fifteen (15) days after notification;
 - 6) Insolvency or bankruptcy;
 - 7) Assignment made for the benefit of creditors;
 - 8) Failure to protect, to repair, or to make good any damage or injury to property; or
 - 9) Breach of any provision of this Contract.
- b. In the event that the Commonwealth terminates this Contract in whole or in part as provided in Subparagraph a. above, the Commonwealth may procure, upon such terms and in such manner as it determines, on item(s) similar or identical to those so terminated, and the Contractor shall be liable to the Commonwealth for any reasonable excess costs for such similar or identical item(s) included within the terminated part of the Contract.
- c. If the Contract is terminated in whole or in part as provided in Subparagraph a. above, the Commonwealth, in addition to any other rights provided in this paragraph, may require the Contractor to transfer title and deliver immediately to the Commonwealth in the manner and to the extent directed by the Department of General Services, such partially manufactured or delivered item(s) as the Contractor has specifically produced or specifically acquired for the performance of such part of the Contract as has been terminated. Except as provided below, payment for any partially manufactured or delivered item(s) accepted by the Commonwealth shall be in an amount agreed upon by the Contractor and the Commonwealth. The Commonwealth may withhold from amounts otherwise due the Contractor for such partially manufactured or delivered item(s), such sum as the Commonwealth determines to be necessary to protect the Commonwealth against loss.
- d. The rights and remedies of the Commonwealth provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- e. The Commonwealth's failure to exercise any rights or remedies provided in this paragraph shall not be construed to be a waiver by the Commonwealth of its rights and remedies in regard to the event of default or any succeeding event of default.
- f. Following exhaustion of the Contractor's administrative remedies as set forth in Paragraph 22, the Contractor's exclusive remedy shall be to seek damages in the Board of Claims.

20. FORCE MAJEURE

Neither party will incur any liability to the other if its performance of any obligation under this Contract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but are not limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemics and quarantines, general strikes throughout the trade, and freight embargoes.

The Contractor shall notify the Commonwealth orally within five (5) days and in writing within ten (10) days of the date on which the Contractor becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effect on performance, (ii) state whether performance under the contract is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. The Contractor shall have the burden of proving that such cause(s) delayed or prevented its performance despite its diligent efforts to perform and shall produce such supporting documentation as the Commonwealth may reasonably request. After receipt of such notification, the Commonwealth may elect

either to cancel the Contract or to extend the time for performance as reasonably necessary to compensate for the Contractor's delay.

In the event of a declared emergency by competent governmental authorities, the Commonwealth by notice to the Contractor, may suspend all or a portion of the Contract.

21. TERMINATION PROVISIONS

The Commonwealth has the right to terminate this Contract for any of the following reasons. Termination shall be effective upon written notice to the Contractor.

- a. **TERMINATION FOR CONVENIENCE:** The Commonwealth shall have the right to terminate the Contract or a purchase order for its convenience if the Commonwealth determines termination to be in its best interest. The Contractor shall be paid for work satisfactorily completed prior to the effective date of the termination, but in no event shall the Contractor be entitled to recover loss of profits.
- b. **NON-APPROPRIATION:** The Commonwealth's obligation to make payments during any Commonwealth fiscal year succeeding the current fiscal year shall be subject to availability and appropriation of funds. When funds (state and/or federal) are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year period, the Commonwealth shall have the right to terminate the Contract or purchase order. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the supplies or services delivered under the contract or purchase order. Such reimbursement shall not include loss of profit, loss of use of money, or administrative or overhead costs. The reimbursement amount may be paid from any appropriations available for that purpose.
- c. **TERMINATION FOR CAUSE:** The Commonwealth shall have the right to terminate the Contract for Contractor default under Paragraph 19, Default, upon written notice to the Contractor. The Commonwealth shall also have the right, upon written notice to the Contractor, to terminate the Contract or a purchase order for other cause as specified in this Contract or by law. If it is later determined that the Commonwealth erred in terminating the Contract or a contract purchase order for cause, then, at the Commonwealth's discretion, the Contract shall be deemed to have been terminated for convenience under the Subparagraph 21.a.

22. CONTRACT CONTROVERSIES

- a. In the event of a controversy or claim arising from the Contract, the Contractor must, within six months after the cause of action accrues, file a written claim with the contracting officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum.
- b. The contracting officer shall review timely-filed claims and issue a final determination, in writing, regarding the claim. Notwithstanding the foregoing, the Contractor may, without the consent of the Department of General Services, assign its rights to payment to be received under the Contract or a contract purchase order, provided that the Contractor provides written notice of such assignment to the Buyer and the ordering Commonwealth agency together with a written acknowledgement from the assignee that any such payments are subject to all of the terms and conditions of the Contract.
- e. For the purposes of the Contract, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, pledge, or other transfer of any ownership interest in the Contractor provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company.
- f. Any assignment consented to by the Department of General Services shall be evidenced by a written assignment agreement executed by the Contractor and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of the Contract and to assume the duties, obligations, and responsibilities being assigned.
- g. A change of name by the Contractor, following which the Contractor's federal identification number remains unchanged, shall not be considered to be an assignment hereunder. The Contractor shall give the Buyer written notice of any such change of name.

If the Contractor or any subcontractor does not possess documents or records reflecting the necessary information requested, it shall furnish such information on reporting forms supplied by the contracting officer or the Bureau of Contract Administration and Business Development.

- f. The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that such provisions will be binding upon each subcontractor.

For violation of any of the above provisions, the Commonwealth may terminate this and any other agreement with the Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these provisions, claim damages for all expenses incurred in obtaining another Contractor to complete performance hereunder, and debar and suspend the Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or nonuse of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

26. CONTRACTOR RESPONSIBILITY PROVISIONS

- a. The Contractor certifies, for itself and all its subcontractors, that as of the date of its execution of the bid/contract, that neither the Contractor, nor any subcontractors, nor any suppliers are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid, a written explanation of why such certification cannot be made.

Accordingly, the Contractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within 15 days of the date of suspension or debarment.
- d. The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.
- e. The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth, which results in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.

28. HAZARDOUS SUBSTANCES

The Contractor shall provide information to the Commonwealth about the identity and hazards of hazardous substances supplied or used by the Contractor in the performance of the Contract. The Contractor must comply with Act 159 of October 5, 1984, known as the "Worker and Community Right to Know Act" (the "Act") and the regulations promulgated pursuant thereto at 4 Pa. Container labels shall provide a warning as to the specific nature of the hazard arising from the substance in the container.

The hazard warning shall be given in conformity with one of the nationally recognized and accepted systems of providing warnings, and hazard warnings shall be consistent with one or more of the recognized systems throughout the workplace. Examples are:

29. COVENANT AGAINST CONTINGENT FEES

The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the contract purchase order upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the Commonwealth shall have the right to terminate the contract purchase order without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

30. APPLICABLE LAW

The Contract shall be governed by and interpreted and enforced in accordance with the laws of the Commonwealth of Pennsylvania (without regard to any conflict of laws provisions) and the decisions of the Pennsylvania courts. The Contractor consents to the jurisdiction of any court of the Commonwealth of Pennsylvania and any federal courts in Pennsylvania, waiving any claim or defense that such forum is not

convenient or proper. The Contractor agrees that any such court shall have in personam jurisdiction over it, and consents to service of process in any manner authorized by Pennsylvania law.

31. INTEGRATION

The RFQ - Invitation For Bids form and the Contract form, including all documents referenced on the forms, as well as the purchase orders constitute the entire agreement between the parties. No agent, representative, employee or officer of either the Commonwealth or the Contractor has authority to make, or has made, any statement, agreement or representation, oral or written, in connection with the Contract, which in any way can be deemed to modify add to or detract from, or otherwise change or alter its terms and conditions. No negotiations between the parties, nor any custom or usage, shall be permitted to modify or contradict any of the terms and conditions of the Contract. Any such change shall be made by: a. the contracting officer shown on the Contract form, or b. the agency contracting officer for changes to purchase orders, by notifying the Contractor in writing. The change shall be effective as of the date of the notification of change, unless the change specifies a later effective date. Such increases, decreases, changes, modifications or exercises of purchase options will not invalidate the Contract, nor, if performance security is being furnished in conjunction with the Contract, release the security obligation. The Contractor agrees to provide the supply in accordance with the change. Any dispute by the Contractor in regard to the performance required by any notification of change shall be handled through Paragraph 22, "Contract Controversies".

³The recommended recovered materials content for rubber railroad grade crossing surfaces are based on the weight of the raw materials, exclusive of any additives such as binders or additives

⁴ The recommended recovered materials content levels for steel in this table reflect the fact that the designated items can be made from steel manufactured from either a Basic Oxygen Furnace (BOF) or an Electric Arc Furnace (EAF). Steel from the BOF process contains 25-30% total recovered materials, of which 16% is post-consumer steel. Steel from the EAF process contains a total of 100% recovered steel, of which 67% is post-consumer.

**STANDARD CONTRACT
TERMS AND CONDITIONS
FOR DEPARTMENT OF GENERAL SERVICES
STATEWIDE SERVICES CONTRACTS - SAP**

1. TERM OF CONTRACT

The term of the Contract shall commence on the Effective Date (as defined below) and shall end on the Expiration Date identified in the Contract, subject to the other provisions of the Contract.

The Effective Date shall be: a) the date the Contract has been fully executed by the Contractor and by the Commonwealth and all approvals required by Commonwealth contracting procedures have been obtained or b) the date referenced in the Special Conditions and Instructions, whichever is later. The Contract shall not be a legally binding contract until after the fully-executed Contract has been sent to the Contractor.

The fully executed Contract shall not contain "ink" signatures by the Commonwealth. The Contractor understands and agrees that the receipt of an electronically-printed Contract with the printed name of the Commonwealth purchasing agent constitutes a binding, valid contract with the Commonwealth. The printed name of the purchasing agent on the Contract represents the signature of that individual who is authorized to bind the Commonwealth to the obligations contained in the Contract. The printed name also represents that all approvals required by Commonwealth contracting procedures have been obtained.

The Contractor shall not start the performance of any work until all of the following have occurred: a. the Effective Date has arrived; b. the Contractor has received a copy of the fully-executed Contract; and c. the Contractor has received a purchase order from a Commonwealth agency. The Commonwealth shall not be liable to pay the Contractor for any service or work performed or expenses incurred before the Effective Date or before the Contractor receives a copy of the fully-executed Contract or before the Contractor has received a purchase order. Except as otherwise provided in Paragraph 3, no Commonwealth employee has the authority to verbally direct the commencement of any work under this Contract prior to the Effective Date.

The Commonwealth reserves the right, upon notice to the Contractor, to extend the term of the Contract, or any part of the Contract, for up to three (3) months upon the same terms and conditions. This will be utilized to prevent a lapse in Contract coverage and only for the time necessary, up to three (3) months, to enter into a new Contract.

2. ESTIMATED QUANTITIES

It shall be understood and agreed that any quantities listed in the Contract are estimated only and may be increased or decreased in accordance with the actual requirements of the Commonwealth and that the Commonwealth in accepting any bid or portion thereof, contracts only and agrees to purchase only the services in such quantities as represent the actual requirements of the Commonwealth. The Commonwealth reserves the right to purchase services covered under the Contract through a separate competitive procurement procedure, whenever the Department of General Services deems it to be in the best interest of the Commonwealth. The right will generally be exercised only when a specific need for a large quantity of the services exists.

3. PURCHASE ORDERS

Commonwealth agencies may issue purchase orders against the Contract. These orders constitute the Contractor's authority to make delivery. All purchase orders received by the Contractor up to and including the expiration date of the Contract are acceptable and must be performed in accordance with the Contract. Contractors are not permitted to accept purchase orders which require performance extended beyond those performance time periods specified in the Contract but in no event longer than ninety (90) days after the expiration date of the Contract period. Each purchase order will be deemed to incorporate the terms and conditions set forth in the Contract.

Purchase Orders will not include an "ink" signature by the Commonwealth. The electronically-printed name of the purchaser represents the signature of that individual who has the authority, on behalf of the Commonwealth, to authorize the Contractor to proceed.

Purchase orders may be issued electronically or through facsimile equipment. The electronic transmission of a purchase order shall require acknowledgement of receipt of the transmission by the Contractor. Receipt of the electronic or facsimile transmission of the purchase order shall constitute receipt of an order. Orders received by the Contractor after 4:00 p.m. will be considered received the following business day.

