

# Traffic Count Services Contract

## DESCRIPTION

- ✓ Contract 9985-27 covers Traffic Count Services for all agencies within the Commonwealth.
- ✓ There is no minimum dollar amount per order.
- ✓ Blanket purchase orders may be used by the contracting agency for a set period of time (e.g., month, quarter, etc., up to but no longer than one fiscal year).
- ✓ Contractor counts must be accepted by contracting agency prior to payment. A 10% dollar retainer shall be deducted from monthly invoices. The retainer shall be released to the contractor when 85% of the total number of counts listed on the purchase order has been accepted by the contracting agency.

## PRICING HIGHLIGHTS

Type of Count	Supplier Price Sheet
<b>Manual Counts</b>	Per supplier, per district, per price sheet.
<b>Volume Counts</b>	Per supplier, per district, per price sheet.
<b>Vehicle Classification Counts</b>	Per supplier, per district, per price sheet.

## PROCESS TO PURCHASE

- ✓ Go to DGS website at [www.portal.state.pa.us](http://www.portal.state.pa.us).
- ✓ Reference statewide contract 9985-27.
- ✓ Review *Contract Terms and Conditions*; *Supplier List*; and *Item Sheets Per Supplier, Per Type, and Per Price Sheet*.
- ✓ Currently, eleven suppliers are available for eleven districts.
- ✓ Contractors must maintain worker's compensation, public liability, and property damage insurance at their expense.
- ✓ Contractors are to use only those counters listed under the DGS Traffic Counter contract 9985-17. This contract may also be referenced at the DGS website, [www.portal.state.pa.us](http://www.portal.state.pa.us).

**SPECIAL CONTRACT TERMS AND CONDITIONS (CONT'D)**

**OPTION TO RENEW:** The Contract or any part of the Contract may be renewed for three (3) additional one (1) year terms by mutual agreement between the Department of General Services (DGS) and the Contractor(s). If the Contract is renewed, the same terms and conditions shall apply, and a new performance security or rider supplementing the original security if applicable will be required for each renewal term.

**PROPOSAL FORMS:** Bidders are cautioned to return all sheets of this Invitation for bids, except those specifications/bid sheets upon which no bid is submitted. Otherwise, the bid may be rejected.

**PROJECT MANAGER:** The Contractor shall designate a Project Manager to coordinate activities between the Contracting Agency and the Contractor for each project received by the Contractor from the Contracting Agency. All daily operational issues and their resolutions are to be handled by the Contractor's Project Manager. The Project Manager designated by the Contractor shall not be changed during any project unless the Contractor provides a five (5) day written notice to the Contracting Agency contact person.

**BILLING REQUIREMENTS:** The Contractor(s) is required to establish separate billing accounts with each using agency and invoice them monthly as directed. Invoices shall be itemized with adequate detail as required by agencies to verify charges. In no instance shall any payment be made for services that have not been "Accepted" and are not in accordance with the prices on the quote provided by the Contractor to the requesting agency. The Contractor shall deduct a 10% dollar retainage from each invoice submitted to the Contracting Agency. Invoices can only include Accepted Counts. "Accepted" means that the Contracting Agency has validated the accuracy of the Count Data for that location based on historical data and directional variation factors. Contractors shall be notified in writing of acceptance of each count within thirty (30) days of receipt of Counts. Counts not taken for any reason will be counted as non-acceptable Counts. Written correspondence including e-mail from the Contracting Agency indicating which Counts have been "Accepted" must be attached to each monthly invoice. Invoices must be delineated by fee structure and type of count.

**BLANKET CONTRACT PURCHASE ORDERS:** Commonwealth agencies may issue Blanket Contract Purchase Orders against this Contract. Such orders may cover all anticipated requirements for a set period of time (i.e. a month, quarter, or year.)