The Commonwealth and the Contractor specifically agree as follows:

- a. No handwritten signature shall be required in order for the purchase order to be legally enforceable.
- b. Upon receipt of an order, the Contractor shall promptly and properly transmit an acknowledgement in return. Any order which is issued electronically shall not give rise to any obligation to deliver on the part of the Contractor, or any obligation to receive and pay for delivered products on the part of the Commonwealth agency, unless and until the Commonwealth agency transmitting the order has properly received an acknowledgement.
- c. The parties agree that no writing shall be required in order to make the order legally binding, notwithstanding contrary requirements in any law. The parties hereby agree not to contest the validity or enforceability of a genuine contract purchase order or acknowledgement issued electronically under the provisions of a statute of frauds or any other applicable law relating to whether certain agreements be in writing and signed by the party bound thereby. Any genuine purchase order or acknowledgement issued electronically, if introduced as evidence on paper in any judicial, arbitration, mediation, or administrative proceedings, will be admissible as between the parties to the same extent and under the same conditions as other business records originated and maintained in documentary form. Neither party shall contest the admissibility of copies of genuine purchase orders or acknowledgements under either the business records exception to the hearsay rule or the best evidence rule on the basis that the order or acknowledgement were not in writing or signed by the parties. A purchase order or acknowledgment shall be deemed to be genuine for all purposes if it is transmitted to the location designated for such documents.
- d. Each party will immediately take steps to verify any document that appears to be obviously garbled in transmission or improperly formatted to include re-transmission of any such document if necessary.

Purchase orders under three thousand dollars (\$3,000) in total amount may also be made in person or by telephone using a Commonwealth Procurement VISA Card. When an order is placed by telephone, the Commonwealth agency shall provide the agency name, employee name, credit card number, and expiration date of the card. Contractors agree to accept payment through the use of the Commonwealth Procurement VISA card.

4. INDEPENDENT CONTRACTOR

In performing the services required by the Contract, the Contractor will act as an independent contractor and not as an employee or agent of the Commonwealth.

5. COMPLIANCE WITH LAW

The Contractor shall comply with all applicable federal and state laws and regulations and local ordinances in the performance of the Contract.

6. ENVIRONMENTAL PROVISIONS

In the performance of the Contract, the Contractor shall minimize pollution and shall strictly comply with all applicable environmental laws and regulations.

7. POST-CONSUMER RECYCLED CONTENT

Except as specifically waived by the Department of General Services in writing, any products which are provided to the Commonwealth as a part of the performance of the Contract must meet the minimum percentage levels for total recycled content as specified in Exhibits A-1 through A-8 to these Standard Contract Terms and Conditions.

8. COMPENSATION/EXPENSES

The Contractor shall be required to perform the specified services at the price(s) quoted in the Contract. All services shall be performed within the time period(s) specified in the Contract. The Contractor shall be compensated only for work performed to the satisfaction of the Commonwealth. The Contractor shall not be allowed or paid travel or per diem expenses except as specifically set forth in the Contract.

9. INVOICES

Unless the Contractor has been authorized by the Commonwealth for Evaluated Receipt Settlement or Vendor Self-Invoicing, the Contractor shall send an invoice itemized by line item to the address referenced on the purchase order promptly after services are satisfactorily completed. The invoice should include only amount due under the Contract/purchase order. The purchase order number must be included on all invoices. In addition, the Commonwealth shall have the right to require the Contractor to prepare and submit a "Work In Progress" sheet that contains, at a minimum, the tasks performed, number of hours, hourly rate, and the purchase order or task order to which it refers.

10. PAYMENT

- a. The Commonwealth shall put forth reasonable efforts to make payment by the required payment date. The required payment date is: (a) the date on which payment is due under the terms of the Contract; (b) thirty (30) days after a proper invoice actually is received at the "Provide Service and Bill To" address on the contract purchase order, if a date on which payment is due is not specified in the Contract (a "proper" invoice is not received until the Commonwealth accepts the service as satisfactorily performed); or (c) the payment date specified on the invoice if later than the dates established by (a) and (b) above. Payment may be delayed if the payment amount on an invoice is not based upon the price(s) as stated in the Contract. If any payment is not made within fifteen (15) days after the required payment date, the Commonwealth may pay interest as determined by the Secretary of Budget in accordance with Act No. 266 of 1982 and regulations promulgated pursuant thereto. Payment should not be construed by the Contractor as acceptance of the service performed by the Contractor. The Commonwealth reserves the right to conduct further testing and inspection after payment, but within a reasonable time after performance, and to reject the service if such post payment testing or inspection discloses a defect or a failure to meet specifications. The Contractor agrees that the Commonwealth may set off the amount of any state tax liability or other obligation of the Contractor or its subsidiaries to the Commonwealth against any payments due the Contractor under any contract with the Commonwealth.
- b. The Commonwealth shall have the option of using the Commonwealth purchasing card to make purchases under the Contract or purchase order. The Commonwealth's purchasing card is similar to a credit card in that there will be a small fee which the Contractor will be required to pay and the Contractor will receive payment directly from the card issuer rather than the Commonwealth. Any and all fees related to this type of payment are the responsibility of the Contractor. In no case will the Commonwealth allow increases in prices to offset credit card fees paid by the Contractor or any other charges incurred by the Contractor, unless specifically stated in the terms of the Contract or purchase order.

11. TAXES

The Commonwealth is exempt from all excise taxes imposed by the Internal Revenue Service and has accordingly registered with the Internal Revenue Service to make tax free purchases under Registration No. 2374001-K. With the exception of purchases of the following items, no exemption certificates are required and none will be issued: undyed diesel fuel, tires, trucks, gas guzzler emergency vehicles, and sports fishing equipment. The Commonwealth is also exempt from Pennsylvania state sales tax, local sales tax, public transportation assistance taxes and fees and vehicle rental tax. The Department of Revenue regulations provide that exemption certificates are not required for sales made to governmental entities and none will be issued. Nothing in this paragraph is meant to exempt a construction contractor from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental, or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction contract.

12. WARRANTY

The Contractor warrants that all services performed by the Contractor, its agents and subcontractors shall be free and clear of any defects in workmanship or materials. The Contractor shall pass through to the

Commonwealth the manufacturer's warranty for all parts or supplies provided under the Contract. The Contractor shall correct any problem with the service and/or replace any defective part with a part of equivalent or superior quality without any additional cost to the Commonwealth.

13. PATENT, COPYRIGHT, AND TRADEMARK INDEMNITY

The Contractor warrants that it is the sole owner or author of, or has entered into a suitable legal agreement concerning either: a) the design of any product or process provided or used in the performance of the purchase order which is covered by a patent, copyright, or trademark registration or other right duly authorized by state or federal law or b) any copyrighted matter in any report document or other material provided to the commonwealth under the purchase order. The Contractor shall defend any suit or proceeding brought against the Commonwealth on account of any alleged patent, copyright or trademark infringement in the United States of any of the products provided or used in the performance of the Contract. This is upon condition that the Commonwealth shall provide prompt notification in writing of such suit or proceeding; full right, authorization and opportunity to conduct the defense thereof; and full information and all reasonable cooperation for the defense of same. As principles of governmental or public law are involved, the Commonwealth may participate in or choose to conduct, in its sole discretion, the defense of any such action. If information and assistance are furnished by the Commonwealth at the Contractor's written request, it shall be at the Contractor's expense, but the responsibility for such expense shall be only that within the Contractor's written authorization.

The Contractor shall indemnify and hold the Commonwealth harmless from all damages, costs, and expenses, including attorney's fees that the Contractor or the Commonwealth may pay or incur by reason of any infringement or violation of the rights occurring to any holder of copyright, trademark, or patent interests and rights in any products provided or used in the performance of the purchase order. If any of the products provided by the Contractor in such suit or proceeding are held to constitute infringement and the use is enjoined, the Contractor shall, at its own expense and at its option, either procure the right to continue use of such infringement products, replace them with non-infringement equal performance products or modify them so that they are no longer infringing. If the Contractor is unable to do any of the preceding, the Contractor agrees to remove all the equipment or software which are obtained contemporaneously with the infringing product, or, at the option of the Commonwealth, only those items of equipment or software which are held to be infringing, and to pay the Commonwealth: 1) any amounts paid by the Commonwealth towards the purchase of the product, less straight line depreciation; 2) any license fee paid by the Commonwealth for the use of any software, less an amount for the period of usage; and 3) the pro rata portion of any maintenance fee representing the time remaining in any period of maintenance paid for. The obligations of the Contractor under this paragraph continue without time limit. No costs or expenses shall be incurred for the account of the Contractor without its written consent.

14. OWNERSHIP RIGHTS

The Commonwealth shall have unrestricted authority to reproduce, distribute, and use any submitted report, data, or material, and any software or modifications and any associated documentation that is designed or developed and delivered to the Commonwealth as part of the performance of the Contract.

15. ASSIGNMENT OF ANTITRUST CLAIMS

The Contractor and the Commonwealth recognize that in actual economic practice, overcharges by the Contractor's suppliers resulting from violations of state or federal antitrust laws are in fact borne by the Commonwealth. As part of the consideration for the award of the Contract, and intending to be legally bound, the Contractor assigns to the Commonwealth all right, title and interest in and to any claims the Contractor now has, or may acquire, under state or federal antitrust laws relating to the products and services which are the subject of the Contract.

16. HOLD HARMLESS PROVISION

The Contractor shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all claims, demands and actions based upon or arising out of any activities performed by the Contractor and its employees and agents under this Contract and shall, at the request of the Commonwealth, defend any and all actions brought against the Commonwealth based upon any such claims or demands.

17. AUDIT PROVISIONS

The Commonwealth shall have the right, at reasonable times and at a site designated by the Commonwealth, to audit the books, documents and records of the Contractor to the extent that the books, documents and records relate to costs or pricing data for the Contract. The Contractor agrees to maintain records which will support the prices charged and costs incurred for the Contract.

The Contractor shall preserve books, documents, and records that relate to costs or pricing data for the Contract for a period of three (3) years from date of final payment. The Contractor shall give full and free access to all records to the Commonwealth and/or their authorized representatives.

18. DEFAULT

- a. The Commonwealth may, subject to the provisions of Paragraph 19, Force Majeure, and in addition to its other rights under the Contract, declare the Contractor in default by written notice thereof to the Contractor, and terminate (as provided in Paragraph 20, Termination Provisions) the whole or any part of this Contract including a purchase order, for any of the following reasons:
- 1) Failure to begin work within the time specified in the Contract or contract purchase order or as otherwise specified;
 - 2) Failure to perform the work with sufficient labor, equipment, or material to insure the completion of the specified work in accordance with the Contract or contract purchase order terms;
 - 3) Unsatisfactory performance of the work;
 - 4) Failure or refusal to remove material, or remove and replace any work rejected as defective or unsatisfactory;
 - 5) Discontinuance of work without approval;
 - 6) Failure to resume work, which has been discontinued, within a reasonable time after notice to do so;
 - 7) Insolvency or bankruptcy;
 - 8) Assignment made for the benefit of creditors;
 - 9) Failure or refusal within 10 days after written notice by the Buyer, to make payment or show cause why payment should not be made, of any amounts due for materials furnished, labor supplied or performed, for equipment rentals, or for utility services rendered;
 - 10) Failure to protect, to repair, or to make good any damage or injury to property; or
 - 11) Breach of any provision of this Contract.
- b. In the event that the Commonwealth terminates this Contract in whole or in part as provided in Subparagraph a. above, the Commonwealth may procure, upon such terms and in such manner as it determines, services similar or identical to those so terminated, and the Contractor shall be liable to the Commonwealth for any reasonable excess costs for such similar or identical services included within the terminated part of the Contract.
- c. If the Contract is terminated in whole or in part as provided in Subparagraph a. above, the Commonwealth, in addition to any other rights provided in this paragraph, may require the Contractor to transfer title and deliver immediately to the Commonwealth in the manner and to the extent directed by the Department of General Services, such partially completed work, including, where applicable, reports, working papers and other documentation, as the Contractor has specifically produced or specifically acquired for the performance of such part of the Contract as has been terminated. Except as provided below, payment for completed work accepted by the Commonwealth shall be at the Contract price. Except as provided below, payment for partially completed work including, where applicable, reports and working papers, delivered to and accepted by the Commonwealth shall be in an amount agreed upon by the Contractor and Buyer. The Commonwealth may withhold from amounts otherwise due the

Contractor for such completed or partially completed works, such sum as the Buyer determines to be necessary to protect the Commonwealth against loss.