**Note:** The maximum period of time of a Contract Purchase Order shall be one year. These orders constitute the Contractor's authority to perform the services at the requesting agency site(s). All Contract Purchase Orders received by the Contractor up to and including the expiration date of the Contract are acceptable and must be performed in accordance with the Contract Purchase Order and the Contract. The period of performance under any Contract Purchase Order can extend beyond the expiration date of the Contract, but cannot exceed the performance time periods specified in the Contract. While no Contract Purchase Orders can be issued under the Contract after the expiration date of the Contract, the Contract does not expire and continues to be in effect for all existing Contract Purchase Orders until the performance time periods of the existing orders have expired. Each Contract Purchase Order will be deemed to incorporate the terms and conditions set forth in the Contract.

**PERFORMANCE SECURITY:** There shall be a 10% dollar retainage that the Contracting Agency shall deduct and withhold from each monthly invoice submitted by the Contractor. The retainage shall be released to the Contractor when 85% of the total number of Counts on the Purchase Order have been accepted. A Count not taken for any reason will be counted as a non-accepted Count.

**PRE-BID CONFERENCE:** The pre-proposal conference is for information only. Prospective bidders are encouraged to attend the pre-bid Conference to be held on January 24, 2003 at 10:30 AM via video-conference at all Eleven (11) Department of Transportation Engineering District Offices, addresses provided on page Seven (7). The purpose of the Conference is to clarify any points in the bid. Answers furnished during the conference will not be official until verified in writing, by the issuing office. Questions must be forwarded in writing to the buyer listed below to ensure that sufficient analysis can be made before an answer is supplied, e-mail preferred, by the close-of-business 5:00 pm January 13, 2003, please include 9985-27, the bid number. The answers to these questions shall be read at the Pre-Bid conference and posted to our website as specified below in "DGS Response to Bidders Questions".

Norman J. Kee, Buyer  
 Bureau of Purchases  
 Department of General Services  
 Room 414 North Office Building  
 Harrisburg, PA 17125  
 email: [nkee@state.pa.us](mailto:nkee@state.pa.us)

**DGS RESPONSE TO BIDDERS QUESTIONS:** DGS does not respond individually to written questions, all responses shall be posted to the DGS Procurement WebSite approximately ten (10) Commonwealth business days after the pre-bid conference in the form of Flyer(s). The posting of Flyer(s) to the website is the Official Notification to bidders of changes and clarification and no further notice shall be provided. **Attach the Flyer(s) to the original copy of your invitation bid proposal. Failure to do so may result in disqualification of your bid.** DGS WebSite [www.dgs.state.pa.us](http://www.dgs.state.pa.us) click Doing Business with DGS, click Bid Opportunities, click Supply and Service, click Bid Opportunities Search, insert 9985-27 bid number.

**BIDDING INSTRUCTIONS:**

- A. Bidders may submit for any number of Districts (Note: the Districts for this contract coincide with PENNDOT's 11 Engineering Districts).
- B. Bidder's pricing may vary from District to District. Prices for a District apply to all counts within the geographic area of the District. (map & list included in bid)
- C. Pricing applies 365 days per year.
- D. A separate price sheet must be submitted for each District and each type of count for which you are bidding.
- E. Bidders must submit a price for all price tiers and all roadway configurations on each price sheet (i.e., the entire price sheet must be completed with pricing). Bids not meeting this criteria may be considered non-responsive.
- F. Except for "Manual Counts", bidders must delineate pricing on the price sheets, and pricing may vary by:
  - a. District
  - b. Type of count
  - c. Number of counts (tiers delineated on price sheets)
  - d. And roadway configuration

- G. Manual Count pricing must be a "per person per hour" fixed fee.
- H. **Prices/bids are to include all costs** (including but not limited to travel expenses, benefits, overhead, profit, waste, un-accepted counts, etc.).

Although this Contract is written primarily for the Department of Transportation, other Commonwealth Agencies may avail themselves of these services. Prices provided by Contractor in each Engineering District shall apply to all Commonwealth Agencies within the Engineering District without exception.