- d. The rights and remedies of the Commonwealth provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- e. The Commonwealth's failure to exercise any rights or remedies provided in this paragraph shall not be construed to be a waiver by the Commonwealth of its rights and remedies in regard to the event of default or any succeeding event of default.
- f. Following exhaustion of the Contractor's administrative remedies as set forth in Paragraph 21, the Contractor's exclusive remedy shall be to seek damages in the Board of Claims.

19. FORCE MAJEURE

Neither party will incur any liability to the other if its performance of any obligation under this Contract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but are not limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemics and quarantines, general strikes throughout the trade, and freight embargoes.

The Contractor shall notify the Commonwealth orally within five (5) days and in writing within ten (10) days of the date on which the Contractor becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effect on performance, (ii) state whether performance under the contract is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. The Contractor shall have the burden of proving that such cause(s) delayed or prevented its performance despite its diligent efforts to perform and shall produce such supporting documentation as the Commonwealth may reasonably request. After receipt of such notification, the Commonwealth may elect either to cancel the Contract or to extend the time for performance as reasonably necessary to compensate for the Contractor's delay.

In the event of a declared emergency by competent governmental authorities, the Commonwealth by notice to the Contractor, may suspend all or a portion of the Contract.

20. TERMINATION PROVISIONS

The Commonwealth has the right to terminate this Contract for any of the following reasons. Termination shall be effective upon written notice to the Contractor.

- a. **TERMINATION FOR CONVENIENCE:** The Commonwealth shall have the right to terminate the Contract or a purchase order for its convenience if the Commonwealth determines termination to be in its best interest. The Contractor shall be paid for work satisfactorily completed prior to the effective date of the termination, but in no event shall the Contractor be entitled to recover loss of profits.
- b. **NON-APPROPRIATION:** The Commonwealth's obligation to make payments during any Commonwealth fiscal year succeeding the current fiscal year shall be subject to availability and appropriation of funds. When funds (state and/or federal) are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year period, the Commonwealth shall have the right to terminate the Contract or purchase order. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the supplies or services delivered under the contract or purchase order. Such reimbursement shall not include loss of profit, loss of use of money, or administrative or overhead costs. The reimbursement amount may be paid from any appropriations available for that purpose.
- c. **TERMINATION FOR CAUSE:** The Commonwealth shall have the right to terminate the Contract for Contractor default under Paragraph 18, Default, upon written notice to the Contractor. The Commonwealth shall also have the right, upon written notice to the Contractor, to terminate the Contract or a purchase order for other cause as specified in this Contract or by law. If it is later determined that the Commonwealth erred in terminating the Contract or a contract purchase

order for cause, then, at the Commonwealth's discretion, the Contract shall be deemed to have been terminated for convenience under the Subparagraph 20.a.

21. CONTRACT CONTROVERSIES

- a. In the event of a controversy or claim arising from the Contract, the Contractor must, within six months after the cause of action accrues, file a written claim with the contracting officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum.
- b. The contracting officer shall review timely-filed claims and issue a final determination, in writing, regarding the claim. The final determination shall be issued within 120 days of the receipt of the claim, unless extended by consent of the contracting officer and the Contractor. The contracting officer shall send his/her written determination to the Contractor. If the contracting officer fails to issue a final determination within the 120 days (unless extended by consent of the parties), the claim shall be deemed denied. The contracting officer's determination shall be the final order of the purchasing agency.
- c. Within fifteen (15) days of the mailing date of the final determination denying a claim or within 135 days of filing a claim, if no extension is agreed to by the parties, whichever occurs first, the Contractor may file a statement of claim with the Commonwealth Board of Claims. Pending a final judicial resolution of a controversy or claim, the Contractor shall proceed diligently with the performance of the Contract in a manner consistent with the determination of the contracting officer and the Commonwealth shall compensate the Contractor pursuant to the terms of the Contract.

22. ASSIGNABILITY AND SUBCONTRACTING

- a. Subject to the terms and conditions of this Paragraph 22, the Contract shall be binding upon the parties and their respective successors and assigns.
- b. The Contractor shall not subcontract with any person or entity to perform all or any part of the work to be performed under the Contract without the prior written consent of the Buyer, which consent may be withheld at the sole and absolute discretion of the Buyer.
- c. The Contractor may not assign, in whole or in part, the Contract or its rights, duties, obligations, or responsibilities hereunder without the prior written consent of the Buyer, which consent may be withheld at the sole and absolute discretion of the Buyer.
- d. Notwithstanding the foregoing, the Contractor may, without the consent of the Buyer, assign its rights to payment to be received under the Contract or a contract purchase order, provided that the Contractor provides written notice of such assignment to the Buyer and the ordering Commonwealth agency together with a written acknowledgement from the assignee that any such payments are subject to all of the terms and conditions of the Contract.
- e. For the purposes of the Contract, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, pledge, or other transfer of any ownership interest in the Contractor provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company.
- f. Any assignment consented to by the Buyer shall be evidenced by a written assignment agreement executed by the Contractor and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of the Contract and to assume the duties, obligations, and responsibilities being assigned.
- g. A change of name by the Contractor, following which the Contractor's federal identification number remains unchanged, shall not be considered to be an assignment hereunder. The Contractor shall give the Buyer written notice of any such change of name.

23. NONDISCRIMINATION/SEXUAL HARASSMENT CLAUSE

During the term of the Contract, Contractor agrees as follows:

- a. In the hiring of any employees for the manufacture of supplies, performance of work, or any other activity required under the Contract or any subcontract, the Contractor, subcontractor or any person acting on behalf of the Contractor or subcontractor shall not by reason of gender, race, creed, or color discriminate against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
- b. Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate against or intimidate any employee involved in the manufacture of supplies, the performance of work or any other activity required under the Contract on account of gender, race, creed, or color.
- c. The Contractor and subcontractors shall establish and maintain a written sexual harassment policy and shall inform its employees of the policy. The policy must contain a notice that sexual harassment will not be tolerated and employees who practice it will be disciplined.
- d. The Contractor shall not discriminate by reason of gender, race, creed, or color against any subcontractor or supplier who is qualified to perform the work to which the contract relates.
- e. The Contractor and each subcontractor shall furnish all necessary employment documents and records to and permit access to its books, records, and accounts by the contracting officer and the Department of General Services' Bureau of Contract Administration and Business Development for purposes of investigation to ascertain compliance with the provisions of this Nondiscrimination/Sexual Harassment Clause. If the Contractor or any subcontractor does not possess documents or records reflecting the necessary information requested, it shall furnish such information on reporting forms supplied by the contracting officer or the Bureau of Contract Administration and Business Development.
- f. The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that such provisions will be binding upon each subcontractor.
- g. The Commonwealth may cancel or terminate the Contract, and all money due or to become due under the Contract may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the agency may proceed with debarment or suspension and may place the Contractor in the Contractor Responsibility File.

24. CONTRACTOR INTEGRITY PROVISIONS

- a. For purposes of this clause only, the words "confidential information," "consent," "contractor," "financial interest," and "gratuity" shall have the following definitions.
 - 1) **Confidential information** means information that is not public knowledge, or available to the public on request, disclosure of which would give an unfair, unethical, or illegal advantage to another desiring to contract with the Commonwealth.
 - 2) **Consent** means written permission signed by a duly authorized officer or employee of the Commonwealth, provided that where the material facts have been disclosed, in writing, by prequalification, bid, proposal, or contractual terms, the Commonwealth shall be deemed to have consented by virtue of execution of this agreement.

- b. The Contractor shall maintain the highest standards of integrity in the performance of the Contract and shall take no action in violation of state or federal laws, regulations, or other requirements that govern contracting with the Commonwealth.
- c. The Contractor shall not disclose to others any confidential information gained by virtue of the Contract.
- d. The Contractor shall not, in connection with this or any other agreement with the Commonwealth, directly, or indirectly, offer, confer, or agree to confer any pecuniary benefit on anyone as consideration for the decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty by any officer or employee of the Commonwealth.
- e. The Contractor shall not, in connection with this or any other agreement with the Commonwealth, directly or indirectly, offer, give, or agree or promise to give to anyone any gratuity for the benefit of or at the direction or request of any officer or employee of the Commonwealth.
- f. - h. The Contractor, upon being informed that any violation of these provisions has occurred or may occur, shall immediately notify the Commonwealth in writing.
- i. The Contractor, by execution of the Contract and by the submission of any bills or invoices for payment pursuant thereto, certifies, and represents that he or she has not violated any of these provisions.
- j. The Contractor, upon the inquiry or request of the Inspector General of the Commonwealth or any of that official's agents or representatives, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Inspector General to the Contractor's integrity or responsibility, as those terms are defined by the Commonwealth's statutes, regulations, or management directives. Such information may include, but shall not be limited to, the Contractor's business or financial records, documents or files of any type or form which refers to or concern the Contract. Such information shall be retained by the Contractor for a period of three years beyond the termination of the Contract unless otherwise provided by law.
- k. For violation of any of the above provisions, the Commonwealth may terminate this and any other agreement with the Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these provisions, claim damages for all expenses incurred in obtaining another Contractor to complete performance hereunder, and debar and suspend the Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or nonuse of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

25. **CONTRACTOR RESPONSIBILITY PROVISIONS**

- a. The Contractor certifies, for itself and all its subcontractors, that as of the date of its execution of this Bid/Contract, that neither the Contractor, nor any subcontractors, nor any suppliers are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid, a written explanation of why such certification cannot be made.

- b. The Contractor must also certify, in writing, that as of the date of its execution of this Bid/Contract, it has no tax liabilities or other Commonwealth obligations.
- c. The Contractor's obligations pursuant to these provisions are ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within 15 days of the date of suspension or debarment.
- d. The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.
- e. The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth, which results in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- f. The Contractor may obtain a current list of suspended and debarred Commonwealth contractors by either searching the internet at <http://www.dqs.state.pa.us> or contacting the:

- a. Pursuant to federal regulations promulgated under the authority of The Americans With Disabilities Act, 28 C.F.R. § 35.101 et seq., the Contractor understands and agrees that it shall not cause any individual with a disability to be excluded from participation in this Contract or from activities provided for under this Contract on the basis of the disability. As a condition of accepting this contract, the Contractor agrees to comply with the "General Prohibitions Against Discrimination," 28 C.F.R. § 35.130, and all other regulations promulgated under Title II of The Americans With Disabilities Act which are applicable to all benefits, services, programs, and activities provided by the Commonwealth of Pennsylvania through contracts with outside contractors.
- b. The Contractor shall be responsible for and agrees to indemnify and hold harmless the Commonwealth of Pennsylvania from all losses, damages, expenses, claims, demands, suits, and actions brought by any party against the Commonwealth of Pennsylvania as a result of the Contractor's failure to comply with the provisions of subparagraph a above.

27. HAZARDOUS SUBSTANCES

The Contractor shall provide information to the Commonwealth about the identity and hazards of hazardous substances supplied or used by the Contractor in the performance of the Contract. The Contractor must comply with Act 159 of October 5, 1984, known as the "Worker and Community Right to Know Act" (the "Act") and the regulations promulgated pursuant thereto at 4 Pa. Code Section 301.1 et seq.

- a. Labeling. The Contractor shall insure that each individual product (as well as the carton, container or package in which the product is shipped) of any of the following substances (as defined by the Act and the regulations) supplied by the Contractor is clearly labeled, tagged or marked with the information listed in Paragraph (1) through (4):
 - 1) Hazardous substances:

- a) The chemical name or common name,
 - b) A hazard warning, and
 - c) The name, address, and telephone number of the manufacturer.

 - c) The name, address, and telephone number of the manufacturer, and
 - d) The chemical name or common name of either the top five substances by volume or those substances consisting of 5.0% or more of the mixture.

A common name or trade name may be used only if the use of the name more easily or readily identifies the true nature of the hazardous substance, hazardous mixture, single chemical, or mixture involved.

Container labels shall provide a warning as to the specific nature of the hazard arising from the substance in the container.

The hazard warning shall be given in conformity with one of the nationally recognized and accepted systems of providing warnings, and hazard warnings shall be consistent with one or more of the recognized systems throughout the workplace. Examples are:

- NFPA 704, Identification of the Fire Hazards of Materials.
- National Paint and Coatings Association: Hazardous Materials Identification System.
- American Society for Testing and Materials, Safety Alert Pictorial Chart.