**BIDDER QUALIFICATIONS:**

- a) Three acceptable references for traffic counts.
- b) A list of all contracts that have included traffic counts over the last 2 years, listing the locality, type, contact name and phone number.
- c) Subcontracting is not permitted under this contract without prior written consent of the Department of General Services Buyer.

**SPECIFICATIONS APPLICABLE TO ALL COUNTS:**

1. All counting operations are to be conducted with the safety of the crew and motoring public as the priority. The Contractor shall follow all Department of Transportation safety requirements and recommendations, particularly the "Work Zone Traffic Control, Traffic Counter Installations and Removal" found in *Exhibit A*.
2. Should the Contractor conclude that data collection at any site is not possible or presents unacceptable risk, the Contractor shall notify the Contracting Agency in writing within 5 calendar days of the site visit. Notification shall consist of identification of the location and a full description of the problem.
3. Any count not taken for any reason will be considered a non-accepted count.
4. Count data must be in either 15-minutes or 1-hour intervals, to be specified in the purchase order.
5. Contractor must initiate data collection within 30 calendar days of receipt of the purchase order.
6. All count data must be submitted within the following timeframes:
  - a. For purchase orders for 1 to 20 counts, 45 calendar days from receipt of the purchase order.
  - b. For purchase orders for 21 to 100 counts, 90 calendar days from receipt of the purchase order.
  - c. For purchase orders for 101 to 300 counts, 180 calendar days from receipt of the purchase order.
7. In addition to supplying the count data to the Contracting Agency, the Contractor shall e-mail a copy of all counts taken to [ra-penndotcounts@state.pa.us](mailto:ra-penndotcounts@state.pa.us)
8. The following items will be specified in each purchase order:
  - a. Type and number of counts by roadway configuration
  - b. Duration of the count(s) (e.g., 8, 24, 48 hours, etc.)
  - c. Scheduling requirements (e.g., particular day, holiday-exclusions, weekend exclusions, etc.)
  - d. Location(s)
  - e. Any special data format needs not specified herein (limited to *Microsoft* suite of products)
  - f. Bin requirements (e.g., number of vehicle classes, turns, etc.)

9. **Prices/bids are to include all costs** (including but not limited to travel expenses, benefits, overhead, profit, waste, un-accepted counts, etc.).
10. Multiple and simultaneous purchase orders from the same Contracting Agency with the same Contractor are permissible.
11. Contractor shall use only those counters listed on Department of General Services "Traffic Counters" contract #9905-17 as amended that may be found on the DGS web-site: [www.dgs.state.pa.us](http://www.dgs.state.pa.us) click Doing Business with DGS, click View Statewide Contracts, insert contract number.

Currently Approved Counters (PA DGS Contract #9905-17)	
Manufacturer	Model

**ADDITIONAL VOLUME COUNTS SPECIFICATIONS:**

12. Counts are to include all lanes and all directions of traffic. For non-divided roads, both directions shall be counted together. On parallel (divided) roads, a separate volume count must be taken for each direction. All directions must be counted in the same time period.
13. All counts on State Routes (SR) must be submitted in a format identical to the output for PENNDOT's Traffic Data Upload System (TDUS), specifically the Volume Count Record Layout. This format is detailed in *Exhibit B*. TDUS software may be obtained from PENNDOT's Bureau of Planning & Research by faxing a request to PENNDOT's Bureau of Planning & Research, Traffic Analysis Section at 717-783-9152.

**ADDITIONAL VEHICLE CLASSIFICATION COUNTS SPECIFICATIONS:**

14. Counts are to include all lanes and the count data shall be submitted by lane and direction.
15. All counts on State Routes (SR) must be submitted in a format identical to the output for PENNDOT's Traffic Data Upload System (TDUS), specifically the Machine Vehicle Classification Layout. This format is detailed in *Exhibit C*. TDUS software may be obtained from PENNDOT's Bureau of Planning & Research by faxing a request to PENNDOT's Bureau of Planning & Research, Traffic Analysis Section at 717-783-9152.