Labels must be legible and prominently affixed to and displayed on the product and the carton, container, or package so that employees can easily identify the substance or mixture present therein.

- b. Material Safety Data Sheet. The contractor shall provide Material Safety Data Sheets (MSDS) with the information required by the Act and the regulations for each hazardous substance or hazardous mixture. The Commonwealth must be provided an appropriate MSDS with the initial shipment and with the first shipment after an MSDS is updated or product changed. For any other chemical, the contractor shall provide an appropriate MSDS, if the manufacturer, importer, or supplier produces or possesses the MSDS. The contractor shall also notify the Commonwealth when a substance or mixture is subject to the provisions of the Act. Material Safety Data Sheets may be attached to the carton, container, or package mailed to the Commonwealth at the time of shipment.

28. COVENANT AGAINST CONTINGENT FEES

The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract purchase order upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the Commonwealth shall have the right to terminate the Contract purchase order without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

29. APPLICABLE LAW

The Contract shall be governed by and interpreted and enforced in accordance with the laws of the Commonwealth of Pennsylvania (without regard to any conflict of laws provisions) and the decisions of the Pennsylvania courts. The Contractor consents to the jurisdiction of any court of the Commonwealth of Pennsylvania and any federal courts in Pennsylvania, waiving any claim or defense that such forum is not convenient or proper. The Contractor agrees that any such court shall have in personam jurisdiction over it, and consents to service of process in any manner authorized by Pennsylvania law.

30. INTEGRATION

The RFQ - Invitation For Bids form and the Contract form, including all documents referenced on the forms, as well as the purchase orders constitute the entire agreement between the parties. No agent, representative, employee or officer of either the Commonwealth or the Contractor has authority to make, or has made, any statement, agreement or representation, oral or written, in connection with the Contract, which in any way can be deemed to modify, add to or detract from, or otherwise change or alter its terms and conditions. No negotiations between the parties, nor any custom or usage, shall be permitted to modify or contradict any of the terms and conditions of the Contract. No modifications, alterations, changes, or waiver to the Contract or any of its terms shall be valid or binding unless accomplished by a written amendment signed by both parties. All such amendments will be made using the appropriate Commonwealth form.

31. CHANGES

The Commonwealth reserves the right to make changes at any time during the term of the Contract or any renewals or extensions thereof: 1) to increase or decrease the quantities resulting from variations between any estimated quantities in the Contract and actual quantities; 2) to make changes to the service within the scope of the Contract; 3) to exercise an option to purchase or early payment option; 4) to notify the Contractor that the Commonwealth is exercising any Contract renewal or extension option; or 5) to modify the time of performance that does not alter the scope of the Contract to extend the completion date beyond the Expiration Date of the Contract or any renewals or extensions thereof. Any such change shall be made by: a. the contracting officer shown on the Contract form, or b. the agency contracting officer for changes to purchase orders by notifying the Contractor in writing. The change shall be effective as of the date of the change, unless the notification of change specifies a later effective date. Such increases, decreases, changes, modifications or exercises of purchase options will not invalidate the Contract, nor, if performance security is being furnished in conjunction with the Contract, release the security obligation. The Contractor agrees to provide the supply in accordance with the change. Any dispute by the Contractor in regard to the performance required by any notification of change shall be handled through Paragraph 21, "Contract Controversies".

³The recommended recovered materials content for rubber railroad grade crossing surfaces are based on the weight of the raw materials, exclusive of any additives such as binders or additives

⁴ The recommended recovered materials content levels for steel in this table reflect the fact that the designated items can be made from steel manufactured from either a Basic Oxygen Furnace (BOF) or an Electric Arc Furnace (EAF). Steel from the BOF process contains 25-30% total recovered materials, of which 16% is post-consumer steel. Steel from the EAF process contains a total of 100% recovered steel, of which 67% is post-consumer.

Bidder certifies that the construction product(s) which the bidder is offering contains the required minimum percentage of post-consumer and recovered material content as shown above for the product.

(C) **MANUFACTURER/MILL CERTIFICATION**

In addition to the Bidders Certification in Subsection (B), a manufacturer certification must be completed and signed by the manufacturer before payment will be made to the successful bidder for the delivered items. "Post-consumer" content is "material or finished product that has served its intended use and has been diverted or recovered from waste destined for disposal, having completed its life as a consumer item. Post-consumer content is part of the broader category of recovered material."

The Commonwealth of Pennsylvania recognizes that paper products are universally made with scrap material recovered from the manufacturing process; use of such materials is a standard practice, both efficient and economical for the paper maker; therefore, bidders of paper products need not certify that their products are made with "pre-consumer," "recovered," or "secondary" paper fiber.

(B) **BIDDER'S CERTIFICATION**

Bidder certifies that the paper product(s) which the bidder is offering contains the required minimum percentage of post-consumer content as shown above for the product.

(C) **MANUFACTURER/MILL CERTIFICATION**

In addition to the Bidders Certification in Subsection (B), a mill certification must be completed and signed by the mill before payment will be made to the successful bidder for the delivered items. The enclosed Manufacturer/Mill Certification form must be used. Bidders are not required to submit the completed and signed Manufacturer/Mill

Certification form with their bids. **THE COMMONWEALTH SHALL HAVE NO OBLIGATION TO PAY FOR THE ITEM(S) UNTIL A PROPERLY COMPLETED AND SIGNED MANUFACTURER/MILL CERTIFICATION IS SUBMITTED FOR THE DELIVERED ITEM.**

(D) **ENFORCEMENT**

Awarded bidders may be required, after delivery of the paper product(s), to provide the Commonwealth with documentary evidence that the paper product(s) were in fact produced with the required minimum percentage of post-consumer content.

I. TERM

The term of this Agreement shall commence on the date the Agreement has been fully executed by both PIBH and the Department, including all required Commonwealth approvals, and shall, unless earlier terminated pursuant to this Agreement, terminate sixty (60) days after one party gives the other party written notice of termination of this Agreement. - J.** Monitor and inspect the activities of Agencies For Persons With Disabilities to ensure compliance with the Code and this Agreement.

- K. When authorized by the Department, enter into contracts and/or purchase orders with Commonwealth Purchasing Agencies to furnish required Goods and Services.
- L. Submit annually to the Department by September 30th of each year, for the PIBH fiscal year ending the preceding May 31st, a comprehensive annual report concerning the operations of PIBH and all Agencies For Persons With Disabilities. The report shall include a summary of significant accomplishments and developments, the total dollar amount of Goods and Services sold to Commonwealth agencies, and such other details as PIBH may consider appropriate or the Department may request.

VI. AGENCY FOR PERSONS WITH DISABILITIES' RESPONSIBILITIES

PIBH shall require each Agency For Persons With Disabilities selected to manufacture Goods for, or provide Services to, a Commonwealth agency to:

- A. Furnish Goods or Services in full compliance with the contract specifications, including delivery and any additional requirements.
- B. Maintain records of each worker's direct labor hours on, as well as the costs and expenses relating to the fulfillment of, each Commonwealth purchase order or contract.
- C. Comply with applicable Federal and State occupational health and safety standards.
- D. Maintain a file including information and reports on the nature and severity of the disability for each person with disability employed by the Agency For Persons With Disabilities. At a minimum, the Agency For Persons With Disabilities must obtain and maintain in its files each employee's Disability Determination Documentation.

VII. SERVICE FEE

PIBH shall charge Agencies For Persons With Disabilities an established fee that shall compensate PIBH for its services under this Agreement. The fee as of the date of execution of this Agreement ("Execution Date") is 8% for Goods and 5% for Services. The Department must approve any increase in the fee before PIBH charges and collects any increase.

VIII. PREPARATION OF CATALOG

PIBH shall annually prepare, maintain, and update a catalog ("the Catalog") that includes all Approved Goods and Services for which the Department has established a statewide requirements contract. For each Catalog listing, the Catalog shall include a short description, the applicable statewide contract number, and the fair market price. The Catalog may also contain those Carve-Out Items that the Department and PIBH have established pursuant to Section XII. of this Agreement. If the Catalog does not list prices for these Carve-Out Items, the entries should direct Commonwealth agencies to contact the Department for the establishment of a fair market price. PIBH shall not print and distribute the Catalog until after the Department has reviewed and approved it.

IX. FAIR MARKET PRICE

- A. The Commonwealth shall not purchase, and PIBH shall not sell, any Goods manufactured or Services performed by Agencies For Persons With Disabilities

unless and until the Department has established a fair market price and PIBH has agreed to manufacture the Goods or perform the Services at the Department-established fair market price.

- B.** While the Department's primary method of determining fair market price shall be the cost model methodology described in Section XI. of this Agreement, the Department shall have the discretion to determine fair market prices for Goods and Services by any one, or a combination of, the following methods:
1. Cost model methodology;
 2. Market research;
 3. Consideration of the current price of the Goods or Services; or
 4. Soliciting competitive bids on the open market and establishing the low bid/quote price as the fair market price unless:
 - a. the low bid/quote is not responsive,
 - b. the low bidder is not a responsible bidder,
 - c. the price is unreasonably low and the Department considers the price to be a "low ball" bid/quote, or
 - d. only one unreasonably high bid/quote is received and the Department considers the price to be a "high ball" bid/quote.
- C.** In no event will the fair market price be set at a price that is more than 20% higher than the lowest responsive and responsible bid price/quote. The lowest bid or quote shall be considered a "low ball" bid/quote (and thus nonresponsive) if it is more than 20% below the second low bid/quote where the Department receives three or more bids/quotes. When the Department receives a single bid or quote and, in its discretion, determines that the single bid/quote is unreasonably high, the bid/quote shall be considered a "high ball" bid/quote (and thus nonresponsive).

X. FAIR MARKET PRICE ADJUSTMENTS

- A. PIBH Catalog:** For PIBH Catalog items, the Department and PIBH agree to make annual price adjustments for Approved Goods and Services as specified in this Subsection:
1. When available, the Department and PIBH shall assign the appropriate industry code from the North American Industry Classification System (NAICS).
 2. The price adjustment shall be based on the percentage change in the Producer Price Index (PPI) or the Employment Cost Index (ECI) as of the date of the U.S. Department of Labor Bureau of Labor Statistics' most recent final determination of the PPI or ECI, the most recent final Consumer Price Index for All Urban Users (CPI-U), and/or the changing market conditions not reflected by the PPI, ECI or CPI-U.

3. If the percentage change in the PPI, ECI or CPI-U exceeds 4% during any one-year period, and PIBH wants to adjust the price in accordance with the PPI, ECI or CPI-U change, PIBH shall submit documentation to the Department to justify their request for a price adjustment. If the documentation is not acceptable to the Department, then the Department shall establish a new fair market price for the upcoming year.
4. The base month for determining the annual price adjustments shall be June of the calendar year in which the price adjustment is initiated, and the annual price adjustments shall be effective on January 1st of each year.
5. Both parties agree that the Department, at its discretion, may re-establish the fair market price of any Goods or Services listed in the Catalog once each year after the initial fair market price determination. All re-established fair market prices shall be effective on the 1st of January, and the re-established price shall remain firm for at least the first year.
6. Any re-established fair market price and/or approved price adjustment is effective for new Commonwealth Purchasing Agency contract/purchase orders placed on or after the effective date of the increase(s).
7. Both parties agree that the Commonwealth shall be given the immediate benefit of any price decrease, and PIBH shall promptly notify the Department's Program Manager of the amount and effective date of all decreases. Invoices shall reflect contract prices in effect on the date the order was written. In the event a purchase order is issued on or after the effective date of a price decrease, but the purchase order does not reflect the price decrease, the Commonwealth Purchasing Agency shall be entitled to a price adjustment equal to the difference between the total purchase order amount before and after the price decrease.

B. Contracts/Purchase Orders for Services - Fair market prices for service contracts/purchase orders shall remain firm, unless stated otherwise in the contract/purchase order, for a one (1) year period after the effective date of the contract/purchase order.