**ADDITIONAL MANUAL COUNTS SPECIFICATIONS:**

16. Manual counts may include, but are not limited to: turning movements, volume, and vehicle classification counts.
17. Contracting Agency may request a quote for the number of people needed to take a particular count or counts.
18. Invoices must be itemized as cost per person per hour.
19. Unless otherwise specified in the Purchase Order, manual counts must include all lanes and all directions of traffic.

**SENSITIVE INFORMATION/NEWS RELEASES:** Except as enumerated below the Contractor(s) shall not:

- (A) Publish or otherwise disclose, except to the Commonwealth and except matters of public record, any information or data obtained during the course of performance under the Contract, except with the consent of the ordering Commonwealth agency.
- (B) Release news relating to the performance of this Contract unless prior approved by the ordering agency. The ordering Commonwealth agency reserves the sole right to issue news releases regarding any incidents that may occur during the Contract term.

**METHOD OF AWARD: (MULTIPLE AWARD):** Except as otherwise provided, award will be made to all responsible and responsive bidders, who comply with the "Eligibility Requirements". Prices are not a factor in receiving an award for this Contract. Pricing must, however, apply to all agencies of the Commonwealth and shall be a factor in the agencies final selection. Commonwealth agencies shall select Contractors for the required service from the list of Contractors on the Contract based upon best value.

**UPDATE OPTION AND APPLICATION:** New Contractors may be added each calendar quarter during the Contract period or any renewal period by presenting the proper credentials, as outlined in the "Eligibility Requirements". Contractor(s) renewing their Contract agree to comply with the original terms and conditions and the Special Contract Terms And Conditions, as provided in the original Contract. In addition Contractor(s) may add additional Districts quarterly to their existing contract or during any renewal period, geographic pricing by District is acceptable.

**TRANSITION FROM EXISTING SERVICE CONTRACTS:** Some agencies may have existing Service Purchase Contracts for the services listed in this Contract. Upon award of this Contract, 9985-27 Traffic Count Services, agencies under the Governor's jurisdiction may continue their own Contracts but may not execute any renewal or extension options. At that point, the agencies must use this Contract.

**PRICE LISTS:** Bidders must submit a copy of their price list, no later than two days after notification from DGS for their services listed above in the "Statement of Work". All charges, including wages and benefits, equipment costs, costs for supervision, overhead, insurance etc. shall be included. The Contractor may not charge a higher price than that provided on their District price list, but may negotiate lower prices with the Contracting Agency. Contractors may not submit surcharges of any type, mileage or any other charges that were not previously disclosed on their original price list. At no time may a Contractor unilaterally change the services or prices of the Contract.

It shall be the responsibility of the Contractor to distribute new price lists to Commonwealth agencies. Approval of yearly price updates or adding additional locations must be approved in advance by the DGS Buyer. Approval of requests for yearly pricing updates will not affect the pricing under existing Contract Purchase Orders.

**DISTRICT PRICING:** District pricing is acceptable.

**UPDATE PRICE OPTION:** Contractors may adjust their prices one (1) time every twelve (12) month period during the Contract term and at any renewal. A Contractor seeking to update its price list shall submit a letter with adjusted prices in accordance with the Consumer Price Index Table 4. <http://stats.bls.gov/news.release/cpi.t04.htm> (Unadjusted percent change to the effective month/year of contract to preceding month/year) for Urban Wage Earners and Clerical Workers (CPI-W) for all U.S. Cities to the DGS Buyer requesting approval of the updated price list. Scroll to "Commodity and Service Group", sub heading Transportation services that is published by the U.S. Government's Department of Labor Bureau of Labor Statistics. The list will always be for the preceding full month more or less depending when the list is updated. The Contractor shall itemize all hourly price or other price changes in a clear and concise fashion. If approved, a Contract change notice will be issued by the Buyer, Department of General Services replacing the price list with the updated price list to the Contract. **(Example:** The Percent (%) change from September 2001 to September 2002 was 4.3%, this percentage would be added to the Contractor(s) Original Rate. Rates charged by the Contractor if other than hourly shall use the same percentage (%) factoring. If the Contractor(s) original rate was \$11.05 the New Rate would be \$11.53, additional years will be based upon the preceding year.)