1. PIBH, and/or the Commonwealth Purchasing Agency, may make written request to the other party for adjustment in prices annually for each subsequent year of the contract/purchase order. The other party must receive such requests for price adjustments no later than forty-five (45) days prior to the anniversary date of the effective date of the contract/purchase order.
2. When available, the Commonwealth Purchasing Agency and PIBH shall assign the appropriate industry code from the North American Industry Classification System (NAICS).
3. The price adjustment shall be based on the percentage change in the Producer Price Index (PPI) or the Employment Cost Index (ECI) as of the date of the U.S. Department of Labor Bureau of

Labor Statistics' most recent final determination of the PPI or ECI, the most recent final Consumer Price Index for All Urban Users (CPI-U), and/or the changing market conditions not reflected by the PPI, ECI or CPI-U.

4. If the percentage change in the PPI, ECI or CPI-U exceeds 4% during any one-year period, and a party wants to adjust the price in accordance with the PPI, ECI or CPI-U change, the requesting party shall submit documentation to the other party to justify their request for a price adjustment. If the documentation is not acceptable to the receiving party, the receiving party shall ask the Department to establish a new fair market price for the upcoming year.
5. The Commonwealth Purchasing Agency may adjust the contract/purchase order price according to these factors without prior approval from the Department.
6. The Department and PIBH agree that the Department shall re-establish the fair market price of any service contract/purchase order every five (5) years after the effective date of the contract/purchase order, and/or at the time any changes are made to the contract or purchase order specifications/scope of work.
7. The Commonwealth Purchasing Agency may not issue a contract/purchase order for services for more than a five (5) year term. Approximately three (3) months prior to the expiration of any contract/purchase order for services, the Commonwealth Purchasing Agency shall request that the Department re-establish the fair market price for the new contract term.

XI. COST MODEL METHODOLOGY

Cost modeling analyzes the assets, labor, consumables, and material components of cost. The Department and PIBH agree to establish a cost model for determining the fair market price of any Goods or Services.

XII. CARVE-OUT

Both parties agree to implement a carve-out program for Goods and Services performed by persons with disabilities to analyze the Agency For Persons With Disabilities' capability and capacity to manufacture Goods and/or perform Services. The initial mutually-established Carve-Out Goods and Services ("Carve-Out Items") are listed in Exhibit A to this Agreement.

- A. For any proposed Carve-Out Items not included in Exhibit A to this Agreement, the Department will conduct an analysis to determine whether the Agency For Persons With Disabilities is capable of and has the capacity for manufacturing the Goods and/or performing the Services. If the analysis concludes that PIBH has the required capability and capacity, the Department will then compile a list of the additional Carve-Out Items, identifying the specific Goods and Services to be supplied by PIBH and its Agencies For Persons With Disabilities, provided that PIBH and its Agencies For Persons With Disabilities can provide them at a fair market price and can meet the requirements of Subsection IV.A.
- B. If PIBH requests the opportunity to provide additional Goods or Services, PIBH must make the request in writing to the Department. PIBH shall make all such

requests on a semi-annual basis, preferably at a Disability Procurement Council meeting. At the Disability Procurement Council meetings and as new opportunities arise, the Department agrees to use its best efforts to inform PIBH of Goods and Services not on the Carve-Out list that the Department considers to be possible candidates for additions to the list of Carve-Out items.

- C. For those Goods or Services that the Department has determined pursuant to Subsections A. or B. of this Section XII. should not be included in the list of Carve-Out Items, PIBH may file a dispute under Section XV., Disputes.
- D. Commonwealth agencies may proceed with the procurement of any item that does not fall within the approved list of Carve-Out Items without being required to offer the items first to PIBH.

XIII. PROCUREMENT OF CARVE-OUT ITEMS

The following procedures shall be standard for procurement of Carve-Out items that are not already the subject of a contract between the Commonwealth and PIBH:

- A. For Carve-Out items, the Commonwealth shall give PIBH a reasonable time period as specified by the Commonwealth Purchasing Agency, but not less than five business days, to review and comment on the procurement documents before proceeding with the release of any procurement documents for any such items.
 - 1. Should PIBH respond with comments within the specified period, the Commonwealth will review PIBH's comments prior to proceeding with the procurement. The Commonwealth may, in its sole discretion, contact PIBH to discuss the comments and/or revise the procurement documents.
 - 2. Should PIBH not respond within the specified period, the Commonwealth may proceed to issue the procurement without delay.
- B. Should PIBH desire to sell the Goods or perform the Services that are the subject of the procurement documents, PIBH shall submit a request for consideration to the Commonwealth Purchasing Agency within the specified period, except where the procurement is to be a Request For Proposals (RFP) rather than an Invitation For Bids, in which event PIBH shall submit its request for consideration to the Commonwealth Purchasing Agency, and the Commonwealth Purchasing Agency shall provide PIBH with a statement of work. PIBH shall respond with its proposal within such longer time frame as the requesting Commonwealth Purchasing Agency may specify.
 - 1. After the Commonwealth Purchasing Agency receives PIBH's proposal, the Commonwealth Purchasing Agency shall determine whether PIBH is responsive and whether PIBH is capable of meeting the contract requirements.
 - 2. If the Commonwealth Purchasing Agency determines that PIBH is responsive and responsible, the Commonwealth Purchasing Agency shall submit PIBH's proposal to the Department for a fair market price determination, and the Goods or Services shall be offered to PIBH at the Department-established fair market price.

3. If the Commonwealth Purchasing Agency determines that PIBH's proposal is not responsive or PIBH is not capable of meeting the requirements of the contract, then:
 - a. The Commonwealth Purchasing Agency may proceed with procuring the Goods or Services through another section of the Code (not Section 520).
 - b. The Commonwealth Purchasing Agency shall provide PIBH and the Department's Program Manager with a written explanation for its determination regarding PIBH's proposal.
 - c. If PIBH disagrees with the Commonwealth Purchasing Agency's determination under this Section, PIBH shall file its objection in writing according to Section XV. of this Agreement (Disputes).

XIV. DISABILITY PROCUREMENT COUNCIL

The Department shall organize a Disability Procurement Council ("Council") that shall meet annually (or more frequently if both parties agree) to discuss the Commonwealth's needs for Goods, Services, and repackaging with PIBH.

- A. The Council shall consist of, at a minimum, the Department's Program Manager, a PIBH employee for Goods, a PIBH employee for Services, and representatives from each Commonwealth Purchasing Agency.
- B. In addition to discussing the Commonwealth's needs for Goods, Services, and repackaging, the Council shall address any concerns about, suggestions for, or recommendations on improving the PIBH program. Each Council participant shall ensure that its agency is updated on any changes, issues, or other developments related to PIBH.
- C. The Program Manager shall consult with appropriate Department personnel on recommended changes of policy, procedures, or other matters that require Department approval. After the Program Manager receives the Department's approvals, the Program Manager shall ensure that the implementation(s) take place in a timely manner, consistent with this Agreement.

XV. DISPUTES

PIBH may dispute the following determinations: fair market price, Appreciable Contribution, price adjustments, Carve-Out, the reasonableness of contract requirements in a particular Commonwealth procurement, and any other Commonwealth determination that PIBH asserts was improper. The procedure in this Disputes clause shall be PIBH's sole and exclusive venue and procedure for seeking resolution of any Department determination. For any dispute, PIBH agrees to proceed in the following manner:

- A. PIBH shall submit a written dispute to the Department's Chief Procurement Officer, and the Department's Program Manager, within seven days of the date of the determination under dispute. PIBH's submission shall include the grounds for PIBH's position.
 1. The Chief Procurement Officer shall, where applicable, provide written notice of the dispute to the Commonwealth Purchasing Agency.

2. Except when an emergency contract can be justified under Section 516 of the Code, the Commonwealth Purchasing Agency shall not enter into a contract for the Goods or Services prior to the issuance of a determination by the Chief Procurement Officer.
- B. The Chief Procurement Officer shall, within 15 days of receipt of PIBH's written dispute unless both parties agree to an extension, make a written determination responding to the dispute and provide a copy of the determination to PIBH, the Department's Program Manager and, where applicable, the Commonwealth Purchasing Agency.
 - C. PIBH shall have no right to file a protest until the Chief Procurement Officer has issued a written determination in any dispute under this Agreement. The date of the Chief Procurement Officer's determination shall be the starting date for the seven-day period specified in Commonwealth Procurement Code Section 1711.1(b), 62 Pa.C.S. § 1711.1(b), for protests.

XVI. CONTRACT COMPLIANCE REVIEWS

- A. The Department, in cooperation with the Commonwealth Purchasing Agency, or their designated representatives, will annually review all Commonwealth Purchasing Agency contracts with PIBH that exceed \$300,000 to confirm compliance with the Code and this Agreement.
- B. In addition to the annual review, the Department or its designated representatives, at its discretion, may perform random reviews of any contracts, regardless of the contract amount.
- C. The Department or its designated representatives shall have the right, at any reasonable times and at a site designated by the Commonwealth, to audit the books, documents, and records of PIBH, including without limitation examination of PIBH's financial statements (income, expense, and balance sheets and similar records related to PIBH's overall financial position).
- D. Any audit or other review under this Section XVI. may include a review of the books, documents, and records of PIBH and its affiliated Agencies For Persons With Disabilities related to costs or pricing data for any contract or purchase order with the Commonwealth.
- E. Any review may include a review of the Disability Determination Documentation and the Documentation of Preclusion from Competitive Employment.
- F. PIBH and Agencies For Persons With Disabilities shall preserve books, documents, and records that relate to costs or pricing data for all Commonwealth contracts and purchase order(s) for a period of three (3) years from date of final payment.
- G. PIBH and Agencies For Persons With Disabilities shall preserve books, documents, and records that relate to Disability Determination Documentation and Documentation of Preclusion from Competitive Employment for three (3) years after the date of the termination of employment of the person with disability.
- H. PIBH and Agencies For Persons With Disabilities shall give full and free access to all records pertaining to this agreement or any other related agreement to the Commonwealth and/or its authorized representatives.

- I. The Department and PIBH have established contract compliance review guidelines, found in Exhibit B. These guidelines may be changed if both parties agree in writing.

XVII. NON-COMPLIANCE

- A. If a review of a Commonwealth contract or purchase order with PIBH determines that Persons With Disabilities are not making an Appreciable Contribution to the manufacture of Goods or the performance of Services, or that PIBH and/or an Agency For Persons With Disabilities is not in compliance with other requirements of the Code, the Department's Program Manager shall notify PIBH and the Agency For Persons With Disabilities in writing. PIBH and the Agency For Persons With Disabilities shall take immediate steps to correct the deficiency. If the deficiency is not corrected within 45 calendar days, the Commonwealth Purchasing Agency may enter into a contract with, or issue a purchase order to, another contractor to provide comparable goods or services without PIBH or Agency For Persons With Disabilities participation. Nothing in this section shall be construed to waive PIBH's rights to dispute the termination.
- B. If a Commonwealth Purchasing Agency determines that PIBH and/or an Agency For Persons With Disabilities are not in compliance with the requirements of the contract or purchase order, the Commonwealth Purchasing Agency shall notify PIBH and the Agency For Persons With Disabilities in writing. PIBH and the Agency For Persons With Disabilities shall take immediate steps to correct the noncompliance. If the noncompliance is not corrected within 45 calendar days, the Commonwealth Purchasing Agency may terminate the purchase order and procure comparable goods or services from another contractor. Nothing in this section shall be construed to waive PIBH's right to dispute the termination, nor shall this section be construed to preclude a Commonwealth Purchasing Agency from procuring comparable goods or services through an emergency purchase order when PIBH or an Agency For Persons With Disabilities is deemed to be in noncompliance.

XVIII. ASSIGNABILITY AND SUBCONTRACTING

- A. PIBH may not assign this Agreement to another party without the Department's written consent.
- B. PIBH shall not subcontract with any person or entity, except with an Agency For Persons With Disabilities, to perform all or any part of the work to be performed under any Commonwealth contract or purchase order without the prior written consent of the Commonwealth Purchasing Agency, which consent may be withheld at the sole and absolute discretion of the Commonwealth Purchasing Agency.

XIX. ENTIRE AGREEMENT & MODIFICATIONS

- A. This Agreement constitutes the entire agreement between the Commonwealth and PIBH and supersedes all prior negotiations, representations, or agreements, whether written or oral.
- B. This Agreement shall be interpreted, construed, and enforced in accordance with the laws of the regulations promulgated by the Commonwealth of Pennsylvania. The parties recognize that it is not their intent to impair, reduce, modify, change, or violate any existing statutory requirements. Any laws or regulations promulgated after execution of this Agreement which conflict with a provision in this Agreement, shall automatically preempt such provision and becomes a part of the Agreement, fully binding on the parties.

C. This Agreement shall be binding upon the parties and their respective successors and assigns.

The Commonwealth Purchasing Agency must offer a contract for these Goods or Services to PIBH at the Department-established fair market price. If PIBH declines to provide the Goods or Services through an Agency For Persons with Disabilities, the Commonwealth Purchasing Agency may then proceed to contract for the Goods or Services through the other procurement methods.

1.0 General Introduction

- 1.1 The Chief Procurement Officer for the Department of General Services (“Department”), Bureau of Procurement, is issuing these contract compliance review guidelines.
- 1.2 These guidelines provide technical assistance and guidance necessary to facilitate program-specific review requirements to permit the Commonwealth to track the compliance of PIBH and/or other agencies for persons with disabilities with applicable law on an ongoing basis.
- 1.3 The Department will conduct the reviews in accordance with the Standards established by the American Institute of Certified Public Accountants, Section 520 of the Commonwealth Procurement Code, Department policy, and these guidelines. Where applicable, the Department’s review will comply with Generally Accepted Government Auditing Standards (GAGAS).

2.0 Background

- 2.1 Section 520 of the Commonwealth Procurement Code (62 Pa.C.S. § 520) known as the Supplies Manufactured and Services Performed by Persons with Disabilities law (“Code”), provides for Commonwealth agencies to procure goods manufactured and services performed by persons with disabilities.
- 2.2 The purpose of the Code is to encourage and assist persons with disabilities in achieving maximum personal independence by creating jobs and training for persons with disabilities, thereby minimizing their dependence on public assistance and need for costly institutionalization, while at the same time, increasing tax revenues.
- 2.3 The Code appoints the Department to carry out duties that facilitate the state’s policy as set forth in the Code.
- 2.4 PIBH is the central non-profit agency that markets and sells goods manufactured and services performed by persons with disabilities through agencies for persons with disabilities. PIBH is awarded various contracts throughout the Commonwealth pursuant to the Operational Agreement, and in accordance with Section 520 of the Commonwealth Procurement Code, 62 Pa.C.S. § 520 (“Section 520”), which gives agencies for persons with disabilities preferential treatment in securing certain Commonwealth contracts.
- 2.5 In accordance with the requirements established in Section 520, the Commonwealth is required to enter into contracts for goods manufactured and services performed by persons with disabilities without the requirement for competitive bidding.
- 2.6 Section 520 also requires the Department to determine the fair market price of any goods manufactured or services performed by persons with disabilities and offered for sale to any Commonwealth agency by an agency for persons with disabilities (“Agencies For Persons With Disabilities”). The Department is also required to revise the prices in accordance with changing market conditions.
- 2.7 For an Agency for Persons With Disabilities to be awarded a contract under Section 520 of the Code, persons with disabilities must make an appreciable contribution in manufacturing goods or performing services. To meet the “Appreciable Contribution” standard, the Code requires:
 - a. At least 75% of the personnel either engaged in the direct labor of manufacturing goods or engaged in the direct labor in performing

services in this Commonwealth must be visually impaired, mentally retarded or physically disabled. In addition, at least 75% of the amount paid by the Commonwealth agency for the goods or the services shall be remitted to the Agency For Persons With Disabilities to cover payment of wages and salaries to persons with disabilities and to cover other actual manufacturing costs incurred by the Agency For Persons With Disabilities in manufacturing goods.

- b. When the Commonwealth enters into a contract under the Code for the operation of the Commonwealth's driver's license photo centers, at least 70% of the amount paid by the Commonwealth shall be used to cover payment of wages and salaries to persons with disabilities and to cover other actual manufacturing costs, real estate lease costs, property insurance and other costs which are specifically required by contract.
- c. The Department must determine whether the Agency For Persons With Disabilities meets these standards before awarding any no-bid contract.

2.8 When the Commonwealth enters into a contract under the Code with a cost exceeding \$300,000 per year, the Code requires that the Department, in cooperation with the purchasing agency, conduct an annual review to confirm compliance with the contract and, at minimum, an assessment of the "appreciable contribution" requirements.

- a. If this review determines that the persons with disabilities are not making an appreciable contribution in manufacturing goods or performing services, or that an Agency For Persons With Disabilities is not in compliance with other requirements of the Code, the Department shall give the noncompliant Agency For Persons With Disabilities 45 days to remedy the deficiency. If the Agency For Persons With Disabilities fails to remedy the deficiency within 45 days, the Department must find the Agency For Persons With Disabilities noncompliant with its contract, and the purchasing agency may then terminate the contract and seek to procure the goods or services through a competitive bidding process.
- b. Nothing in the Code precludes a purchasing agency from procuring goods or services through an emergency contract when an Agency For Persons With Disabilities is deemed to be noncompliant.

2.9 Commonwealth contract purchase orders are issued directly to PIBH; therefore, PIBH is responsible for submitting any invoices to the Commonwealth. After the Commonwealth receives the invoice(s) from PIBH, the Commonwealth pays the total amount due to PIBH, and PIBH pays its member agencies (less the PIBH commission).

2.10 The Department, at its discretion, may perform random reviews on any or all Commonwealth contracts entered into under the Code, regardless of the contract amount. The Department, at its discretion, may also perform random reviews on PIBH and any of its member agencies, to determine overall compliance with the Code. For purposes of these Guidelines, the term "review" includes any level of financial and documentary review, from informal examinations through formal audits.

3.0 Definitions

In addition to the definitions outlined in the Code, the Department has included the following definitions for convenience and/or has expanded on the definitions to include the Department's interpretation of the statutory definition:

- 3.1 Direct Labor – All labor or work identified specifically with manufacturing specific goods or performing particular services. The term does not include supervision, administration, inspection, overhead, or shipping.
- 3.2 Direct Labor Requirement – The requirement that at least 75% of the personnel either engaged in the direct labor of manufacturing goods or engaged in the direct labor in performing services in this Commonwealth must be visually impaired, mentally retarded, or physically disabled.
- 3.3 Manufacturing – The transformation of raw materials or the assembly of essential component parts, or a combination of both, in the production of goods different in form, composition, or character from the raw materials or the essential component parts. This definition applies only to the assembly of goods.
- 3.4 Mentally Retarded – Sub-average general intellectual functioning which originates during the developmental period and is associated with the impairment of maturation, learning or social adjustment.
- 3.5 Overhead – Operating expenses not readily identified with a particular contract, but necessary for the general operation of the contract, exclusive of labor and materials. "Expenses" as used in this definition include rent, utilities, accounting, training, transportation, uniforms, clerical support, licenses, office expenses and such other expenses as approved by the Department in its sole discretion.
- 3.6 Payment Requirement – The requirement that at least 75% (or, for operation of the Commonwealth's photo driver license centers, 70%) of the amount the purchasing agency pays for the goods or services be remitted to the Agency For Persons With Disabilities to cover payment of wages and salaries to persons with disabilities and to cover other actual manufacturing costs the Agency For Persons With Disabilities incurs in manufacturing goods. Wages and salaries to persons with disabilities, and all costs associated with manufacturing goods and/or performing services, may be considered as "manufacturing costs" to be included in this requirement. Wages and salaries for Direct Labor to non-disabled persons and non-allowable costs such as sub-contracting the prime scope of work under the main contract are excluded.
- 3.7 Person With a Disability – A person who is visually impaired, mentally retarded, or physically disabled within the definitions of those terms in these Guidelines.
- 3.8 Physically Disabled – A limitation of most activities and functioning by virtue of a severe impairment of any of the various bodily systems that precludes competitive employment and cannot be eliminated, modified, or substantially reduced by standard rehabilitation services. The term shall include the inability to engage in competitive employment by reason of any physical disability or mental illness that can be expected to last for a continuous period of not less than 12 months.
- 3.9 Subcontractor – An individual or company that performs part of the contract on behalf of PIBH and/or the Agency For Persons With Disabilities.

- 3.10 Visually Impaired – A condition in which central visual acuity does not exceed 20/200 in the better eye with correcting lenses or in which the widest diameter of the visual field subtends an angle no greater than 20 degrees.

4.0 Initial Contract Compliance Review

- 4.1 The Department will send an Engagement Letter, specifying the entrance conference date to discuss the planned review, to PIBH and also to the Agency For Persons With Disabilities. The Engagement Letter is a formal document that defines the Compliance Officer's responsibility, authority and accountability for a specific assignment. The letter will include a list of the contracts and the timeframe that will be reviewed.
- 4.2 PIBH and/or the Agency For Persons With Disabilities shall have a minimum of one-week to prepare for the review.
- 4.3 On the specified date, the Department will conduct an entrance conference to obtain preliminary documents and an overview of PIBH and/or the Agency For Persons With Disabilities. PIBH and/or the Agency For Persons With Disabilities shall provide a contact personnel list of individuals responsible for certain PIBH and/or Agency For Persons With Disabilities activities, such as accounting records, human resource records, time cards, and payroll sheets. Interview each person to gain an understanding of policies and procedures.
- 4.4 To assist the Department with the review, PIBH and/or the Agency For Persons With Disabilities shall be prepared to provide the following items for the contract(s) and contract term(s) that are being reviewed:
- a. By-Laws
 - b. Performance Bond (if applicable)

 - a. Both parties have signed the contract.
 - b. Any supplements added or modifications have been properly approved.
 - c. No work was started before the notice to proceed date.

- 6.6 Review all subcontracts to determine whether the subcontract is to perform part of the prime scope of work under the main contract or whether the subcontract covers ancillary or support services to the main contract. Only the costs of ancillary or support services subcontracts are allowable costs; the review shall disallow costs of subcontracting the prime scope of work under the main contract.

7.0 Contract Compliance

- 7.1 For each contract, determine if the Agency For Persons With Disabilities meets the Direct Labor Requirement.
- a. Identify all employees, including supervisors, working on the contract during the reviewed timeframe.

- a. Mentally Retarded – Does the Agency For Persons With Disabilities have a written report on file, signed by a physician and/or psychologist licensed to practice in the Commonwealth, which clearly indicates that the individual meets the definition in Section 3.4 of these Guidelines?
 - b. Visually Impaired – Does the Agency For Persons With Disabilities have a record on file, signed by an optometrist or ophthalmologist, or another Department-accepted medical record, which clearly indicates that the individual meets the definition in Section 3.10 of these Guidelines?
 - c. Physically Disabled – Does the Agency For Persons With Disabilities have medical documentation on file, signed by a physician and/or qualified psychologist licensed to practice in the Commonwealth, which discloses that the employee has a physical disability?
 1. If yes, review the medical documentation to determine whether the employee meets the definition of a Physically Disabled person in Section 3.8 of these Guidelines. Medical professionals should be encouraged to use the Health Professional Certification form attached to these Guidelines. The medical documentation must:
 - i. Identify the physical disability
 - ii. Indicate the severity of the impairment, and
 - iii. Include a prognosis concerning the impairment stating that it cannot be eliminated, modified or substantially reduced by standard rehabilitation services in fewer than 12 months
 2. If the documentation does not meet the requirements of subparagraph 7.2.c.1.ii and iii, the Agency For Persons With

Disabilities may substitute for this information required by 7.2.c.1.ii and iii:

- i. A Disability Determination Worksheet on file that has been completed and signed by a rehabilitation specialist, or
 - ii. A referral from OVR/BBVS, SSI/SSDI, MH/MR, VA, or a Pennsylvania Board of Education-Certified School Psychologist referring the employee to the Agency For Persons With Disabilities.
 3. If no medical documentation of a physical disability is available, and there is no OVR/BBVS, SSI/SSDI, MH/MR, VA, or a Pennsylvania Board of Education-Certified School Psychologist referral documentation nor a completed and signed Disability Determination Worksheet on file, the employee cannot be counted towards the Direct Labor Requirement.

- a. Review PIBH-210, PIBH-220 and/or PIBH-230 Forms.
 - b. Reconcile the PIBH/Agency For Persons With Disabilities invoices with the FMIS records.
 - c. Determine the amount the Agency For Persons With Disabilities paid as direct wages to persons with disabilities after deducting non-allowable costs.
 1. Identify, by pay period, the direct wages the Agency For Persons With Disabilities paid to employees, including employer taxes, workers' compensation insurance, and fringe benefits.
 2. Verify hours billed to original timesheets.
 3. Verify employees' labor rates billed to payroll register.