**INSURANCE:** Contractors shall, at their expense, procure and maintain during the term of the Contract, the following types of insurance, issued by companies acceptable to the DGS and authorized to conduct such business under the laws of the Commonwealth of Pennsylvania:

- a. Worker's Compensation Insurance for all of the Contractor's employees and those of any subcontractor, engaged in work at the site of the project as required by law.
- b. Public Liability and Property Damage Insurance to protect the Commonwealth, the Contractor, and any and all subcontractors from claims for damages to property, including loss of use resulting from any property damage, which may arise from the activities performed under the Contract or the failure to perform under the Contract, whether such performance or nonperformance be by the Contractor, by any subcontractor, or by anyone directly or indirectly employed by either. The limits of such insurance shall be in an amount not less than \$500,000 each person and \$2,000,000 each occurrence, personal injury and property damage combined. Such policies shall be occurrence rather than claims-made policies and shall not contain any endorsements or any other form designated to limit and restrict any action by the Commonwealth, as an additional insured, against the insurance coverage in regard to work performed for the Commonwealth.

Prior to commencement of the work under any contract purchase order, the Contractor(s), shall provide the ordering agency with current certificates of insurance naming the Commonwealth of Pennsylvania as an additional insured. These certificates shall contain a provision that the coverage's afforded under the policies will not be cancelled or changed until at least thirty (30) days' written notice has been given to the agency.

The ordering agency shall be under no obligation to obtain such certificates from the Contractor(s). The agencies' failure to obtain same certificates shall not be deemed a waiver of Contractor's obligation to obtain and furnish certificates. DGS and the agencies, shall have the right to inspect the original insurance policies held by the Contractor(s).

**MINIMUM ORDER:** There is no minimum order; all agencies shall use this contract.

**INQUIRIES:** Direct all questions concerning this Contract to Norman Kee, Telephone No. (717) 787-7675, e-mail [nkee@state.pa.us](mailto:nkee@state.pa.us)

The total number of pages for the Special Contract Terms And Conditions for this Contract is twelve (12).

The contractor(s) identified by an "X" in the Act 57 of May 15, 1988 column has agreed to sell the awarded item(s) at the same prices and/or discounts, and in accordance with the contractual terms and conditions as amended by Act 142 of 2002, local public procurement units to participate in those contracts for supplies, services, or construction entered into by DGS that are made available to local public procurement units and any other Commonwealth Purchasing agencies. A "local public procurement unit" is defined as: any political subdivision, public authority, any tax exempt nonprofit educational or public health institution or organization and any nonprofit fire company, any nonprofit rescue company, any nonprofit ambulance company and to the extent provided by law, any other entity, including a council of governments or an area government that expends public funds for the procurement of supplies, services and construction. Those local public procurement units listed above which issue orders under the contract are the intended beneficiaries under the contract and are real parties in interest with the right to sue and be sued without joining the Commonwealth of Pennsylvania Department of General Services as a party and any other Commonwealth Purchasing agencies. Local public procurement units that elect to participate in the contract will order items directly from the contractor and will be responsible for payment directly to the contractor.

SUBJECT: Work Zone Traffic Control  
Traffic Counter Installations and Removal

EXHIBIT A

TO: District Engineers \_\_\_\_\_

FROM:   
William R. Moyer, P.E.  
Deputy Secretary for Highway Administration

The following will establish the Work Zone Traffic Control Guidelines for the installation and removal of traffic counters on various types of highways. This policy updates and rescinds the policy on the same subject dated November 3, 1987.

1. General. The basic figure from Publication 203 (67 Pa. Code, Chapter 203) which should be used for the installation and removal of traffic counters is Figure 5. A copy of this figure is attached.

1.1 Signs. When advance warning signs are used in accordance with Figure 5, they shall read "WORK AREA AHEAD" and have three 16" x 16" minimum size orange flags attached to the top of each sign by staffs that are a minimum of 24" long. A copy of this sign standard is attached.

Supplementary signs, such as "COUNTER INSTALLATION AHEAD", may be erected in addition to the "WORK AREA AHEAD" signs if so desired. These supplemental signs shall not be used in lieu of the "WORK AREA AHEAD" signs.

1.2 Vehicle. The vehicle used in the work area during the installation or removal of traffic counters shall be equipped with a flashing or revolving yellow strobe light or a bar of lights. If additional strobe lights are installed, they should be installed at the back of the vehicle on the right and left side of the vehicle (the lights should be mounted on the roof of vans and panel trucks and on upright shafts at the back of pick up trucks). If a bar of lights is installed, it should be located on top of the vehicle so it will be visible to all approaching drivers.

1.3 Attire. All traffic counter installation personnel shall wear an orange vest, shirt or jacket. During inclement weather, orange or yellow rain gear

Work Zone Traffic Control  
Traffic Counter Installations and Removal  
Page 2

may be substituted for the orange vest, shirt or jacket. For nighttime conditions, similar outside garments shall be reflectorized.

2. Specific Guidelines. Since the installation and removal of traffic counters normally takes less than 60 minutes, the signs and channelizing devices shown on Figure 5 may be eliminated if the work vehicle (with activated flashing or revolving yellow lights) is located in the work area, and the vehicle and traffic counter personnel can be seen by approaching traffic for a distance, in feet, equal to 10 times the legal speed limit. In addition, if the counter equipment cannot be safely installed due to a narrow shoulder, placement in a travel lane, insufficient sight distance, heavy traffic volume or any other unsafe condition, the traffic counter personnel shall be assisted by a flagger, a uniformed police officer, or a shadow vehicle on the roadway.

We expect all Department and municipal traffic counter installation and removal operations to conform to these guidelines. If you have any questions on this matter, please contact Richard Sesny of the Traffic Engineering and Operations Division at (717) 783-6080.

Work Area Ahead Sign, W21-7.

The Work Area Ahead Sign, W21-7, shall be authorized for use in advance of obstructions or restrictions that a motorist may encounter at construction, maintenance, or utility work areas. The 48 inches by 48 inches size may indicate the actual distance in lieu of the legend "AHEAD".

30	300	60
35	350	70
40	400	80
45	450	90
50	500	100
55	550	110

**NOTES**

- This figure applies for stationary short-term operations adjacent to any roadway. However, the traffic control devices prescribed in this figure are not required if the work area is more from the edge of any roadway.
- All distances may be adjusted slightly to fit field conditions.
- Work Area Ahead Signs shall be a minimum size of 48" x 48" for freeways and expressways, and 36" x 36" minimum for all other highways.
- For divided highways and one-way highways where it is physically possible, advance warning signs should also be placed on the left-hand side of the roadway.
- The Work Area Ahead Signs may be replaced with other appropriate signs (Low Shoulder Sign, No Guide Rail Sign, and so forth).
- During hours of darkness, all signs shall be reflectorized or illuminated, and each advance warning sign shall have a Type A or Type B light.
- For operations 60 minutes or less in duration, all signs and channelizing devices may be eliminated if a vehicle with an activated flashing or revolving yellow light is used.

**CONTRACTOR LIST**

The contractor(s) identified by "YES" in the Act 57 column have agreed to sell the awarded item(s) at the same prices and/or discounts, and in accordance with the contractual terms and conditions, to local public procurement units, which elect to participate in the contract. A "local public procurement unit" is defined as: any political subdivision; public authority; educational, health, or other institution; and to the extent provided by law, any other entity, including a council of governments or an area government; nonprofit fire, rescue, or ambulance company; and any nonprofit corporation operating a charitable hospital. Unless otherwise specified below, payment terms are Net 30 days.