- d. Identify and compute the total allowable costs used at each contract site from documentation including, but not limited to, general ledger entries, vendor invoices, and internal shipping documents.
- e. Calculate the appreciable contribution (as defined in Section 2.7 of these Guidelines) for the amounts paid to determine whether it meets the Payment Requirement.

8.0 Reporting

- 8.1 Complete the Form – Section 520 Inspection Checklist
- 8.2 The Chief Procurement Officer for the Department's Bureau of Procurement, with the assistance of the Program Manager, will prepare and provide a signed report to the Department's Deputy Secretary for Procurement certifying, at a minimum, the Department's findings and conclusions on the following:
 - a. Whether the time, billing, and payroll records were sufficiently complete and reliable for the Department to determine compliance with the Direct Labor Requirement as defined in Section 3.2 of these Guidelines and the Payment Requirement as defined in Section 3.6 of these Guidelines. If the records are not sufficiently complete and reliable, list the deficiencies and make recommendations.
 - b. A breakdown of the portion of Direct Labor hours, for the overall contract term, that were worked by review-verified persons with disabilities.
 - c. A breakdown of the portion of the total number of sampled review-verified employees who performed Direct Labor as defined in Section 3.1 of these Guidelines during the contract term.
 - d. The steps being taken to resolve any findings and recommendations from previous Department reviews.
- 8.3 The Chief Procurement Officer is required to submit the signed report to the Department's Deputy Secretary for Procurement within 120 calendar days after the review's official start date.
- 8.4 All records identifying PIBH and/or Agency For Persons With Disabilities employees are to be treated as confidential records and protected from review by unauthorized persons both within and outside of the Department.
- 8.5 The Deputy Secretary for Procurement reserves the right to verify any and all information contained in the reviewed PIBH and/or Agency For Persons With Disabilities files, maintaining confidentiality during any such verification review.

9.0 Notification of Compliance or Non-Compliance

- 9.1 If the Deputy Secretary for Procurement concurs with the review findings, the Chief Procurement Officer shall notify PIBH and the Agency For Persons With Disabilities and the Commonwealth purchasing agency of the review findings.
- 9.2 If the review determines that persons with disabilities are not making an Appreciable Contribution in manufacturing goods or performing services, or that PIBH and/or an Agency For Persons With Disabilities is not in compliance with other

requirements of the Code, the Chief Procurement Officer shall give PIBH and/or the Agency For Persons With Disabilities 45 calendar days in which to remedy the deficiency.

- 9.3 PIBH and/or the Agency For Persons With Disabilities must respond to the Department in writing within 45 calendar days after receipt of the Chief Procurement Officer's notice. The response should:
- a. If PIBH and/or the Agency For Persons With Disabilities believes that it is in compliance with the Code and these Guidelines, state the reasons, with supporting documentation, why PIBH and/or the Agency For Persons With Disabilities is in compliance with the requirements; or,
 - b. Report that PIBH and/or the Agency For Persons With Disabilities have achieved compliance and state the actions that PIBH and/or the Agency For Persons With Disabilities has taken to achieve compliance.
- 9.4 If PIBH and/or the Agency For Persons With Disabilities do not submit a written response within the 45 calendar days, the Chief Procurement Officer may notify PIBH and/or the Agency For Persons With Disabilities in writing that the Department has proposed termination of the contract and/or removal of the goods and/or services from the contract.
- 9.5 If PIBH and/or the Agency For Persons With Disabilities fail to remedy the deficiency within 45 calendar days, PIBH and/or the Agency For Persons With Disabilities shall be deemed not to comply with the contract, and the Chief Procurement Officer shall notify the purchasing agency that it may terminate the contract and seek to procure the goods or services through a competitive bidding process.

Nothing in the Code shall preclude a purchasing agency from procuring goods or services through an emergency contract when PIBH and/or an Agency For Persons With Disabilities is deemed not to comply with the Code or these Guidelines.

Pennsylvania Industries for the Blind and Handicapped

HEALTH PROFESSIONAL CERTIFICATION FORM – Instructions:

The Pennsylvania Industries for the Blind and Handicapped, in cooperation with the Commonwealth of Pennsylvania Department of General Services, provides this form to assist medical professionals in making the certifications required to qualify a person with disabilities for employment related to contracts between Commonwealth of Pennsylvania state government agencies and agencies for persons with disabilities. The information appearing below the solid line on this page gives more detailed information about this Commonwealth purchasing program.

Your cooperation in completing this form will assist the Commonwealth and Pennsylvania Industries for the Blind and Handicapped in making a determination which may result in paid employment for your patient. The Commonwealth of Pennsylvania contracts with agencies for persons with disabilities for the provision of goods manufactured and services performed by persons with disabilities.

Please complete the appropriate items on the attached checklist regarding your patient. If you determine that any answer requires further explanation, space is provided at the end of the form on which you may include any information you believe will be relevant to this determination.

Thank you for your cooperation. Should you have any questions, please contact _____ at _____ (phone) or _____ (e-mail).

Commonwealth Purchasing through PIBH

To provide persons with severe disabilities with meaningful employment and training, the Commonwealth Procurement Code (Code) establishes a method for contracting for products manufactured by and services performed by persons with disabilities. Under this contracting method, Commonwealth agencies may contract with non-profit agencies for persons with disabilities for these products and services if they are available at a price the Department of General Services (DGS) determines to be a fair market price. There is no requirement for Commonwealth agencies to use competitive bidding to procure these products and services.

To be eligible to participate in this program, non-profit agencies for persons with disabilities must certify to DGS that persons with designated disabilities – visual impairment, mental retardation, or physical disability – will make an appreciable contribution to the manufacturing of the product or the performance of the service. In each case, DGS makes the final determination of eligibility. The non-profit agencies must also be capable of manufacturing the product or performing the service in accordance with the Commonwealth's contract requirements.

DGS has designated Pennsylvania Industries for the Blind and Handicapped, commonly known as PIBH, as the central non-profit agency to coordinate the marketing of all products and services available to Commonwealth agencies through the various non-profit agencies for persons with disabilities. PIBH creates and provides an annual updated catalog of available products and services to Commonwealth agencies.

DGS monitors PIBH and the participating non-profit agencies for compliance with the statutory requirements that agencies for persons with disabilities must fulfill in manufacturing products and performing services for Commonwealth agencies. DGS, in cooperation with the purchasing Commonwealth agency, is required to conduct annual compliance reviews of all Commonwealth contracts with agencies for persons with disabilities where the cost exceeds \$300,000 per year.

**Tips on Doing Business with PIBH and
Using the PIBH Statewide Requirements
Contract 4600009099 (Legacy Contract Number 9980-02)**

- 1.) All Agencies are required to use EBPro, except for those Agencies that plan to inventory the PIBH item in SAP upon receipt (continue to use R3 for this function). Orders created without reference to a shopping cart do not pass through the preliminary approvals that may have been required for the purchase. The following instructions have been posted to the DGS website:

[PIBH eCatalog Instructions](#)

[PIBH Special Request Instructions](#)

You can view these instructions by visiting the DGS website at www.dgs.state.pa.us, click on "Procurement", click on "View Statewide Requirements Contracts", enter contract number "9980-02", click on the contract number "9980-02", and click on the applicable instructions.

- 2.) Agencies may not use the Commonwealth purchasing card to order items that are on the PIBH State Contract 4600009099.
- 3.) This contract is now a line item contract; therefore, a material master was assigned to most PIBH items. Do not change the short text for the material master. Include any special comments under "Item Text" for that particular line item.

Do not delete the PIBH Item Number pre-entered under the "Item Text". If the item that you want to order does not match the item number for this specific line item, then you are not using the correct line item. Do not delete the given PIBH Item Number and replace it with another item.)

If no line item is available for the goods or services that you are procuring, please contact Betty Goodling at 717-787-7324, or email begoodling@state.pa.us. Substituting another line item gives DGS incorrect usage reports, and DGS will require that you correct the discrepancy.

- 4.) Agencies that inventory must convert the old material master to the new material master. You must complete this material master conversion before you can order the PIBH item under the new contract. Attached are the instructions for completing the conversion. However, if you require any assistance, you may contact Bill Gibson from IES at 717-705-9226.
- 5.) There is a PIBH Carve-Out List that includes all goods and/or services that you must first offer to PIBH before you can purchase the goods or services from any other supplier. The PIBH Carve-Out List is attached in SAP Contract 4600009099 and posted on the DGS website. You can view the [PIBH Carve-Out List](#) by visiting the DGS website at www.dgs.state.pa.us, clicking first on "Procurement" and then on "View Statewide Requirements Contracts", entering contract number "9980-02", clicking on the contract number "9980-02", and finally clicking on "PIBH Carve-Out List".
- 6.) DGS must establish a fair market price for any goods or services that are being offered to PIBH under Section 520 of the Commonwealth Procurement Code. This applies to all goods or services that are on the PIBH Carve-Out List for which there was no pre-determined fair market price listed. In addition, regardless of the estimated cost, DGS must still establish the price...even if the item will only cost \$0.01.
- 7.) If the goods or services are not listed on the PIBH Carve-Out List, then you are not required to offer the goods or services to PIBH. You may proceed with purchasing the goods or services through another procurement method (not Section 520). In this case, you would proceed under the standard Commonwealth procurement process for items that you want to order that are not on any state contract.

However, if you would still prefer to order the goods or services from PIBH, even though the item is not listed on the PIBH Carve-Out List, you may request that DGS establish a fair market price. In this case, you would not release the order against contract 4600009099. Instead, you would issue a standard Purchase Order and attach the DGS-established fair market price letter to your Purchase Order in SAP R/3. (You may not proceed with the procurement from PIBH under Section 520 unless DGS establishes a fair market price.)

- 8.) For services, Agencies shall issue each Purchase Order for a one-year period and issue a new purchase order for each year thereafter, to cover the next service period. This process is not to exceed four additional one-year periods, for a total of five years. The price adjustment clause will apply to the 2nd, 3rd, 4th and 5th year service period.

For a purchase order that covers two fiscal years, there should be a separate line item for each fiscal year. Please do NOT change the short text. You may add special comments under "Item Text" for the applicable line item.)

- 9.) Do not order any PIBH item directly from PIBH if the PIBH item is available on another contract. You must order the PIBH item from the applicable contract. Currently, there are PIBH items on the following contracts:

PIBH Statewide Requirements Contract 4600009099

(Legacy Contract Number 7220-05)

- 10.) For your convenience, an Excel spreadsheet is attached to SAP Contract Number 4600009099. This workbook includes all PIBH items and references which contract you should order the PIBH item against. Instructions for using the spreadsheet are included in the workbook.

Please contact Betty Goodling at the Department of General Services if you require any assistance related to PIBH. Her telephone number is 717-787-7324, or email begoodling@state.pa.us.

Procedure for Procuring Goods and Services from PIBH

I. General Provisions:

- A. Scope.** For goods and services included on the most current DGS-approved [PIBH Carve-Out List](#), purchasing agencies are required to use these procedures to procure goods and services offered by Pennsylvania Industries for the Blind and Handicapped (PIBH).
1. Where the desired goods or services are listed **with an entry including a price** in either the Statewide Requirements Contract for Procuring Goods Manufactured and Services Performed by Persons With Disabilities, SAP Contract No. 4600009099 ("Requirements Contract") or the most current DGS-approved PIBH Catalog, the purchasing agency should issue a Requirements Contract purchase order to PIBH using the PIBH Punch-Out Catalog, accessible through EBPro at www.myworkplace.state.pa.us.
- Exception:** If the purchasing agency plans to inventory the PIBH product in SAP upon receipt, it should continue to use R3, not EBPro, to purchase the goods with reference to Outline Agreement 4600009099 and the applicable agreement line item.
2. Where the desired goods or services are listed **without a price** in either the Requirements Contract or the most current DGS-approved PIBH Catalog, the purchasing agency is required to follow the procedures in Section B.
- B. PIBH contact required.** Before proceeding with the release of any solicitation (invitation for bids, request for quotes, request for proposals) or other procurement documents that meet the criteria listed in Section A of these procedures, the purchasing agency must first offer the proposed procurement to PIBH.
1. If the procurement is expected to exceed \$20,000 annually, the purchasing agency must create a Purchase Requisition (PR), attach the specification/work statement, including any desired special contract terms and conditions developed in consultation with the agency's legal office, to the PR in SAP, and route the PR to the DGS PIBH Program Manager (Purchasing Group JA8) for review prior to releasing the specification/work statement to PIBH.
 2. After DGS has completed its review of the specification/work statement, or if the procurement is estimated to total under \$20,000 annually, the purchasing agency shall provide PIBH with a copy of the specification/work statement for the desired goods or service.
 3. Where the purchasing agency desires to use factors other than cost to procure the goods or service and would, if the goods or services were not included on the PIBH Carve-Out List, issue a Request for Proposals (RFP), the purchasing agency shall, in consultation with its legal office, prepare a specification/work statement. The purchasing agency may require a written proposal from PIBH if it is interested in providing the goods or services. It is not necessary to use the standard Commonwealth RFP format for the PIBH work statement.