Dear Syline,

Count Electronics would like to submit pricing for Classification Counting in the Commonwealth of Pennsylvania. We are currently listed to do Volume and Manual Counts under SAP Contract # 4600007762 under Vendor # 185620. We have reviewed Page 1, of The Special Contract Terms and Conditions as suggested to us by Andrea Bahoric, Penn Dot Representative. We will submit this page with our pricing for class counts. It has the provision for piggybacking off of this contract and our current address for purchase orders.

If there are anymore requirements please let us know.

Looking forward to hearing from you,

Todd M. Renicker - Owner  
Count Electronics

Department of General Services  
GSPUR138 Rev. 11/19/02

**TRAFFIC COUNT SERVICES**

**SPECIAL CONTRACT TERMS AND CONDITIONS**

**CONTRACT SCOPE/OVERVIEW:** This Contract No. 9985-27 (identified here and in the other documents as the "Contract") will cover the requirements of Commonwealth agencies for "Traffic Count Services". Agencies may select one (1) or more Contractors, as needed to full-fill their requirements.

**ORDER OF PRECEDENCE:** These Special Contract Terms and Conditions supplement the Standard Contract Terms and Conditions For Statewide Contracts for Supplies. To the extent that these Special Contract Terms and Conditions conflict with the Standard Contract Terms and Conditions For Statewide Contracts for Supplies, these Special Contract Terms and Conditions shall prevail.

**TERM OF CONTRACT:** The Contract shall commence on the Effective Date, which shall be no earlier than April 1, 2003 and expire on March 31, 2005.

**OPTION TO EXTEND:** The Department of General Services reserves the right, upon notice to the Contractor, to extend the Contract or any part of the Contract for up to three (3) months upon the same terms and conditions. This will be utilized to prevent a lapse in Contract coverage and only for the time necessary, up to three (3) months, to enter into a new contract.

**OPTION FOR SEPARATE COMPETITIVE BIDDING PROCEDURE:** The Department of General Services reserves the right to purchase supplies covered under this Contract through a separate competitive bidding procedure, whenever the department deems it to be in the best interest of the Commonwealth. The right will generally be exercised only when a specific need for a large quantity of the supply exists or the price offered is significantly lower than the Contract price.

**E-CATALOG:** The Commonwealth may require the awarded bidder(s) to supply its price list/catalog and any updated price lists/catalogs in electronic format. Price lists/catalogs must be provided in one of the following formats: Word document, Excel spreadsheet, or PDF file on 3.5-inch diskette or CD-ROM.

**PROVISIONS FOR PIGGYBACKING OFF OF THIS CONTRACT:** Act 57 of May 15, 1998 permits local public procurement units to participate in those contracts for supplies, services, or construction entered into by the Department of General Services that are made available to local public procurement units. A "local public procurement unit" is defined as: any political subdivision; public authority; educational, health, or other institution; and to the extent provided by law, any other entity, including a council of governments or an area government; nonprofit fire, rescue or ambulance company; and any nonprofit corporation operating a charitable hospital. Local public procurement units which elect to participate in the contract will order items directly from the contractor and will be responsible for payment directly to the contractor.

Those local public procurement units listed above which issue orders under the contract are intended beneficiaries under the contract and are real parties in interest with the right to sue and be sued without joining the Commonwealth of Pennsylvania Department of General Services as a party.

If your firm is awarded a contract, does it agree to sell the awarded items at the same prices and/or discounts, and in accordance with the contractual terms and conditions, to local public procurement units which elect to participate in the contract?

Please Answer: YES  X  NO \_\_\_\_\_

**ADDRESS OF PURCHASE ORDER:** Commonwealth agencies may issue purchase orders against this Contract for supplies required by the agencies (using agencies). Please state below where the Purchase Orders should be sent (name, address, city, state, zip code).

Count Electronics