4. The request shall specify a reasonable time period for PIBH to respond to the agency. The specified period shall not be fewer than five business days after receipt of the specification/work statement or, if a site-visit is required, not fewer than ten business days after receipt of the specification/work statement. If the purchasing agency requests a written proposal, the purchasing agency shall set a reasonable required time frame, ordinarily at least 30 days, for PIBH to respond with its proposal.
5. The purchasing agency shall send all requests to the PIBH contract coordinators, and a copy to the DGS PIBH Program Manager/Assistant. The PIBH contract coordinators are:

Goods:

Ed Gibley, EdG@pibh.org
Tel. 717-236-3610; Fax 800-561-9794

Services:

Tracy DeBlasio, TracyD@pibh.org
Tel. 717-236-3610; Fax 800-561-9794;

and

Candy Zebley, CandyZ@pibh.org
Tel. 717-236-3610; Fax 800-561-9794

- C. PIBH Response.** PIBH must respond to the purchasing agency request within the specified time frame if PIBH is interested in the procurement. If the PIBH response indicates that PIBH is either not interested or not capable of manufacturing the goods or performing the services, or if PIBH does not respond within the specified time frame, the purchasing agency may then proceed with a non-PIBH procurement using one of the other methods of awarding contracts. Upon receipt of the response/proposal, the purchasing agency must determine if PIBH is capable of providing the goods services.
1. In the case of a procurement that would otherwise be released for bids, the purchasing agency shall base the determination solely on the specification/work statement the procurement documents to qualify a bidder for the contract.
 2. If the purchasing agency would otherwise use the RFP process for the procurement, the purchasing agency shall base its determination solely on the factors the agency would otherwise use to determine the technical merit of any proposal for the procurement.
 - a. The purchasing agency will have an opportunity to review PIBH's proposal to determine PIBH's capability to perform on a pass/fail basis.
 - b. The purchasing agency should not score the PIBH proposal, nor should PIBH's proposal be compared with any other proposals. The purchasing agency shall base its determination solely on the factors the agency would otherwise use to determine the technical merit of any proposal for the procurement.
- F. Fair Market Price Determination.** The Commonwealth shall not purchase, and PIBH shall not sell, any goods or services unless and until DGS has established a fair market

price and PIBH has agreed to manufacture the goods or perform the services at the DGS-established fair market price.

- G. Procurement procedures.** The purchasing agency shall use the “Special Request” section, accessible through EBPro at www.myworkplace.state.pa.us, to purchase goods and services for which the applicable eCatalog or Requirements Contract entry includes no price. Refer to the “[PIBH Special Request Instructions](#)”.
- H. Option to Extend.** As provided in the contract or purchase order, the purchasing agency may, upon notice to PIBH, extend, without any price change, any service purchase orders in whole or in part. Any extension to prevent a lapse in contract coverage shall be effective only for the time necessary to execute a new purchase order, up to three months.

Note to Purchasing Agency: Use the “Option to Extend” clause only when circumstances beyond your contractile will prohibit you from issuing a new purchase order before the current purchase order expires.

- I. Price Adjustments.** DGS-established fair market price(s) shall remain firm for the first year of the contract period. Both the contractor and the purchasing agency may request an annual price adjustment at the end of each contract year for the subsequent year. Such price adjustment requests must be in writing and delivered to the other party no later than 45 days prior to the anniversary date of the initial Purchase Order.
1. The requesting party shall base its requested price adjustment on the percentage change in the most recent U.S. Department of Labor Bureau of Labor Statistics (USDOL) final determination of the Producer Price Index (PPI), Consumer Price Index for All Urban Consumers (CPI-U), or Employment Cost Index (ECI) for the contract period. PIBH must include the applicable industry code from the North American Industry Classification System (NAICS).
 2. If the percentage change in the applicable USDOL index exceeds 4% in any one-year period, and a party requests a price adjustment in accordance with that change, the requesting party shall submit documentation to the other party to justify its request for a price adjustment. If the receiving party does not accept the documentation, the receiving party shall ask DGS to establish a new fair market price for the coming year.
 3. The purchasing agency may adjust the DGS-established fair market price in accordance with the price adjustment clause without DGS approval for up to four additional one-year periods.

II. Purchasing Procedures:

Action by:

Purchasing
Agency

Required action:

1. Determine the need for goods or services available through PIBH.
 - a. The purchasing agency prepares a work statement/specification, including performance standards, the extension option and price adjustment language required under Sections H. and I. of the General Provisions of these Procedures, and any desired special contract terms and conditions, including liquidated damages provisions and, where applicable, insurance provisions. Where required by state or federal regulations and policy, the specification/statement of work must also include all applicable Disadvantaged Business forms and provisions.
 - i. Where a requisitioner creates the specification/work statement, the requisitioner e-mails/faxes the specification/work statement to the purchasing agency; and,
 - ii. The requisitioner creates a “shopping cart” for the goods or services from the Special Request section of the PIBH Punch-Out Catalog in EBPro. Refer to the “[PIBH Special Request Instructions](#)”.

Purchasing
Agency

2. The purchasing agency receives a Purchase Requisition and the specification/work statement for the goods or services.
 - a. The purchasing agency reviews the Purchase Requisition to make sure it contains all pertinent information and is consistent with the specification/work statement. The agency’s legal office should participate in this review.
 - b. When the purchasing agency is satisfied with the specification/work statement, the purchasing agency should route the Purchase Requisition, with attached specification/work statement, to the DGS PIBH Program Manager (Purchasing Group JA8) for review prior to releasing the specification/work statement to PIBH, and proceed to Section 3 of these procedures. **Exception:** If the estimated annual contract expenditure is less than \$20,000, the purchasing agency should proceed directly to Section 5 of these procedures.

Action by:**Required action:**

DGS

3. Upon receipt of the Purchase Requisition and specification/work statement, the DGS PIBH Program Manager forwards the specification/work statement to the appropriate Commodity Manager for Commodity Specialist review.
 - a. The Commodity Manager assigns the specification/work statement review to a Commodity Specialist.
 - b. The Commodity Specialist reviews the specification/work statement, works directly with the Purchaser on any recommended changes, and assists the Purchaser in finalizing the specification/work statement.
 - c. Within ten business days after receipt of the specification/work statement, the Commodity Specialist forwards his/her approval on the final specification/work statement to the DGS PIBH Program Manager/Assistant.
 - d. The DGS PIBH Program Manager routes the Purchase Requisition and revised specification/work statement to the Purchaser.

Purchasing Agency

4. The purchasing agency receives and reviews for accuracy the Purchase Requisition and the revised specification/work statement. The agency should include its legal office in this review.

Purchasing Agency

5. The purchasing agency notifies PIBH of the proposed procurement with a request that PIBH determine whether it is capable of and interested in providing the desired goods or services. The purchasing agency sends the final specification/work statement with the notice to PIBH, with a copy to the DGS PIBH Program Manager/Assistant.

PIBH

6. PIBH reviews the specification/work statement and responds to the purchasing agency (with a copy to the DGS PIBH Program Manager/Assistant).
 - a. For work that would otherwise be procured through an Invitation For Bids, PIBH must respond within five business days after receipt of the specification/work statement, or, if a site visit is required, within ten business days after receipt of the specification/work statement.
 - b. For work that would otherwise be procured through a Request For Proposals, where the purchasing agency

 - b. If PIBH does not meet the specification/work statement, the purchasing agency shall provide a written explanation for the determination to PIBH and the DGS PIBH Program Manager/Assistant.

Action by:**Required action:**

- i. The purchasing agency may, with DGS approval, proceed to procure the goods or services through the standard procurement process, and the remainder of these procedures shall not apply.
- ii. If PIBH timely files a dispute with DGS's Chief Procurement Officer under the terms of the Operational Agreement, DGS will notify the purchasing agency of the dispute and, in consultation with the purchasing agency, determine how to proceed.

DGS

9. The DGS PIBH Program Manager receives the Purchase Requisition and the specification/work statement, and any other pertinent information and, where applicable, PIBH's proposal. In addition, PIBH submits their requested price to the DGS PIBH Program Manager. The DGS PIBH Program Manager forwards all documentation to the assigned DGS Commodity Specialist, who will research a fair market price.
- a. The DGS Commodity Specialist shall refer to the DGS-PIBH Operational Agreement when performing a fair market price review.
 - b. Within five (5) business days after receipt of the request for researching a fair market price, the DGS Commodity Specialist shall forward a written fair market price recommendation to the DGS PIBH Program Manager, along with copies of documentation considered in making the recommendation. *Note: Where special circumstances exist, the DGS Commodity Specialist may request an extension to the due date from the DGS PIBH Program Manager, who shall have final discretion in determining whether to grant the request.*

DGS

10. The DGS PIBH Program Manager receives and reviews the fair market price recommendation from the DGS Commodity Specialist.
- a. If the DGS PIBH Program Manager concurs with the DGS Commodity Specialist's recommendation, the DGS PIBH Program Manager shall establish the fair market price as recommended.
 - b. If the DGS PIBH Program Manager does not concur with the DGS Commodity Specialist's recommendation, the DGS PIBH Program Manager may return the request to the DGS Commodity Specialist for further information, or

i. A letter identifying the selected Member Agency that will manufacture the goods or perform the services, including justification for the selection of that agency to manufacture the goods or perform the services.

ii. A completed PIBH Member Agency Certification Form (PIBH-210) for each person with a disability that will be engaged in the direct labor on the contract.

iii. A completed Appreciable Contribution Worksheet for Services (PIBH-220) or Appreciable Contribution Worksheet for Goods (PIBH-230), as appropriate.

Action by:**Required action:**

- i. If DGS determines that PIBH meets the Section 520 requirements, the DGS PIBH Program Manager shall issue a determination letter, attached to a copy of the purchasing agency's Purchase Requisition, notifying the purchasing agency to proceed with issuing a Purchase Order to PIBH, with a copy to PIBH.
 - ii. If DGS determines that PIBH does not meet the Section 520 requirements, the DGS PIBH Program Manager shall issue a determination letter, attached to a copy of the purchasing agency's Purchase Requisition, notifying the purchasing agency to proceed to procure the goods or services through the standard procurement process. The DGS PIBH Program Manager will verbally notify PIBH of the findings before releasing the determination letter to the purchasing agency.
 - iii. If PIBH timely files a dispute with DGS's Chief Procurement Officer under the terms of the operational agreement, DGS will notify the purchasing agency of the dispute and, in consultation with the purchasing agency, determine how to proceed.
 - b. If PIBH has chosen not to perform the contract at the DGS-established fair market price, the DGS PIBH Program Manager shall issue a letter, attached to a copy of the purchasing agency's Purchase Requisition, notifying the purchasing agency to proceed to procure the goods or services through the standard procurement process.

14. Select 'Back to Shopping Cart' and then 'Order' to complete the cart.

The shopping cart will become a requisition in R/3 with the contract number and contract line item included.

IMPORTANT: Selecting items from the PIBH catalog using the designated link does not order them. PIBH will not know of the request until a PO is presented to them through the Purchasing office.

Why can I not place certain items into my cart?

Services or items that are listed in the catalog, but do not include price, cannot be ordered via the PIBH catalog - they must be ordered in EBPro through the special request tab.

For example using Services / “General Bldg, Office Cleaning, Mtce Svc”:

Step 1-Select Category		Step 2-Select SubCategory

Because this service has no price listed in the PIBH eCatalog, you must order this example (Commodity Detail for 9980-5070-100 “General Bldg, Office Cleaning, Mtce Svc”) as a special request. You will not have an ‘Add to Basket’ icon as previously shown.

Please refer to the “PIBH Special Request Instructions”.
